15 (b) an evaluation of the ability of the artificial intelligence to  
16 achieve its stated objectives;

17 (c) a description and evaluation of the objectives and development of  
18 the artificial intelligence including:

19 (i) a summary of the underlying algorithms, computational modes, and  
20 tools that are used within the artificial intelligence; and

1 (d) the extent to which the deployment and use of the artificial  
2 intelligence requires input of sensitive and personal data, how that  
3 data is used and stored, and any control users may have over their data;

4 (e) an estimate of the number of employees already displaced due to  
5 artificial intelligence; and

6 (f) an estimate of the number of employees expected to be displaced or  
7 otherwise affected due to the increased use of artificial intelligence  
8 in the workplace.

9 2. Any impact assessment conducted pursuant to this subdivision shall  
10 be submitted to the department at least thirty days prior to the imple-

12 assessment.

13 3. For the purposes of this section:

14 (a) "Employer" means a business that: (i) is resident in the state,  
15 (ii) is not a small business, and (iii) employs more than one hundred  
16 people.

17 (b) "Small business" means a business that: (i) is resident in the  
18 state, (ii) is independently owned and operated, (iii) is not dominant

20 § 3. The tax law is amended by adding a new section 186-h to read as  
21 follows:

22 § 186-h. Artificial intelligence surcharge. 1. Imposition of worker  
23 displacement surcharge. (a) A surcharge on corporations that terminate  
24 the employment or substantially reduce the hours of fifteen or more  
25 employees due to any system or process that uses algorithms, computa-  
26 tional models, artificial intelligence techniques, robotic hardware, or  
27 a combination thereof, to automate, support, or replace human labor is  
28 imposed at the rate of two percent of the corporation's business income  
29 base.

30 (b) The surcharge shall be reported and paid to the commissioner no  
31 less frequently than on an annual basis. The payments shall be accompa-  
32 nied by a return in the form and containing the information the commis-  
33 sioner may prescribe.

34 (c) The commissioner, in consultation with the department of labor,  
35 may waive the surcharge set forth by paragraph (a) of this subdivision  
36 for an eligible corporation. The commissioner, in consultation with the  
37 department of labor, shall establish a process whereby eligible corpo-  
38 rations may apply to have the surcharge waived. For the purposes of this  
39 section, an eligible corporation shall be:

40 (i) A business that is found by the department of labor to be experi-  
41 encing or anticipating a labor shortage;

42 (ii) A business that demonstrates that it requires the use of algo-  
43 rithms, computational models, artificial intelligence techniques, robot-  
44 ic hardware, or a combination thereof, to protect or improve the  
45 production of agricultural commodities within the state; or

46 (iii) A small business, as defined by section one hundred thirty-one  
47 of the economic development law, that demonstrates that it requires the  
48 use of algorithms, computational models, artificial intelligence tech-  
49 niques, robotic hardware, or a combination thereof, to remain econom-  
50 ically viable.

51 (d) The department of labor shall annually report to the legislature  
52 on the number of waivers that it has granted pursuant to paragraph (c)  
53 of this subdivision, in the preceding year and the justification for why  
54 each waiver was granted. Such report shall be sent to the temporary  
55 president of the senate, the minority leader of the senate, the speaker

1 of the assembly, and the minority leader of the assembly and shall be  
2 made available to the public on the website of the department.

3 2. Imposition of data mining surcharge. (a) A surcharge on corpo-  
4 rations that use artificial intelligence for data mining is imposed at  
5 the rate of two percent of the corporation's business income base. For  
6 the purposes of this subdivision, the term "data mining" shall mean a  
7 process involving pattern-based queries, searches, or other analyses of  
8 one or more electronic databases.

9 (b) The surcharge shall be reported and paid to the commissioner no  
10 less frequently than on an annual basis. Surcharge payments shall be  
11 accompanied by a return in the form and containing the information the  
12 commissioner may prescribe.

13 3. Applicable provisions. (a) Except as otherwise provided in this  
14 section, the surcharges imposed under this section shall be administered  
15 and collected by the commissioner in a like manner as the taxes imposed  
16 by article twenty-eight of this chapter. All the provisions of article  
17 twenty-eight of this chapter, including the provisions relating to defi-  
18 nitions, exemptions, returns, personal liability for the tax, collection  
19 of tax from the customer, payment of tax, and the administration of the  
20 taxes imposed by such article, shall apply to the surcharges imposed  
21 under the authority of this section so far as those provisions can be  
22 made applicable to the surcharges imposed by this section, with such  
23 modifications as may be necessary in order to adapt the language of  
24 those provisions to the surcharges imposed by this section. Those  
25 provisions shall apply with the same force and effect as if the language  
26 of those provisions had been set forth in full in this section, except  
27 to the extent that any of those provisions is either inconsistent with a  
28 provision of this section or is not relevant to the surcharge imposed by  
29 this section. For purposes of this section, any reference in this chap-  
30 ter to a tax or the taxes imposed by article twenty-eight of this chap-  
31 ter shall be deemed also to refer to the surcharges imposed by this  
32 section unless a different meaning is clearly required.

33 (b) Notwithstanding the provisions of paragraph (a) of this subdivi-  
34 sion:

35 (1) the exemptions provided for in section eleven hundred sixteen of  
36 this chapter, other than the exemptions in paragraphs one, two and three  
37 of subdivision (a) of such section, shall not apply to the surcharges  
38 imposed by this section.

39 (2) the credit provided in subdivision (f) of section eleven hundred  
40 thirty-seven of this chapter shall not apply to this section.

41 4. Deposits of surcharge monies collected and received. Notwithstand-  
42 ing any provision of law to the contrary, all surcharge monies collected  
43 and received by the commissioner under this section shall be deposited  
44 daily to the credit of the comptroller with those responsible banks,  
45 banking houses or trust companies the comptroller may designate. Those  
46 deposits shall be kept separate and apart from all other monies in the  
47 possession of the comptroller. The comptroller shall require adequate  
48 security from all such depositories. All surcharge monies collected and  
49 received under this section shall be paid to the department of labor to  
50 be used, in a manner prescribed by the commissioner of the department of  
51 labor, for worker retraining programs administered by the department,  
52 workforce development programs administered by the department or to be  
53 paid to the unemployment insurance fund.

54 § 4. This act shall take effect immediately; provided, however, that  
55 section three of this act shall take effect January 1, 2026.
