6 It shall be an affirmative defense to liability under this subdivision
7 that harassing conduct does not rise above the level of what a reason-
8 able victim of discrimination with the same protected characteristic or
9 characteristics would consider petty slights or trivial inconveniences.

10 (c) An educational institution shall be deemed to have permitted
11 harassment under paragraph (a) of this subdivision if such educational

14 (d) A college or university shall also be deemed to have permitted
15 harassment under paragraph (a) of this subdivision if such college or

25 (4) provide for penalties sufficient to reasonably deter violations of
26 rules established in accordance with subparagraph one of this paragraph;

28 the rules, mechanisms, procedures, and penalties established in accord-
29 ance with subparagraphs one, two, three and four of this paragraph;

30 (6) consistently and effectively administer the rules, mechanisms,
31 procedures, and penalties established in accordance with subparagraphs
32 one, two, three and four of this paragraph; or

33 (7) take reasonable measures to prevent the presence on such college's
34 or university's campus or at college or university facilities and events
