29 2026 through March 31, 2027, shall not
30 exceed \$36,099,200,000 except as provided
31 below provided, however, such aggregate
32 limits may be adjusted by the director of
33 the budget to account for any changes in
34 the New York state federal medical assist-

36 ant to the federal social security act,
37 increases in provider revenues, reductions
38 in local social services district payments
39 for medical assistance administration,

49 medicaid expenditures as a result of a
50 natural or other type of disaster, includ-
51 ing a governmental declaration of emergen-
52 cy.

1 The director of the budget, in consultation
2 with the commissioner of health, shall
3 assess on a quarterly basis known and
4 projected medicaid expenditures by category of service and by geographic region, as
5 defined by the commissioner, incurred both
6 prior to and subsequent to such assessment
7 for each such period, and if the director
8 of the budget determines that such expenditures
9 are expected to cause medicaid
10 spending for such period to exceed the
11 aggregate limit specified herein for such
12 period, the state medicaid director, in
13 consultation with the director of the
14 budget and the commissioner of health,
15 shall develop a medicaid savings allocation
16 adjustment to limit such spending
17 to the aggregate limit specified herein
18 for such period.
19

20 Such medicaid savings allocation adjustment
21 shall be designed, to reduce the expenditures
22 authorized by the appropriations
23 herein in compliance with the following
24 guidelines: (1) reductions shall be made
25 in compliance with applicable federal law,
26 including the provisions of the Patient
27 Protection and Affordable Care Act, Public
28 Law No. 111-148, and the Health Care and
29 Education Reconciliation Act of 2010,
30 Public Law No. 111-152 (collectively
31 "Affordable Care Act") and any subsequent
32 amendments thereto or regulations promulgated
33 thereunder; (2) reductions shall be
34 made in a manner that complies with the
35 state medicaid plan approved by the federal
36 centers for medicare and medicaid
37 services, provided, however, that the
38 commissioner of health is authorized to
39 submit any state plan amendment or seek
40 other federal approval, including waiver
41 authority, to implement the provisions of
42 the medicaid savings allocation adjustment
43 that meets the other criteria set forth
44 herein; (3) reductions shall be made in a
45 manner that maximizes federal financial
46 participation, to the extent practicable,
47 including any federal financial participation
48 that is available or is reasonably
49 expected to become available, in the
50 discretion of the commissioner, under the
51 Affordable Care Act; (4) reductions shall
52 be made uniformly among categories of
53 services and geographic regions of the
54 state, to the extent practicable, and
55 shall be made uniformly within a category
56 of service, to the extent practicable,

except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such adjustment to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the adjustment.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medi-

1 caid savings allocation adjustment is
2 necessary due to a public health emergen-
3 cy.

4 For purposes of this section, a public
5 health emergency is defined as: (i) a
6 disaster, natural or otherwise, that
7 significantly increases the immediate need
8 for health care personnel in an area of
9 the state; (ii) an event or condition that
10 creates a widespread risk of exposure to a
11 serious communicable disease, or the
12 potential for such widespread risk of
13 exposure; or (iii) any other event or
14 condition determined by the commissioner
15 to constitute an imminent threat to public
16 health.

17 Nothing in this paragraph shall be deemed to
18 prevent all or part of such medicaid
19 savings allocation adjustment from taking
20 effect retroactively to the extent permit-
21 ted by the federal centers for medicare
22 and medicaid services.

23 In accordance with the medicaid savings
24 allocation adjustment, the commissioner of
25 the department of health shall reduce
26 department of health state funds medicaid
27 spending by the amount of the projected
28 overspending through, actions including,
29 but not limited to modifying or suspending
30 reimbursement methods, including but not
31 limited to all fees, premium levels and
32 rates of payment, notwithstanding any
33 provision of law that sets a specific
34 amount or methodology for any such
35 payments or rates of payment; modifying or
36 discontinuing medicaid program benefits;
37 seeking all necessary federal approvals,
38 including, but not limited to waivers,
39 waiver amendments; and suspending time
40 frames for notice, approval or certif-
41 ication of rate requirements, notwith-
42 standing any provision of law, rule or
43 regulation to the contrary, including but
44 not limited to sections 2807 and 3614 of
45 the public health law, section 18 of chap-
46 ter 2 of the laws of 1988, and 18 NYCRR
47 505.14(h).

48 The department of health shall prepare a
49 quarterly report that sets forth: (a)
50 known and projected department of health
51 medicaid expenditures as described in
52 subdivision (1) of this section, and
53 factors that could result in medicaid
54 disbursements for the relevant state
55 fiscal year to exceed the projected
