The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and cited as the "Cannabis Community
2 Reinvestment Act".

3 § 2. Section 3 of the cannabis law is amended by adding a new subdivision
4 37-a to read as follows:

5 37-a. "Operator" means a licensee that acts as a cannabis producer for
6 the cultivation of cannabis, a cannabis processor, a cannabis distribu-
7 tor and/or a cannabis retailer, provided that such business has operated
8 for at least two years.

9 § 3. The cannabis law is amended by adding a new section 62-a to read
10 as follows:

11 § 62-a. Applications by operators. Any application submitted by an
12 operator shall include a plan to reinvest in communities disproportionately
13 impacted by cannabis prohibition including, if applicable, the
14 community such operator is located in. The operator shall contribute at
15 least two percent of their annual profits to communities disproportionately
16 impacted pursuant to paragraph (g) of subdivision five of section
17 eighty-seven of this article. The board shall determine the necessary
18 criteria for such plan and shall establish a scoring system to determine

21 to read as follows:

1 of the cannabis law, in consultation with the board. If the department
2 determines that an operator is failing to properly serve disadvantaged
3 communities, specifically the community they are serving, if applicable,
4 or does not possess and/or properly execute a social impact program
5 within their business model, such operator shall be notified and their
6 license shall be marked for further review. The department shall deter-
7 mine what necessary steps such operator shall take to fulfill the obli-
8 gations under this section and provide such information to the operator
9 within thirty days of marking such operator for further review. Such
10 operator will then have sixty days to take such steps. Notwithstanding
11 any provision of law to the contrary, if the department determines that
12 such steps or substantially similar steps, as determined by the board,
13 were not taken, the department may revoke such operator's license or
14 licenses. The department shall establish an appeals process for opera-
15 tors that have had their licenses revoked. If such revocation occurs,
16 such license or licenses shall be auctioned off to another individual or
17 business that qualifies under section eighty-seven of the cannabis law.

18 § 5. This act shall take effect on the sixtieth day after it shall
19 have become a law. Effective immediately, the addition, amendment and/or
20 repeal of any rule or regulation necessary for the implementation of
21 this act on its effective date are authorized to be made and completed
22 on or before such effective date.
