## IN ASSEMBLY

March 27, 2026

Introduced by M. of A. PALMESANO -- read once and referred to the  
Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to  
leucistic and melanistic deer

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Subdivision 4 of section 11-0901 of the environmental  
2 conservation law is amended by adding a new paragraph b-1 to read as  
3 follows:

4 b-1. (1) No person shall hunt leucistic deer, including white deer and  
5 albino deer, or melanistic deer.

6 (2) The prohibition contained in subparagraph one of this paragraph  
7 shall not apply to: the owner or lessee of the dwelling house, or  
8 members of such owner's or lessee's immediate family residing therein,  
9 or a person in their employ, or the guest of the owner or lessee of the  
10 dwelling house acting with the consent of such owner or lessee.

11 (3) For the purpose of this paragraph, the following terms shall have  
12 the following meanings:

13 (i) "leucistic deer" shall mean any deer displaying the recessive  
14 genetic trait of leucism, or the absence of melanin pigment, causing the  
15 deer's coat to be white in color on all parts of the body, excluding the  
16 tarsal glands, head, or parts of the head; and

17 (ii) "melanistic deer" shall mean any deer displaying the genetic  
18 mutation of melanism, causing the deer's coat to be black or dark brown  
19 in color on all parts of the body, excluding the tarsal glands, head, or  
20 parts of the head.

21 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
