Introduced by M. of A. RAJKUMAR -- read once and referred to the Committee on Labor

AN ACT to amend the administrative code of the city of New York, in relation to prevailing wage for certain city service contracts

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "Close the Gap Act."
3 § 2. Paragraphs 18, 19, 20 and 21 of subdivision a and subdivision b
4 of section 6-109 of the administrative code of the city of New York, as
5 added by local law number 38 of the city of New York for the year 2002,
6 are amended to read as follows:
7 (18) "Prevailing Wage and Supplements" means the rate of wage and
8 supplemental benefits per hour paid in the locality to workers in the
9 same trade or occupation and annually determined by the comptroller in
10 accordance with the provisions of section 234 of the New York state
11 labor law or, for titles not specifically enumerated in or covered by
12 that law, determined by the comptroller at the request of a contracting
13 agency or a covered employer in accordance with the procedures of
14 section 234 of the New York state labor law; provided, however, that for
15 any trade or occupation in which 75 per centum or more employees are a
16 member of the same protected class and such rate of wage and supple-
17 mental benefits would be less than the lowest rate of a covered building
18 services employee, the prevailing wage and supplements may be greater
19 than that paid in the locality to workers in the same trade or occupa-
20 tion. As provided under section 231 of the New York state labor law,
21 the obligation of an employer to pay prevailing supplements may be
22 discharged by furnishing any equivalent combinations of fringe benefits
23 or by making equivalent or differential payments in cash under rules and
24 regulations established by the comptroller.
