Introduced by M. of A. GIBBS, SIMON, CUNNINGHAM, TAYLOR -- Multi-Sponsored by -- M. of A. LEVENBERG -- read once and referred to the Committee on Economic Development

AN ACT to amend the New York state urban development corporation act, in relation to establishing a Second Avenue Subway construction economic development grant program; and to amend the economic development law, in relation to the definition of micro business

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 1 of chapter 174 of the laws of 1968, constituting
2 the New York state urban development corporation act, is amended by
3 adding a new section 16-bb to read as follows:

4 § 16-bb. Second Avenue Subway construction economic development grant
5 program. (1) There is hereby created a Second Avenue Subway construction
6 economic development grant program for the purpose of providing finan-
7 cial and technical assistance to businesses located within the Second
8 Avenue Subway construction business zone area during periods of
9 construction.

10 (2) For the purposes of this section the following words or terms
11 shall mean as follows:

12 (a) "Small business" shall have the same meaning as defined in section
13 131 of the economic development law.

14 (b) "Qualified business" shall mean a small business or micro business
15 operating within a one hundred fifty foot radius of the business zone
16 area during a period of authorized construction, and the business has a
17 demonstrated loss.

18 (c) "Business zone area" shall mean:

19 (i) an area in which the chair of the corporation determines that
20 construction on the Second Avenue Subway project has occurred that has
21 been certified by the commissioner for the Metropolitan Transportation
22 Authority; or

EXPLANATION--Matter in italics (underscored) is new; matter in brackets

(O) Water Street from Dover Street to John Street;

(P) Water Street from Wall Street to Coenties Slip.

(d) "Micro business" shall have the same meaning as in section 131-a of the economic development law.

(e) "Period of authorized construction" shall mean those dates for which the chair of the corporation determines that construction on the Second Avenue Subway project has occurred for the specific portion of the business zone area.

(f) "Demonstrated loss" means a ten percent decline in taxable income in the year in which the grant is applied for compared to the business' base fiscal year.

(g) "Base fiscal year" means the tax year immediately preceding the year in which construction began in that portion of the business zone area in which the business is located.

(h) "Endangered business" means a business that would otherwise be deemed a qualified business as defined in paragraph (b) of this subdivision, but who can show a demonstrated loss of a thirty percent decline in taxable income in any given year compared to the business' base fiscal year.

(i) "Terminal business" means a business that would otherwise be deemed a qualified business as defined in paragraph (b) of this subdivision, but who can show a demonstrated loss of a fifty percent decline in taxable income in any given year compared to the business' base fiscal year.

(3) Assistance, out of moneys made available for this program, shall be provided to qualified businesses for the following purposes:

(a) capital improvements costs related to the following:

(i) improving signage so that pedestrians can easily see and identify the business as an operating business;

(ii) expanding existing entryways to the business;

(iii) altering the existing entryways, windows, walls or structure to prevent or minimize excessive noise occurring from the construction;

(iv) improving ventilation within the building to maintain air quality within the business;

(v) equipment, machinery, furniture, fixtures and fittings necessary to the running of a qualified business that shall be affixed to and remain a part of the qualified business location within the business zone area; and

(vi) such other capital improvements as determined by the chair of the corporation.

(b) marketing and advertising costs.

1 (c) for endangered businesses, as determined by the chair of the
2 corporation, such as:

3 (i) payroll assistance; provided, however, any payroll assistance
4 payments made must be made to an employee who has been employed by the
5 business for at least one year, does not have an ownership interest in
6 the business, and is not related, either through blood or marriage, to
7 the owner of the business;

8 (ii) rental payment assistance, whether for real property or equipment
9 and services;

10 (iii) utilities, including but not limited to electricity, phone,
11 cable, internet, and water; and

12 (iv) insurance, as determined by the chair of the corporation.

13 (d) for terminal businesses, as determined by the chair of the corpo-
14 ration, such as:

15 (i) assistance offered to qualified and endangered businesses under
16 this subdivision; and

17 (ii) professional counseling services, dissolution services, profes-
18 sional bankruptcy assistance services, and debt management services.

19 (4) The chairperson shall establish rules and regulations to ensure
20 that all moneys given pursuant to this section are used for the purposes
21 specified by the applicant. If it is determined that a recipient of
22 funds used the money in a manner inconsistent with the information set
23 out in their application, the applicant shall be required to reimburse
24 the corporation twice the amount given to the applicant.

25 (5) The corporation shall also:

26 (a) (i) Establish a comprehensive technical assistance program in
27 cooperation with the department of economic development to assist small
28 and micro businesses through third party service providers, which
29 assistance shall include, but not be limited to:

30 (A) technical assistance with applications for obtaining funds from
31 public and private financing sources;

32 (B) technical assistance in the development of a working capital budg-
33 et;

34 (C) referrals to other providers of technical assistance to small and
35 micro businesses, where appropriate, including the entrepreneurial
36 assistance program established pursuant to article 9 of the economic
37 development law; and

38 (D) technical assistance through education programs.

39 (ii) Technical assistance may be provided through direct corporate
40 support, or through grants to or contracts with service providers or
41 governmental entities.

42 (b) establish programs to assist small and micro businesses in devel-
43 oping workplace policies, including but not limited to the design of
44 employee benefit and assistance programs and developing child care
45 programs.

46 (c) provide grants to business improvement districts, local develop-
47 ment corporations, other not-for-profit economic development organiza-
48 tions, and municipalities for tourism, marketing, promotion, information
49 activities and commercial revitalization activities in the business zone
50 area, such activities may include, but are not limited to, joint print,
51 mailed and internet advertisements, marketing campaigns and redevelop-
52 ment work in connection with the design and implementation of a plan for
53 facade and other improvements throughout the business zone area. Such
54 grants may include monies available for individual property owners
55 and/or tenants who agree to improve their property in accordance with an
56 overall design plan, provided that, such individual property owners

1 and/or tenants shall be required to match at least fifty percent of the
2 amount of any grant awarded to them.

3 (d) provide grants to small and micro businesses to offset costs asso-
4 ciated with the start-up of new business enterprises provided that the
5 space in which the business is going to be located has been vacant for
6 at least one year, the business owner has entered into a lease for at
7 least two years and the landlord or business owner shall be required to
8 match at least half the amount of any grant awarded to them. Such
9 grants may be used to provide technical assistance in development and
10 execution of business plans, including the formation of, acquisition of,
11 management of, or diversification of a small or micro business.

12 (6)(a) The corporation shall, within available appropriations, award
13 grants or enter into contracts for services pursuant to this section to
14 small and micro businesses, through direct applications accepted at the
15 discretion of the corporation. For the purposes of this subdivision the
16 corporation shall enter into annual contracts for services or award
17 grants in an amount equal to fifty percent of the total project costs to
18 qualified businesses.

19 (b) The corporation shall enter into no more than one contract or make
20 more than one grant per year per applicant under this subdivision with
21 any qualified business regardless of the number of projects for which an
22 applicant has applied and for which funding has been approved. In the
23 case of applications for multiple projects to be conducted by a single
24 applicant, the corporation may, at its discretion, provide a grant or
25 enter into a single contract for services with the applicant for some or
26 all of the projects for which an applicant has applied.

27 (c) Not-for-profit corporations, business improvement districts and
28 community development organizations shall be eligible to apply for
29 support under this subdivision to operate a program or programs of busi-
30 ness and economic development services to stabilize, retain or revital-
31 ize existing qualified businesses, and to assist small, micro, and rein-
32 vesting businesses, including, but not limited to assistance to
33 individual businesses in such project areas as:

34 (i) business planning, management assistance and counseling, and
35 financial packaging assistance to small and micro businesses, including
36 the establishment of neighborhood-based business service centers
37 designed to deliver comprehensive technical assistance to new and small
38 businesses in specific communities and neighborhoods;

39 (ii) programs to assist small and micro businesses in the business
40 zone area to identify new business opportunities, plan for new enter-
41 prise development, and manage economic development projects;

42 (iii) innovative programs of public and private cooperation to foster
43 new enterprise development and small and micro business growth;

44 (iv) programs to assist new enterprises and small and micro businesses
45 to identify and access public and private sources of equity, working
46 capital and other types of financing; and

47 (v) programs that improve the ability of small and micro businesses to
48 access state job training programs.

49 (7) Any applicant, who is awarded a grant pursuant to this section
50 where the moneys of such grant are to be used for the construction,
51 demolition, reconstruction, excavation, rehabilitation, repair, reno-
52 vation or alteration of a facility or an improvement to property shall
53 require that the work covered by such contract shall be deemed "public
54 work" and subject to and performed in accordance with articles 8 and 9
55 of the labor law.

1 (8) An applicant who receives a grant pursuant to this section shall
2 ensure and shall sign a written declaration prior to receiving any funds
3 stating that all provisions of the labor law, specifically including the
4 minimum wage provisions of article 19 of the labor law, are adhered to
5 by the business receiving the grant.

6 § 2. The economic development law is amended by adding a new section
7 131-a to read as follows:

8 § 131-a. Definition of a micro business. For the purposes of this
9 chapter, a micro business shall be deemed to be one which is resident in
10 this state, independently owned and operated, not dominant in its field
11 and employs ten or less persons on a full-time basis.

12 § 3. This act shall take effect immediately.
