2 from the date of filing thereof.

3 2. All political committees that make an expenditure for a political
4 communication shall be required to disclose the identity of the poli-
5 tical committee which made the expenditure for such political communi-
6 cation. The disclosure on printed or digital political communications,
7 including but not limited to brochures, flyers, posters, mailings, or
8 internet advertising, including social media posts paid for by the
9 campaign, shall be printed or typed in an appropriate legible form to
10 read as follows: "Paid for by:" followed by the name of the political
11 committee making the expenditure. The disclosure on non-printed or
12 digital political communications shall clearly and prominently display
13 and/or speak the following statement: "Paid for by:" followed by the
14 name of the political committee making the expenditure. In the case of a
15 political communication that is not visual, such as radio or automated
16 telephone calls, clearly speaking the statement will satisfy the
17 requirements of this section.

25 including but not limited to pens, bumper stickers, yard signs, buttons,
26 shirts, bags or balloons.

27 4. Political communication that is considered digital media which
28 advertises for a particular candidate, election, ballot measure or issue
29 which limits the content of communication to the name, office and brief
30 message shall not be subject to the provisions of subdivision two of
31 this section if such digital media is unable to contain the "paid for
32 by" statement due to its small size and contains a link to another
33 webpage where the "paid for by" statement is prominently displayed.
34 Social media posts paid for by a campaign shall not be exempted from the
35 provisions of this section.

36 5. (a) For purposes of this subdivision:

37 (i) "Materially deceptive media" means any image, video, audio, text,
38 or any technological representation of speech or conduct fully or
39 partially created or modified that:

40 (1) exhibits a high level of authenticity or convincing appearance
41 that is visually or audibly indistinguishable from reality to a reason-
42 able person;

43 (2) depicts a scenario that did not actually occur or that has been
44 altered in a significant way from how they actually occurred; and

45 (3) is created by or with software, machine learning, artificial
46 intelligence, or any other computer-generated or technological means,
47 including adapting, modifying, manipulating, or altering a realistic
48 depiction.

49 (ii) "Information content provider" means any person or entity that is
50 responsible, in whole or in part, for the creation or development of
51 information provided through the Internet or any other interactive
52 computer service.

53 (b) (i) A person, firm, association, corporation, campaign, committee,
54 or organization that distributes or publishes any political communi-
55 cation that was produced by or includes materially deceptive media and

1 has actual knowledge that it is materially deceptive shall be required
2 to disclose this use.

3 (ii) (1) For visual media the disclosure shall be printed or typed in
4 a legible font size easily readable by the average viewer that is no
5 smaller than other text appearing in the visual media and in the same
6 language used on the communication to read as follows: "This (image,
7 video, or audio) has been manipulated".

8 (2) For communication that is auditory, such as radio or automated
9 telephone calls, clearly speaking the statement at the beginning of the
10 audio, at the end of the audio, and, if the audio is greater than two
11 minutes in length, interspersed within the audio at intervals of not
12 greater than two minutes each and in the same language as the rest of
13 the audio used in the communication, and in a pitch that can be easily
14 heard by the average listener satisfies the requirements of clause one
15 of this subparagraph.

16 (iii) This paragraph shall not apply to the following:

17 (1) materially deceptive media that constitutes satire or parody;

18 (2) materially deceptive media distributed by a bona fide news report-
19 ing entity for the purpose of news reporting or coverage, if the report-
20 ing clearly acknowledges through content or a disclosure, in a manner
21 that can be easily read or heard by the average listener or viewer, that
22 there are questions about the authenticity of the materially deceptive
23 media;

24 (3) a radio or television broadcasting station, including a cable
25 television, satellite television or streaming service operator, program-
26 mer, producer or other similar entity, that broadcasts a political
27 communication when the station or streaming service is paid to broadcast
28 the political communication if the station or streaming service can show
29 that it has disclaimer requirements that are consistent with the
30 requirements provided in this paragraph and that it provided those
31 disclaimer requirements to each person or entity that purchased the
32 broadcast or streaming of the advertisement; or

33 (4) initial dissemination by a platform or service including, but not
34 limited to, a website, regularly published newspaper, or magazine, where
35 the content disseminated is materially deceptive media provided by
36 another information content provider.

37 (iv) A candidate whose voice or likeness appears in materially decep-
38 tive media in violation of this subdivision may seek reasonable court
39 costs and attorneys' fees and injunctive relief prohibiting the distrib-
40 ution, publication or broadcasting of any materially deceptive media in
41 violation of this subdivision against such individual or entity who
42 disseminated or published such media without the consent of the person
43 depicted and who knew or should have known that it was materially decep-
44 tive. An action under this paragraph shall be initiated by filing an
45 application for an order to show cause in the supreme court where the
46 materially deceptive media at issue could deceive and influence electors
47 in an upcoming election. Such action shall be entitled to an automatic
48 calendar preference and be subject to expedited pretrial and trial
49 proceedings.

50 (v) In any action alleging a violation of this subdivision in which a
51 plaintiff seeks preliminary relief with respect to an upcoming election,
52 the court shall grant relief if it determines that:

53 (A) plaintiffs are more likely than not to succeed on the merits; and

54 (B) it is possible to implement an appropriate remedy that would
55 resolve the alleged violation in the upcoming election.

1 (vi) In any action commenced under this subdivision, the plaintiff
2 bears the burden of establishing the use of materially deceptive media
3 by clear and convincing evidence.

4 6. Nothing in this section shall be construed to limit, or to enlarge,
5 the protections that 47 U.S.C. § 230 confers on an interactive computer
6 service for content provided by another information content provider, as
7 such terms are defined in 47 U.S.C. § 230.

8 7. Nothing in this section shall be construed to require entities to
9 cancel, edit, or insert video or audio labels into political communi-
10 cations where such action is inconsistent with federal law.

11 8. The state board of elections is authorized to promulgate additional
12 regulations pertaining to the method of filing statements required to be
13 provided pursuant to this section. Such regulations shall be promulgated
14 within ninety days of the effective date of this subdivision.

15 § 2. This act shall take effect on the ninetieth day after it shall
16 have become a law.
