4 dormitory authority is hereby authorized to finance eligible police
5 precinct facilities and buildings in any area in which three hundred
6 thousand people or more are served by one police precinct.

7 2. (a) Subject to the provisions of chapter fifty-nine of the laws of
8 two thousand and to the making of annual appropriations therefor by the
9 legislature, in order to assist the dormitory authority in providing for
10 the financing of additional police precincts, the director of the budget
11 is authorized in any state fiscal year commencing April first, two thou-

1 security for its bonds, notes, or other obligations and shall be deemed
2 executory only to the extent monies are available and that no liability
3 shall be incurred by the state beyond the monies available for the
4 purpose, and that such obligation is subject to annual appropriations by
5 the legislature.

6 (d) Any service contract or contracts entered into pursuant to this
7 subdivision shall provide for state commitments to provide annually to
8 the dormitory authority a sum or sums, upon such terms and conditions as
9 shall be deemed appropriate by the director of the budget, to fund the
10 principal, interest, or other related payments required for any bonds,
11 notes, or other obligations of the dormitory authority issued pursuant
12 to this section.

13 3. (a) To obtain funds for the purposes of this section, the authority
14 shall have power from time to time to issue negotiable bonds or notes.
15 Unless the context shall clearly indicate otherwise, whenever the words
16 "bond" or "bonds" are used in this section, such words shall include a
17 note or notes of the authority.

18 (b) The dormitory authority shall not issue any bonds or notes in an
19 amount in excess of fifty million dollars for the purposes of this

21 service reserve funds, to pay costs of issuance of such bonds, and bonds
22 or notes issued to refund or otherwise repay such bonds or notes previ-
23 ously issued. Except for purposes of complying with the internal revenue
24 code, any interest on bond proceeds shall only be used to pay debt
25 service on such bonds.

26 (c) In computing for the purposes of paragraph (b) of this subdivi-
27 sion, the aggregate amount of indebtedness evidenced by bonds and notes
28 of the dormitory authority issued pursuant to this title, there shall be
29 excluded the amount of such indebtedness represented by such bonds or
30 notes issued to refund or otherwise repay bonds or notes; provided that
31 the amount so excluded under this paragraph may exceed the principal
32 amount of such bonds or notes that were issued to refund or otherwise
33 repay only if the present value of the aggregate debt service on the
34 refunding or repayment bonds or notes shall not have at the time of
35 their issuance exceeded the present value of the aggregate debt service
36 of the bonds or notes they were issued to refund or repay, such present
37 value in each case being calculated by using the effective interest rate
38 of the refunding or repayment bonds or notes, which shall be that rate
39 arrived at by doubling the semi-annual interest rate (compounded semi-
40 annually) necessary to discount the debt service payments on the refund-
41 ing or repayment bonds or notes from the payment date thereof to the
42 date of issue of the refunding or repayment bonds or notes and to the
43 price bid therefor, or to the proceeds received by the dormitory author-
44 ity from the sale thereof, in each case including estimated accrued
45 interest.

46 (d) The state of New York hereby covenants with the purchasers, hold-
47 ers, and owners from time to time of the bonds of the authority issued
48 pursuant to this section that it will not, subject to the provisions of
49 paragraph (c) of subdivision two of this section, repeal, revoke,
50 rescind, modify, or amend the provisions of this section which relate to
51 the making of annual service contract payments to the authority with
52 respect to such bonds as to limit, impair, or impede the rights and
53 remedies granted to bondholders under this title or otherwise diminish
54 the security pledged to such purchasers, holders, and owners or signif-
55 icantly impair the prospect of payment of any such bond.

1 § 2. Section 1676 of the public authorities law is amended by adding a
2 new subdivision 37 to read as follows:

3 37. "Eligible police precinct facilities" shall mean a project for the
4 design, acquisition, construction, rehabilitation or improvement of
5 police precinct facilities as set forth in an agreement between the
6 authority and the director of the budget providing for the financing of
7 such improvements.

8 § 3. This act shall take effect immediately.
