18 any deduction taken pursuant to section 199A of the internal revenue
19 code, or any successor provision thereto. This section shall not apply
20 to a taxpayer with a federal taxable income below the threshold amount,

32 amount deducted under section 199A bears to the taxpayer's total federal
33 taxable income as determined without regard to such deduction.

35 penalties shall be imposed, in the same manner as the other taxes
36 imposed by this article.
