2025-2026 Regular Sessions

IN ASSEMBLY

January 28, 2025

Introduced by M. of A. ROMERO, BARRETT, WOERNER, GLICK, LUCAS, SHIMSKY, DAVILA -- read once and referred to the Committee on Tourism, Parks, Arts and Sports Development

AN ACT to amend the arts and cultural affairs law, in relation to establishing the New York state museum partnership trust; and making an appropriation therefor

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and intent. The legislature finds that
2 the New York state museum is a vital interest of the state, enabling us
3 to pass New York's past and present on to our children and our chil-
4 dren's children. The museum welcomes visitors to explore its rotating
5 and permanent exhibitions. The museum also offers educational program-
6 ming, including after-school programs that have benefited more than
7 4,000 students in the city of Albany. The museum is essential for educa-
8 tion, public programs, and generating tourism and economic activity.
9 Unfortunately, present conditions inhibit its ability to thrive and
10 serve New Yorkers to its fullest potential. Therefore, it is the purpose
11 of this act to support the museum's operations and align its oversight
12 structure with that of the other departments under the office of
13 cultural education at the state education department. Both the New York
14 state library and the New York state archives benefit from the support
15 of an affiliated trust that obtains non-state funding to supplement the
16 operations and programming of the library and archives, respectively. It
17 is time to bring the New York state museum in line with the other divi-
18 sions of the office of cultural education at the state education depart-
19 ment. To accomplish this, a New York state museum partnership trust is
20 created in order to: create an endowment to help collect and preserve
21 art, historical items, objects of material culture, natural history
22 specimens, and other objects that tell the story of the people who call
23 New York home; make possible special projects and inform the citizens of

2 in conjunction with the board of regents, the office of cultural educa-
3 tion at the state education department, the commissioner of education,
4 and the museum advisory council under the board of regents to advise and
5 support the New York state museum.

6 § 2. The arts and cultural affairs law is amended by adding a new
7 title Q to read as follows:

33 lished. Such trust shall be governed by a board which shall be a body
34 corporate and politic constituting a public benefit corporation and its
35 existence shall commence upon the appointment of the members as herein
36 provided. Such board shall consist of twenty total members to be
