FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would increase the cost-of-living adjustment (COLA) for New York public retirement systems. Starting with September 2026, additional payments would be made for retirements after 1960 and prior to 1973.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), this bill would increase the present value of benefits by approximately \$190,000.

To fund these costs, the state of New York will be required to pay \$211,000 (including interest) as of March 1, 2027.

Insofar as this bill affects the New York State and Local Police and Fire Retirement System (NYSLPFRS), the present value of benefits would increase approximately \$110,000.

	Increase in present value of benefits	Increase in required contributions
NYSLPFRS		
Pensioners	\$ 113,000	\$ 0
Actives Tiers 1-5 (Closed)	\$ 0	\$ 38,400
Actives Tier 6 (Open)	\$ 0	\$ 74,600
Total	\$ 113,000	\$ 113,000

Benefit improvements will be funded by increasing the billing rates charged annually. The annual contribution required of all participating employers in NYSLPFRS would be approximately \$1,800 to the state of New York and \$7,600 to the local participating employers.

This permanent annual cost will vary in future billing cycles with changes in the billing rate and salary of the affected members.

These estimated costs are based on 26 affected retirees and beneficiaries in NYSLERS and 20 in NYSLPFRS as of March 31, 2025.
