2 participating school districts and their bounded locations to any third-  
3 party vendor which operates a photo violation monitoring system. A  
4 vendor shall disable the operation of mobile bus photo violation moni-  
5 toring systems outside such geographic boundaries. Nothing in this  
6 paragraph shall be deemed to limit the authority of a law enforcement  
7 officer to enforce the provisions of section eleven hundred seventy-four  
8 of this article.

9 1-a. Any county, city, town or village, located within a school  
10 district, that has adopted a local law or ordinance pursuant to this  
11 section establishing a demonstration program imposing liability on the  
12 owner of a vehicle for failure of an operator thereof to comply with  
13 subdivision (a) of section eleven hundred seventy-four of this article

23 systems, and for the forwarding of such photographs, microphotographs,  
24 videotapes, other recorded images and data to the applicable county,  
25 city, town or village. Any agreement entered into hereunder shall be  
26 approved by each participating county, city, town or village by a major-

35 photo monitoring system shall be operated prior to such resolution of  
36 the school district. Provided, however, that where a district has  
37 entered an agreement as provided hereunder with a county, no cities,  
38 towns or villages within the same county may enter into, or be a party  
39 to, any agreement with such district pursuant to this section. Provided  
40 further, however, that no county shall enter an agreement with any city  
41 school district wholly contained within a city. Nothing in this section  
42 shall be construed to prevent a county, city, town, village or district
