AN ACT to amend the education law, in relation to vision screening examinations in public schools

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 4 of section 905 of the education law, as
2 amended by chapter 477 of the laws of 2004, is amended to read as
3 follows:

4 4. Vision screening examinations of students in the schools of this
5 state made pursuant to subdivision one of this section, or made pursuant
6 to the by-laws, regulations or practices of the board of education of
7 the city school district of the city of New York, shall be subject to
8 the provisions of this subdivision, and where inconsistent herewith, the
9 provisions of this subdivision shall prevail. In addition to any vision
10 screening examinations otherwise required by the provisions or practices
11 cited in this subdivision, all students who enroll in a school of this
12 state shall be tested for color perception, distance acuity and near
13 vision within six months of admission to the school, or by such other
14 date as may be prescribed in the regulations of the commissioner, using
15 examination devices and testing methods as may be authorized in the
16 regulations of the commissioner, including but not limited to, the Snel-
17 len Eye Test Chart and automated vision screening devices. The results
18 of any such vision screening examinations, whether made pursuant to this
19 subdivision or pursuant to the provisions or practices cited in this
20 subdivision, shall be in writing and shall be made available to the
21 student's parent or person in parental relation and to any teacher of
22 the student within the school while the student is enrolled in the
23 school, and shall be kept in a permanent file of the school for at least
