STATE OF NEW YORK

3679

2025-2026 Regular Sessions

IN ASSEMBLY

January 29, 2025

Introduced by M. of A. RAJKUMAR -- read once and referred to the Committee on Housing

AN ACT to create the 3D printed housing and infrastructure task force

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. 1. There is hereby created a task force to promote 3D printed housing and infrastructure in New York state. The task force shall consist of 11 members as follows: 5 members appointed by the governor; 2 members appointed by the temporary president of the senate; 2 members appointed by the speaker of the assembly; and 2 members appointed by the mayor of the city of New York. One representative shall be from a building trades union; one representative shall be from a business engaged in industrial 3D printing; one representative shall be an expert on design who is a licensed architect; one representative shall be a civil engineer who is a licensed professional engineer; one representative shall be a certified urban planner; one representative shall be a real estate developer; one representative shall be a representative of the division of homes and community renewal; and one representative shall be a member of the department of state division of building standards and codes.

2. The task force shall develop recommendations on how the state can promote large scale construction of 3D printed homes and infrastructure with respect to legislation, regulatory environment, government initiatives and inducements.

3. The task force shall issue a report to the governor and the legislature, on or before July 1, 2027 on the promotion of 3D printed housing and infrastructure in New York state, including state and local initiatives, regulations, and incentives that will promote the manufacturing of cost-effective, sustainable, and safe 3D printed housing and infrastructure while expediting project delivery and creating and preserving

living wage jobs. The report shall be made available on the website of the division of homes and community renewal.

4. For purposes of this act, "3D printing" and "3D printed" shall refer to the construction of three-dimensional objects primarily through the depositing, joining, or solidifying of material under computer control, generally added in successive layers.

§ 2. This act shall take effect immediately.
