33 ment fees) for the three year period ending on or within six months of
34 the date of an application pursuant to such criteria as compared with

37 first three years of operation if the building was completed since nine-
38 teen hundred sixty-eight or for the first three fiscal years after a
39 transfer of title to a new owner provided the new owner can establish to
40 the satisfaction of the commissioner that [~~he or she~~] such new owner
41 acquired title to the building as a result of a bona fide sale of the

52 a building with thirty-five or fewer housing accommodations, or a twelve
53 and one-half-year period for a building with more than thirty-five hous-

10 payments. The collection of any increase shall not exceed two percent in
11 any year from the effective date of the order granting the increase over
12 the rent set forth in the schedule of gross rents, with collectability

23 interest or service charges. Where an application for a temporary major
24 capital improvement increase has been filed, a tenant shall have sixty
25 days from the date of mailing of a notice of a proceeding in which to
26 answer or reply. The state division of housing and community renewal
27 shall provide any responding tenant with the reasons for the division's
28 approval or denial of such application. A rent adjustment for a major
29 capital improvement may only be granted if the owner or agent of the
30 subject building first applies for and receives benefits pursuant to
31 section 11-243 of this code for the building for which they are seeking
