LBD15499-02-6

This bill would grant police officers Ryan St. Gelais and Aaron St. Gelais, members of the New York State and Local Police and Fire Retirement System (NYSLPFRS) employed by the village of Menands, to receive service credit under section 384-d of the Retirement and Social Security Law (RSSL) for correction officer service and age-based plan service. Currently, correction officer service and age-based plan service are not creditable in a NYSLPFRS twenty-year retirement plan.

This bill will not increase the village of Menands' annual contributions.

There will be an immediate past service cost of \$260,000 borne by the village of Menands as a one-time payment. This cost assumes that payment will be made on February 1, 2027.

Ryan St. Gelais and Aaron St. Gelais must complete and file applications for tier reinstatement with NYSLPFRS for service credit to be granted.
