AN ACT to amend the social services law and the public health law, in relation to requiring all employees of a child day care to be trained in administering an opioid antagonist

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 390-a of the social services law is amended by adding a new subdivision 6 to read as follows:

6. a. Every employee of a family day care home, group family day care home, school-age child care program and child day care center shall receive training in the administration of an opioid antagonist pursuant to a program approved under section thirty-three hundred nine of the public health law.

b. Every child day care center, family day care home, group family day care home and school-age child care program shall stock at least one opioid antagonist as defined in section thirty-three hundred nine of the public health law.

§ 2. Subparagraph (v) of paragraph (a) of subdivision 3 of section 3309 of the public health law, as added by chapter 148 of the laws of 2020, is amended to read as follows:

(v) As used in this section, "entity" includes, but is not limited to, a school district, public library, board of cooperative educational services, county vocational education and extension board, charter school, non-public elementary or secondary school, child day care center, family day care home, group family day care home, school-age child care program, restaurant, bar, retail store, shopping mall, barber shop, beauty parlor, theater, sporting or event center, inn, hotel or motel.

§ 3. This act shall take effect on the one hundred eightieth day after it shall have become a law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
