AN ACT to amend the arts and cultural affairs law, in relation to increasing access to resources for culturally diverse arts and culture organizations that advocate for diversity, equity and inclusion, racial and social justice, and cultural preservation

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 3.01 of the arts and cultural affairs law is  
2 amended to read as follows:

3 § 3.01. Legislative findings and declaration of policy. It is hereby  
4 found that many of our citizens lack the opportunity to view, enjoy or  
5 participate in living cultural and theatrical performances, musical  
6 concerts, operas, dance and ballet recitals, art exhibits, cultural  
7 exhibits, examples of fine architecture, and the performing and fine  
8 arts generally, and that such lack is exacerbated by racial and social  
9 inequities. It is hereby further found that, with increasing leisure  
10 time, the practice and enjoyment of the arts and culture are of increas-  
11 ing importance and that the general welfare of the people of the state  
12 will be promoted by giving further recognition to the arts and culture  
13 as a vital aspect of our culture and heritage and as a valued means of  
14 expanding the scope of our educational programs and funding to reflect  
15 cultural diversity and equity.

16 It is hereby declared to be the policy of the state to join with  
17 private patrons and with institutions [~~and~~], professional organizations,  
18 and culture-based organizations concerned with [~~the~~] arts and culture to  
19 insure that cultural preservation and development and the role of the  
20 arts in the life of our communities will continue to grow and will play  
21 an ever more significant part in the welfare and educational experience

3 It is further declared that all activities undertaken by the state in  
4 carrying out this policy shall be directed toward encouraging and  
5 assisting rather than in any ways limiting the freedom of artistic and  
6 cultural expression that is essential for the well-being of the arts and  
7 culture. In furtherance thereof, it is hereby declared to be the policy  
8 of the state to support and promote greater access, diversity, equity,  
9 and inclusion.
