The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The vehicle and traffic law is amended by adding a new
2 section 1111-j to read as follows:

3 § 1111-j. Owner liability for failure of an operator to comply with

6 a demonstration program imposing monetary liability on the owner of a
7 vehicle for failure of an operator thereof to comply with posted street
8 cleaning parking rules in such city in accordance with the provisions of

1 missible in any disciplinary proceeding convened by the department and
2 any proceeding initiated by the department involving licensure privi-
3 leges of street cleaning vehicle operators. Any street cleaning vehicle
4 photo device mounted on a street cleaning vehicle shall be directed
5 outwardly from such vehicle to capture images of vehicles operated in
6 violation of street cleaning parking rules, and images produced by such
7 device shall not be used for any other purpose in the absence of a court
8 order requiring such images to be produced.

9 3. No street cleaning vehicle photo device shall be used unless on the
10 day it is to be used it has successfully passed a self-test of its func-
11 tions.

12 4. (i) The city of New York shall adopt and enforce measures to
13 protect the privacy of drivers, passengers, pedestrians and cyclists
14 whose identity and identifying information may be captured by a street
15 cleaning photo device. Such measures shall include:

16 (A) utilization of necessary technologies to ensure, to the extent
17 practicable, that photographs, microphotographs, videotape or other
18 recorded images produced by such street cleaning vehicle photo device
19 shall not include images that identify the driver, the passengers, or
20 the contents of the vehicle. Provided, however, that no notice
21 of liability issued pursuant to this section shall be dismissed solely
22 because such a photograph, microphotograph, videotape or other
23 recorded image allows for the identification of the driver, the passen-
24 gers, or the contents of vehicles where the city shows that it made
25 reasonable efforts to comply with the provisions of this paragraph in
26 such case; and

27 (B) oversight procedures to ensure compliance with the privacy
28 protection measures under this subdivision.

29 (ii) Photographs, microphotographs, videotape or any other recorded
30 image from a street cleaning vehicle photo device shall be for the
31 exclusive use of the city for the purpose of the adjudication of liabil-
32 ity imposed pursuant to this section and of the owner receiving a notice
33 of liability pursuant to this section, and shall be destroyed by the
34 city upon the final resolution of the notice of liability to which such
35 photographs, microphotographs, videotape or other recorded images
36 relate, or one year following the date of issuance of such notice of
37 liability, whichever is later. Notwithstanding the provisions of any
38 other law, rule or regulation to the contrary, photographs, microphoto-
39 graphs, videotape or any other recorded image from a street
40 cleaning vehicle photo device shall not be open to the public, nor
41 subject to civil or criminal process or discovery, nor used by any
42 court or administrative or adjudicatory body in any action or proceed-
43 ing therein except that which is necessary for the adjudication of a
44 notice of liability issued pursuant to this section, and no
45 public entity or employee, officer or agent thereof shall disclose
46 such information, except that such photographs, microphotographs,
47 videotape or any other recorded images from such devices:

48 (A) shall be available for inspection and copying and use by the motor
49 vehicle owner and operator for so long as such photographs, microphoto-
50 graphs, videotape or other recorded images are required to be maintained
51 or are maintained by such public entity, employee, officer or agent; and

52 (B) (1) shall be furnished when described in a search warrant issued
53 by a court authorized to issue such a search warrant pursuant to article
54 six hundred ninety of the criminal procedure law or a federal court
55 authorized to issue such a search warrant under federal law, where such
56 search warrant states that there is reasonable cause to believe such

1 information constitutes evidence of, or tends to demonstrate that, a
2 misdemeanor or felony offense was committed in this state or another
3 state, or that a particular person participated in the commission of a
4 misdemeanor or felony offense in this state or another state, provided,
5 however, that if such offense was against the laws of another state, the
6 court shall only issue a warrant if the conduct comprising such offense
7 would, if occurring in this state, constitute a misdemeanor or felony
8 against the laws of this state; and

9 (2) shall be furnished in response to a subpoena duces tecum signed by
10 a judge of competent jurisdiction and issued pursuant to article six
11 hundred ten of the criminal procedure law or a judge or magistrate of a
12 federal court authorized to issue such a subpoena duces tecum under
13 federal law, where the judge finds and the subpoena states that there is
14 reasonable cause to believe such information is relevant and material to
15 the prosecution, or the defense, or the investigation by an authorized
16 law enforcement official, of the alleged commission of a misdemeanor or
17 felony in this state or another state, provided, however, that if such
18 offense was against the laws of another state, such judge or magistrate
19 shall only issue such subpoena if the conduct comprising such offense
20 would, if occurring in this state, constitute a misdemeanor or felony in
21 this state; and

22 (3) may, if lawfully obtained pursuant to this clause and clause (A)
23 of this subparagraph and otherwise admissible, be used in such criminal
24 action or proceeding.

25 (iii) The demonstration program authorized pursuant to this section is
26 prohibited from utilizing and from arranging for the utilization of
27 biometric identifying technology, including but not limited to facial
28 recognition technology, for any purpose. The use, and the arrangement
29 for the use, of biometric identifying technology, including but not
30 limited to facial recognition technology, on photographs, microphoto-
31 graphs, videotape, or any other recorded image or data produced by a
32 street cleaning photo device, by any person for any purpose, are prohib-
33 ited. For purposes of this subparagraph, "person" shall include, but not
34 be limited to, a human being, a public or private corporation, an unin-
35 corporated association, a partnership, a government or a governmental
36 instrumentality, a court or an administrative or adjudicatory body, and
37 any employee, officer, and agent of the foregoing.

38 5. Every street cleaning vehicle upon which a street cleaning vehicle
39 photo device is installed and operated pursuant to a demonstration
40 program authorized pursuant to this section shall be equipped with
41 signs, placards or other displays giving notice to motor vehicle opera-
42 tors that street cleaning vehicle photo devices are used to enforce
43 street cleaning parking rules.

44 6. Warning notices of violation shall be issued during the first sixty
45 days that street cleaning vehicle photo devices pursuant to a demon-
46 stration program authorized by this section are active and in operation.

47 7. The city of New York shall adopt and enforce measures:

48 (i) to upgrade signage at regular intervals within street cleaning
49 routes stating that street cleaning vehicle photo devices are used to
50 enforce street cleaning parking rules along such routes; and

51 (ii) to prohibit the use or dissemination of vehicles' license plate
52 information and other information and images captured by street cleaning
53 vehicle photo devices except: (A) as required to establish liability
54 under this section or collect payment of penalties; (B) as required by
55 court order; or (C) as otherwise required by law.

1 (b) If the city of New York has established a program pursuant to
2 subdivision (a) of this section, the owner of a vehicle shall be liable
3 for a penalty imposed pursuant to this section if such vehicle was
4 parked in violation of any street cleaning parking rule of such city and
5 such violation is evidenced by information obtained from a street clean-
6 ing vehicle photo device.

7 (c) For purposes of this section, the following terms shall have the
8 following meanings:

9 1. "Biometric identifying technology" shall mean any tool using an
10 automated or semi-automated process that assists in verifying a person's
11 identity based on a person's biometric information.

12 2. "Biometric information" shall mean any measurable physical, physio-
13 logical or behavioral characteristics that are attributable to a person,

22 4. "Owner" shall have the meaning provided in article two-B of this
23 chapter.

24 5. "Street cleaning routes" shall mean street cleaning routes desiq-
25 uated by the New York city department of sanitation that include

30 New York city department of sanitation during designated time periods as
31 posted by sign pursuant to the rules of the New York city department of
32 transportation.

33 7. "Street cleaning vehicle" shall mean any vehicle operated by the

41 the city of New York in which the charged violation occurred, or a
42 facsimile thereof, based upon inspection of photographs, microphoto-
43 graphs, videotape or other recorded images produced by a street cleaning
44 vehicle photo device, shall be prima facie evidence of the facts
45 contained therein. Any photographs, microphotographs, videotape or other
46 recorded images evidencing such a violation shall be available for
47 inspection in any proceeding to adjudicate the liability for such
48 violation pursuant to this section.

49 (e) An owner liable for a violation of a street cleaning parking rule
50 imposed on any route shall be liable for monetary penalties in accord-

55 owner shall be liable for an additional penalty not to exceed twenty-

1 five dollars for each violation for the failure to respond to a notice
2 of liability within the prescribed time period.

3 (f) An imposition of liability under the demonstration program estab-
4 lished pursuant to this section shall not be deemed a conviction as an
5 operator and shall not be made part of the operating record of the
6 person upon whom such liability is imposed nor shall it be used for
7 insurance purposes in the provision of motor vehicle insurance coverage.

8 (g) 1. A notice of liability shall be sent by first class mail to each
9 person alleged to be liable as an owner for a violation of a street
10 cleaning parking rule. Personal delivery on the owner shall not be
11 required. A manual or automatic record of mailing prepared in the ordi-
12 nary course of business shall be prima facie evidence of the facts
13 contained therein.

14 2. A notice of liability shall contain the name and address of the

17 such violation, the location where such violation took place including
18 the street or cross streets, one or more images identifying the
19 violation, the date and time of such violation and the identification
20 number of the street cleaning vehicle photo device that recorded the
21 violation or other document locator number.

22 3. The notice of liability shall contain information advising the
23 person charged of the manner and the time in which such person may
24 contest the liability alleged in the notice. Such notice of liability
25 shall also contain a warning to advise the person charged that failure
26 to contest in the manner and time provided shall be deemed an admission
27 of liability and that a default judgment may be entered thereon.

28 4. The notice of liability shall be prepared and mailed by an agency
29 or agencies designated by the city of New York, or any other entity
30 authorized by such city to prepare and mail such notification of
31 violation.

32 5. Adjudication of the liability imposed upon owners by this section
33 shall be by the New York city parking violations bureau.

34 (h) If an owner of a vehicle receives a notice of liability pursuant
35 to this section for any time period during which the vehicle was
36 reported to the police department as having been stolen, it shall be a
37 valid defense to an allegation of liability for violation of a street
38 cleaning parking rule of such city, that the vehicle had been reported
39 to the police as stolen prior to the time the violation occurred and had
40 not been recovered by such time. For purposes of asserting the defense
41 provided by this subdivision it shall be sufficient that a certified
42 copy of the police report on the stolen vehicle be sent by first class
43 mail to the parking violations bureau.

44 (i) 1. An owner who is a lessor of a vehicle to which a notice of
45 liability was issued pursuant to subdivision (g) of this section shall
46 not be liable for the violation of the street cleaning parking rule,
47 provided that:

48 (i) prior to the violation, the lessor has filed with such parking
49 violations bureau in accordance with the provisions of section two
50 hundred thirty-nine of this chapter; and

51 (ii) within thirty-seven days after receiving notice from such bureau
52 of the date and time of such liability, together with the other informa-

54 to such bureau the correct name and address of the lessee of the vehicle
55 identified in the notice of liability at the time of such violation,
56 together with such other additional information contained in the rental,

1 lease or other contract document, as may be reasonably required by such
2 bureau pursuant to regulations that may be promulgated for such purpose.

3 2. Failure to comply with subparagraph (ii) of paragraph one of this
4 subdivision shall render the lessor liable for the penalty prescribed in
5 this section.

6 3. Where the lessor complies with the provisions of paragraph one of
7 this subdivision, the lessee of such vehicle on the date of such
8 violation shall be deemed to be the owner of such vehicle for purposes
9 of this section, shall be subject to liability for such violation pursu-
10 ant to this section, and shall be sent a notice of liability pursuant to
11 subdivision (g) of this section.

12 (j) 1. If the owner liable for a violation of a street cleaning park-
13 ing rule pursuant to this section was not the operator of the vehicle
14 at the time of such violation, the owner may maintain an action for
15 indemnification against the operator.

16 2. Notwithstanding any other provision of this section, no owner of a
17 vehicle shall be subject to a monetary fine imposed pursuant to this
18 section if the operator of such vehicle was operating such vehicle with-
19 out the consent of the owner at the time such operator failed to obey a
20 street cleaning parking rule. For purposes of this subdivision there
21 shall be a presumption that the operator of such vehicle was operating
22 such vehicle with the consent of the owner at the time such operator
23 failed to obey a street cleaning parking rule.

24 (k) Nothing in this section shall be construed to limit the liability
25 of an operator of a vehicle for any violation of a street cleaning park-
26 ing rule.

27 (l) If the city of New York adopts a demonstration program pursuant to
28 subdivision (a) of this section, such city's department of sanitation
29 shall submit a report on the results of the use of street cleaning park-
30 ing rule-related photo devices to the governor, the temporary president
31 of the senate, and the speaker of the assembly by April first, two thou-
32 sand twenty-nine and every two years thereafter. The department of
33 sanitation of the city of New York shall also make such reports avail-
34 able on their public-facing websites, provided that they may provide
35 aggregate data from paragraph one of this subdivision if the city finds
36 that publishing specific location data would jeopardize public safety.
37 Such report shall include, but not be limited to:

38 1. a description of the locations and/or vehicles where street clean-
39 ing vehicle photo devices were used;

40 2. the total number of violations recorded on a monthly and annual
41 basis;

42 3. the total number of notices of liability issued;

43 4. the number of fines and total amount of fines paid after the first
44 notice of liability;

48 7. the quality of the adjudication process and its results;

49 8. the total number of cameras;

50 9. the total cost to such city; and

51 10. an assessment by the New York city department of sanitation of
52 the efficacy of the program in enabling such department to clean the
53 city's streets.

54 (m) It shall be a defense to any prosecution for a violation of a
55 street cleaning parking rule pursuant to a demonstration program adopted

1 pursuant to this section that such street cleaning vehicle photo devices
2 were malfunctioning at the time of the alleged violation.

3 § 2. Subdivision 1 of section 235 of the vehicle and traffic law, as
4 amended by section 1 of part N of chapter 58 of the laws of 2025, is
