15 made applicable to the taxes authorized by this section with such limi-
16 tations as set forth in this section and such modifications as may be
17 necessary in order to adapt such language to the local taxes authorized
18 by this section. Provided, however, in every case where the words "this
19 state" appear, such words "this state" shall be read as "this munici-
20 pality" for purposes of the taxes authorized by this section. Where the
21 word "state" is used in a phrase referring to the sale or use of sugary
22 drinks in this state, such word "state" shall be read as "municipality"
23 for purposes of the taxes authorized by this section, unless the word
24 "municipality" clearly is not applicable.

25 3. Any taxes imposed pursuant to the authority of this section shall
26 be administered and collected by the tax commission in the same manner
27 as the taxes imposed under section four hundred one of this article
28 subject to all provisions of this article as may be applicable. The
29 state tax commission is hereby empowered to make such provisions as it
30 deems necessary for the joint administration and collection of the state
31 and local taxes imposed and authorized by this article. Nothing in this
32 article which requires payment of both state and local taxes to the tax
33 commission shall be construed as the payment of either tax more than
34 once.

35 4. A local law imposing taxes pursuant to the authority of this
36 section or repealing or suspending such taxes must go into effect only
37 on the first day of a calendar month. No such local law shall be effec-
38 tive unless a certified copy of such law is mailed by registered mail to
39 the state tax commission at its office in Albany at least sixty days
40 prior to the date it is to become effective. However, the tax commis-
41 sion, by resolution, may waive and reduce such sixty day minimum notice
42 requirement to a mailing of such certified copy by registered mail with-
43 in a period of not less than thirty days prior to such effective date if
44 it deems such action to be consistent with its duties under this
45 section.

46 5. Certified copies of any local law described in this section shall
47 also be filed with the clerk of the municipality, the secretary of state
48 and the state comptroller within five days after the date it is enacted.

49 6. All taxes, penalties and interest imposed by a municipality under
50 the authority of this section, which are collected by the state tax
51 commission, shall be deposited daily with such responsible banks, bank-
52 ing houses or trust companies, as may be designated by the state comp-
53 troller, to the credit of the comptroller, in trust for such munici-
54 pality imposing the tax. Such deposits shall be kept separate and apart
55 from all other monies in the possession of the comptroller. The comp-
56 troller shall require adequate security from all such depositories of

1 such revenue collected by the tax commission. The comptroller shall
2 retain in the comptroller's hands such amount as the commissioner of
3 taxation and finance may determine to be necessary for refunds in
4 respect of the taxes imposed under the authority of this section, and
5 for reasonable costs of the state tax commission in administering,
6 collecting and distributing such taxes, out of which the comptroller
7 shall pay any refunds of such taxes to which taxpayers shall be entitled
8 under the provisions of this article. The amount so payable shall be
9 certified to the comptroller by the president of the state tax commis-
10 sion or the president of the state tax commission's delegate, who shall
11 not be held liable for any inaccuracy in such certificate. Where the
12 amount so paid over to such municipality in any such distribution is
13 more or less than the amount then due to such municipality, the amount
14 of the overpayment or underpayment shall be certified to the comptroller
15 by the president of the state tax commission or the president of the
16 state tax commission's delegate, who shall not be held liable for any
17 inaccuracy in such certificate. The amount of the overpayment or under-
18 payment shall be so certified to the comptroller as soon after the
19 discovery of the overpayment or underpayment as reasonably possible and
20 subsequent payments and distributions by the comptroller to such munici-
21 pality shall be adjusted by subtracting the amount of any such overpay-
22 ment from or by adding the amount of any such underpayment to such
23 number of subsequent payments and distributions as the comptroller and
24 the president of the state tax commission shall consider reasonable in
25 view of the amount of the overpayment or underpayment and all other
26 facts or circumstances.

27 7. As used in this section, "municipality" shall mean any county,
28 town, village or city within the state.

29 § 403. Report of sales and remittance of tax. Any distributor or
30 retailer liable for the tax imposed by this article shall, on or before
31 the last day of April, July, October, and January of each year, file
32 with the department a return, on forms to be prescribed by the commis-
33 sioner and furnished by the department, stating the quantity of sugary
34 drinks, syrups and powders subject to the excise tax imposed by this
35 article sold or offered for sale in the three months immediately preced-
36 ing the month in which the report is due, and any other information
37 required by the commissioner, along with the tax due.

38 § 404. Deposit and disposition of revenue. All taxes collected or
39 received by the department under this article shall be deposited in the
40 community health equity fund established pursuant to the provisions of
41 section ninety-nine-ss of the state finance law; provided, however, that
42 the provisions of this section shall not apply to taxes collected or
43 received pursuant to any tax imposed pursuant to the provisions of
44 section four hundred two of this article.

45 § 405. Records of distributors. Every distributor, and every retailer
46 subject to this chapter, shall maintain for not less than two years
47 accurate records, showing all transactions that gave rise, or may have
48 given rise, to tax liability under this chapter. Such records are
49 subject to inspection by the commissioner at all reasonable times during
50 normal business hours.

51 § 406. Exemptions. The following shall be exempt from the tax imposed
52 by this chapter:

53 1. Bottled sugary drinks, syrups, and powders sold to the United
54 States government or an Indian nation or tribe.

55 2. Bottled sugary drinks, syrups, and powders sold by a distributor to
56 another distributor if the sales invoice clearly indicates that the sale

1 is exempt. If the sale is to a person who is both a distributor and a
2 retailer, the sale shall also be tax exempt and the tax shall be paid
3 when the purchasing distributor or retailer resells the product to a
4 retailer or a consumer. This exemption does not apply to any other sale
5 to a retailer.

6 3. Beverages sweetened solely with non-nutritive sweeteners.

7 4. Beverages consisting of one hundred percent natural fruit or vege-
8 table juice with no added sugars.

9 5. Beverages in which milk, or soy, rice or similar milk substitute,
10 is the primary ingredient or the first listed ingredient on the label of
11 the beverage.

12 6. Unsweetened drinks to which a purchaser can add, or can request
13 that a seller add, sugar at the point of sale, such as coffee or tea.

14 7. Infant formula.

15 8. Beverages for medical use.

16 9. Water without added sugars.

17 § 407. Rules and regulations. The commissioner shall promulgate any
18 rules and regulations necessary to carry out the provisions of this
19 article.

20 § 408. Severability. If any clause, sentence, paragraph, section or
21 part of this article shall be adjudged by any court of competent juris-
22 isdiction to be invalid, such judgment shall not affect, impair, or inval-
23 idate the remainder thereof, but shall be confined in its operation to
24 the clause, sentence, paragraph, section, or part thereof directly
25 involved in the controversy in which such judgment shall have been
26 rendered.

27 § 2. The state finance law is amended by adding a new section 99-ss to
28 read as follows:
