Introduced by M. of A. BURDICK -- read once and referred to the Committee on Energy

AN ACT to amend the general municipal law, in relation to siting of carport-mounted solar energy systems

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The general municipal law is amended by adding a new article 5-M to read as follows:

ARTICLE 5-M

CARPORT-MOUNTED SOLAR ENERGY SYSTEMS

Section 119-hh. Legislative intent.

119-ii. Carport-mounted solar energy systems.

§ 119-hh. Legislative intent. The legislature hereby declares that it is the policy of this state to foster and encourage the development of solar energy generating systems, to take advantage of a safe, abundant, renewable and non-polluting energy resource; to decrease the cost of electricity to the owners of residential and commercial properties, including single-family houses; to increase employment and business development in the state, to the extent reasonably practical, by furthering the installation of solar energy systems; and to provide for the development of solar energy systems in non-residential zoning districts and mixed commercial and residential zoning districts.

§ 119-ii. Carport-mounted solar energy systems. 1. For the purposes of this article "carport-mounted solar energy system" shall mean a solar energy system not to exceed five megawatts of generating capacity which is located and mounted on a roof or structure above real property exclusively in use for vehicle parking.

2. No local government shall under any zoning ordinance, zoning law, or law or ordinance of general applicability which determines permissi-
