1 Section 1. Notwithstanding the provisions of any law, rule or regulation to the contrary, Patricia Espinosa, who was a member of the New York state and local police and fire retirement system employed as a police officer by the county of Nassau, and who died on January 31, 2026 as the result of an accident which occurred while she was travelling to work, shall be deemed to have died as the natural and proximate result of an accident sustained in the performance of duty. Any amounts paid by the New York state and local police and fire retirement system as the result of the death of Patricia Espinosa prior to the receipt of the accidental death benefit and/or special accidental death benefit pursuant to this section shall be deducted from the benefit payable on an actuarially equivalent basis over the expected future lifetime of the statutory beneficiary or beneficiaries.
