Introduced by M. of A. SOLAGES -- read once and referred to the Committee on Ways and Means

AN ACT to amend the tax law, in relation to enacting the "frontline worker assistance act"; and providing for the repeal of such provisions upon expiration thereof

4 adverse health effects as the result of employer mandates to require  
5 specific work titles of government employees to remain on-duty and physically present at their work locations during the deadly COVID-19  
6 pandemic. The public employees mandated to continue conducting crucial  
7 services to the public during the most deadly period of the COVID-19  
8 pandemic displayed exemplary service, while often at a health detriment  
9 to the employee and their family.

10 In recognition of public employees who were mandated by their employer  
11 to physically be on their job site or job location in order to provide  
12 unabated and crucial public services regardless of multiple safety lockdowns afforded to most other New York residents, a tax credit shall  
13 apply to such public employees performing their duties while remaining  
14 at their worksite or job location during the pandemic and have not  
15 received additional compensation pursuant to a federal, state or local  
16 award, grant or retention payment.

17 § 3. Section 606 of the tax law is amended by adding a new subsection  
18 (bbb) to read as follows:

20 taxpayer that is employed by a state, county, municipality, town, local  
21 government, or authority, and was mandated by their employer to be physically present at their job site or job location during the COVID-19  
22 pandemic.
