1 4. Designations made pursuant to subdivisions one through three of
2 this section shall be made by weighted vote of all county committee
3 members qualified to vote for each such designation. The vote of county
4 committee members shall be held not earlier than twenty-one days before
5 the first day to sign designating petitions and not later than the first
6 day to sign designating petitions for the primary election. Within four
7 days after such votes are taken, the county committee shall file with
8 the county board of elections the names of the persons who have been
9 designated and the offices or delegate positions for which they have
10 been designated. Upon the vote for each such designation, each county
11 committee member shall be entitled to cast a number of votes which shall
12 be in accordance with the ratio which the number of votes for the party
13 candidate for governor on the line or column of the party at the last
14 preceding general election in the unit of representation such member
15 represents bears to the total vote cast on such line or column at such
16 election for such candidate for governor in the entire district associ-
17 ated with the office or delegate position for which the designation is
18 being made. The apportionment of such votes as so prescribed shall be
19 determined by the rules of the party. The person receiving the majority
20 of the weighted vote shall be the party's designated candidate for nomi-
21 nation at the primary election, or, if such designation is for a judi-
22 cial delegate or alternate judicial delegate, for election at the prima-
23 ry election, and all other persons who shall have received twenty-five
24 percent or more of the weighted vote cast on any ballot shall have the
25 right to make written demand, duly acknowledged, to the county board of
26 elections that their names appear on the primary ballot as candidates
27 for such nomination or delegate position. Such demand shall be made not
28 later than seven days after the vote of the county committee members and
29 may be withdrawn in the same manner within fourteen days of such vote.

30 5. Party designation of a candidate for nomination at a primary
31 election for any office whose electoral district encompasses portions of
32 more than one county shall be made by the county committee members
33 representing the district associated with such office, if the party
34 rules of each county containing a portion of the district so provide,
35 except where any such county is located within a city with a population
36 of one million or more.

37 6.(a) Designations made pursuant to subdivision five of this section
38 shall be made by weighted vote of all county committee members qualified
39 to vote for each such designation.

40 (b) The county committee of each county included within an electoral
41 district or districts for which such a designation is being made shall
42 convene a meeting for the purpose of ascertaining and certifying the
43 votes of its members who are qualified to vote for any such designation.
44 Each such meeting shall be held not earlier than twenty-one days before
45 the first day to sign designating petitions and not later than seven
46 days before the first day to sign designating petitions for the primary
47 election. During each such meeting, for each elected office for which
48 members of the county committee are eligible to participate in the
49 candidate designation process, a vote shall be held wherein each county
50 committee member eligible to vote for such designation shall be entitled
51 to cast a single ballot specifying the name of one person whom the
52 member wishes to designate as a candidate for such nomination.

53 (c) Within four days after such meeting is held, the county committee
54 shall file with the state board of elections a document, certified by
55 the chairperson and the secretary of the county committee, identifying,
56 for each elected office for which members of the county committee cast

1 designating ballots, the name of each county committee member who cast a
2 ballot during the vote, the unit of representation each such member
3 represents, and the name of the person whom each such member voted to
4 designate.

5 (d) For each elected office for which the state board of elections
6 receives certified results of designating votes from the county commit-
7 tees of the counties included within the electoral district associated
8 with such office, the state board of elections shall determine, within
9 seven days of receiving such results, the weighted vote of all county
10 committee members who voted for such designation. The weighted vote of
11 each such committee member shall be equivalent to the ratio which the
12 number of votes for the party candidate for governor on the line or
13 column of the party at the last preceding general election in the unit
14 of representation such member represents bears to the total vote cast on
15 such line or column at such election for such candidate for governor in
16 the entire district associated with the office for which the designation
17 is being made.

18 (e) If any person received a majority of the weighted vote, that
19 person shall be the party's designated candidate for nomination at the
20 primary election, and all other persons who shall have received twenty-
21 five percent or more of the weighted vote shall have the right to make
22 written demand, duly acknowledged, to the state board of elections that
23 their names appear on the primary ballot as candidates for such nomi-
24 nation. Such demand shall be made not later than seven days after the
25 first day to sign designating petitions for the primary election and may
26 be withdrawn in the same manner within fourteen days of the first day to
27 sign designating petitions for the primary election.

28 7. No person may, in a given year, be chosen as a party's designated
29 candidate for nomination at a primary election or make written demand to
30 any board of elections that their name appear on the primary ballot as a
31 candidate for party nomination for more than one office pursuant to the
32 provisions of this section.

33 8. Notwithstanding the provisions of this section, enrolled members of
34 the party may make designations by petition for a member of the same
35 party pursuant to section 6-136 of this article.

36 9. Notwithstanding the provisions of this section, party nominations
37 for village and town elections may be made by caucus pursuant to title
38 two of this article and section 6-108 of this article, respectively. For
39 elections wherein nominees are chosen by caucus, the provisions of this
40 section shall not be applicable.

41 § 2. This act shall take effect on the first of January next succeed-
42 ing the date on which it shall have become a law.
