16 A local government entity shall be eligible for only one payment of
 17 funds hereunder per year. A local government entity may seek assistance
 18 under the electric generation facility cessation mitigation fund once a
 19 generator has submitted its notice to the federally designated electric
 20 bulk system operator (BSO) serving the state of New York of its intent
 21 to retire the facility or of its intent to voluntarily remove the facil-
 22 ity from service subject to any return-to-service provisions of any
 23 tariff, and that the facility also is ineligible to participate in the
 24 markets operated by the BSO. The date of submission of a local govern-
 25 ment entity's application for assistance shall establish the order in
 26 which assistance is paid to program applicants, except that in no event
 27 shall assistance be paid to a local government entity until such time
 28 that an electric generating facility has retired or become ineligible to
 29 participate in the markets operated by the BSO. For purposes of this
 30 section, any local government entity seeking assistance under the elec-
 31 tric generation facility cessation mitigation fund must submit an attes-
 32 tation to the department of public service that a facility is no longer
 33 producing electricity and is no longer participating in markets operated
 34 by the BSO. After receipt of such attestation, the department of public
 35 service shall confirm such information with the BSO. In the case that
 36 the BSO confirms to the department of public service that the facility
 37 is no longer producing electricity and participating in markets operated
 38 by such BSO, it shall be deemed that the electric generating facility
 39 located within the local government entity has ceased operation. The
 40 department of public service shall provide such confirmation to the
 41 urban development corporation upon receipt. The determination of the
 42 amount of such annual payment shall be determined by the president of
 43 the urban development corporation based on the amount of the differen-
 44 tial between the annual real property taxes and payments in lieu of
 45 taxes imposed upon the facility, exclusive of interest and penalties,
 46 during the last year of operations and the current real property taxes
 47 and payments in lieu of taxes imposed upon the facility, exclusive of
 48 interest and penalties. The total amount awarded from this program shall
 49 not exceed \$140,000,000.

50 § 2. This act shall take effect immediately.
