50 exploitation or abandonment, or who is in need of protective services,
51 or any attorney, accountant, trustee, guardian, conservator or other
52 person who has responsibility for preparing the tax records of an elder-

15 dollars.

16 2. Such report shall contain the name and address of the involved
17 elderly person, information regarding the nature and extent of the

19 which the reporter believes might be helpful in an investigation of the
20 case and the protection of such elderly person.

21 3. Any other person having reasonable cause to believe that an elderly
22 person is being, or has been abused, neglected, exploited or abandoned
23 or who is in need of protective services may report such information in
24 any reasonable manner to the commissioner of the office of children and
25 family services or such commissioner's designee.

26 4. Any person who makes any report pursuant to this title, or who
27 testifies in any administrative or judicial proceeding arising from such
28 report shall be immune from any civil or criminal liability on account
29 of such report or testimony, except for liability for perjury, unless
30 such person was grossly negligent or acted in bad faith or with mali-
31 cious purpose.

32 5. Any physician, surgeon, or psychotherapist shall not be required to
33 file a report pursuant to this section if all the following conditions
34 are met:

36 elder or dependent adult that such elder or dependent adult has experi-
37 enced behavior constituting physical abuse, abandonment, isolation,
38 financial abuse, or neglect;

39 (b) such physician, surgeon, or psychotherapist is not aware of any
40 independent evidence that corroborates the statement that abuse has
41 occurred;

42 (c) the elder or dependent adult has been diagnosed with a mental
43 illness or dementia, or is the subject of a court ordered conservator-
44 ship because of mental illness or dementia; and

45 (d) in the exercise of clinical judgment, such physician, surgeon, or
46 psychotherapist reasonably believes that such abuse did not occur.

47 6. In a long-term care facility, a person who otherwise would have
48 been required to report abuse pursuant to this section, shall not be
49 required to file a report if the following conditions are met:

51 (b) such person is aware that the plan of care was properly provided
52 or executed;

53 (c) a physical, mental, or medical injury occurred as a result of care
54 provided pursuant to paragraph (a) or (b) of this subdivision; and

55 (d) such person reasonably believes that the injury was not the result
56 of abuse.

1 7.(a) Any individual specified in subdivision one of this section who
2 has knowledge of, or reasonably suspects that, types of elder or depend-
3 ent adult abuse for which reports are not mandated have been inflicted
4 upon an elder or dependent adult or that such elder or dependent adult's
5 emotional well-being is endangered in any other way, may report the
6 known or suspected instance of abuse.

7 (b) If the suspected or alleged abuse occurred in a long-term care
8 facility other than a state mental health hospital or a state develop-

10 of children and family services.

11 (c) If the suspected or alleged abuse occurred in a state mental
12 health hospital or a state developmental center, the report may be made
13 to the office of mental health or the office for people with develop-
14 mental disabilities.

15 (d) If the suspected or alleged abuse occurred in a place other than a
16 place described in paragraph (b) or (c) of this subdivision, the report
17 may be made to the statewide central register.

18 8. If the conduct involves criminal activity not covered in subdivi-
19 sion five or six of this section, it may be immediately reported to the
20 appropriate law enforcement agency.

21 9. When two or more individuals specified in subdivision one of this
22 section are present and jointly have knowledge or reasonably suspect
23 that types of abuse of an elder or a dependent adult for which a report
24 is or is not mandated have occurred, and when there is agreement among
25 them, the telephone report may be made by a member of the team selected
26 by mutual agreement, and a single report may be made and signed by the
27 selected member of the reporting team. Any member who has knowledge that
28 the member designated to report has failed to do so shall thereafter
29 make the report.

30 10. A telephone report of a known or suspected instance of elder or
31 dependent adult abuse shall include the name of the person making the
32 report, the name and age of the elder or dependent adult, the present
33 location of the elder or dependent adult, the names and addresses of
34 family members or any other person responsible for the elder or depend-
35 ent adult's care, if known, the nature and extent of the elder or
36 dependent adult's condition, the date of the incident, and any other
37 information, including information that led that person to suspect elder
38 or dependent adult abuse, requested by the agency receiving the report.

39 § 313. Action on reports. 1. The commissioner of the office of chil-
40 dren and family services upon receiving a report that an elderly person
41 allegedly is being, or has been, abused, neglected, exploited or aban-
42 doned, or is in need of protective services shall cause a prompt and
43 thorough evaluation to be made, through the appropriate local or county
44 department of social services to determine the situation relative to the
45 condition of the elderly person and what action and services, if any,
46 are required. The evaluation shall include a visit to the named elderly
47 person and consultation with those individuals having knowledge of the
48 facts of the particular case.

49 2. Upon probable cause to believe that an individual covered by this
50 title is being abused, maltreated or neglected, a representative of the
51 local or county department of social services, accompanied by a law
52 enforcement officer, may enter a premises, after obtaining a court order
53 and announcing their authority and purpose.

54 3. Upon completion of the evaluation of each case, written findings
55 shall be prepared which shall include recommended action and a determi-
56 nation of whether protective services are needed.

1 4. Each local or county department of social services shall maintain a
2 registry of the reports received, the evaluation and findings and the
3 actions recommended, and shall furnish copies of such data to the office
4 of children and family services for a statewide register.

5 5. Neither the original report nor the evaluation report of the local
6 or county department of social services shall be deemed a public record.
7 The name of the person making the original report or any person
8 mentioned in such report shall not be disclosed unless the person making
9 the original report specifically requests such disclosure or unless a
10 judicial proceeding results therefrom.

11 § 314. Judicial review. 1. If it is determined that an elderly person
12 is in need of protective services, the local or county department of
13 social services shall furnish the necessary services, provided the
14 elderly person consents.

15 2. If an elderly person does not consent to the receipt of reasonable
16 and necessary protective services, or if such person withdraws the
17 consent, such services shall not be provided or continued, except that
18 if the commissioner of the office of children and family services has
19 reason to believe that such elderly person is at risk of serious harm
20 and lacks capacity to consent, such commissioner may proceed to petition
21 for an order for short-term involuntary protective services pursuant to
22 section four hundred seventy-three-a of this chapter.

23 3. If the caretaker of an elderly person who has consented to the
24 receipt of reasonable and necessary protective services refuses to allow
25 the provision of such services to such elderly person, the commissioner
26 of the office of children and family services may petition the supreme
27 court or the surrogate's court for an order enjoining the caretaker from
28 interfering with the provision of protective services to the elderly
29 person. The petition shall allege specific facts sufficient to show that
30 the elderly person is in need of protective services and consents to
31 their provision and that the caretaker refuses to allow the provision of
32 such services. If the judge finds that the elderly person is in need of
33 such services and has been prevented by the caretaker from receiving the
34 same, the judge may issue an order enjoining the caretaker from inter-
35 fering with the provision of protective services to the elderly person.

36 § 315. Authority of office of children and family services. 1. Every
37 person, department, agency or commission authorized to carry out the
38 duties enumerated in this title shall have access to all relevant
39 records, except that records which are confidential to an elderly person
40 shall only be disclosed with the written consent of the elderly person
41 or such elderly person's representative. The authority of the office of
42 children and family services under this title shall include, but not be
43 limited to, the right to initiate or otherwise take those actions neces-
44 sary to assure the health, safety and welfare of any elderly person,
45 subject to any specific requirement for individual consent, and the
46 right to authorize the transfer of an elderly person from an adult care
47 facility, intermediate or residential health care facility, nursing
48 home, or hospital.

49 2. The office of children and family services, within ten calendar
50 days of the referral of any cases for the provision of protective
51 services, shall furnish the local or county department of social
52 services a written report outlining the intended plan of services. The
53 local or county department of social services shall have the right to
54 comment on the proposed plan.

55 § 316. Assistance of other agencies. In performing the duties set
56 forth in this title, the local or county department of social services

1 may request the assistance of the staffs and resources of all appropri-
2 ate state departments, agencies and commissions and local health direc-
3 tors.

4 § 317. Review. Subsequent to the authorization for the provision of
5 reasonable and necessary protective services, the office of children and
6 family services shall initiate a review of each case within forty-five
7 days, to determine whether continuation of, or modification in, the
8 services provided is warranted. A decision to continue the provision of
9 such services should be made in concert with appropriate personnel from
10 other involved state and local groups, agencies and departments, and
11 shall comply with the consent provisions of this title. Reevaluations of
12 each such case shall be made every ninety days thereafter. The office of
13 children and family services shall advise the appropriate local or coun-
14 ty department of social services of the decisions relative to continua-
15 tion of protective services for each such elderly person.

16 § 318. Costs for providing protective services. Prior to implementa-
17 tion of any protective services, an evaluation shall be undertaken by
18 the office of children and family services pursuant to regulations which
19 shall be adopted by the commissioner of the office of children and fami-
20 ly services regarding the elderly person's financial capability for
21 paying for the protective services. If the person is so able, procedures
22 for the reimbursement for the costs of providing the needed protective
23 services should be initiated. If it is determined that the person is not
24 financially capable of paying for such needed services, the services
25 shall be provided in accordance with policies and procedures established
26 by the commissioner of the office of children and family services for
27 the provision of social services benefits under such circumstances.

28 § 319. Abuse of duties of caretaker. If as a result of any investi-
29 gation initiated under the provisions of this title, a determination is
30 made that a caretaker or other person has abused, neglected, exploited
31 or abandoned an elderly person, such information shall be referred in
32 writing to the attorney general or such attorney general's designee, and
33 the district attorney in the county in which the abuse, neglect, exploi-
34 tation or abandonment is believed to have occurred which shall conduct
35 such further investigation, if any is deemed necessary and shall deter-
36 mine whether criminal proceedings should be initiated against such care-
37 taker or other person, in accordance with applicable state law.

38 § 320. Statewide central register of elderly abuse. 1. There shall be
39 established in the office of children and family services a statewide
40 central register of elderly abuse reports made pursuant to this title.

41 2. The central register shall be capable of receiving oral and elec-
42 tronic reports of elderly abuse, neglect, exploitation or abandonment
43 and of immediately identifying prior reports of elderly abuse, neglect,
44 exploitation or abandonment and capable of monitoring the provision of
45 elderly protective services twenty-four hours a day, seven days a week.
46 To effectuate this purpose, but subject to the provisions of the appro-
47 priate local plan for the provision of elderly protective services,
48 there shall be a single statewide telephone number that all persons,
49 whether mandated by law or not, may use to report cases of suspected
50 elderly abuse, neglect, exploitation or abandonment and that all persons
51 so authorized by this title may use for determining the existence of
52 prior reports in order to evaluate the condition or circumstances of the
53 elderly person before them. Such oral reports shall be immediately
54 transmitted orally or electronically by the office of children and fami-
55 ly services to the appropriate local elderly protective service. If the
56 records indicate a previous report concerning a subject of the report,

1 other persons named in the report or other pertinent information, the
2 appropriate local elderly protective service shall be immediately noti-
3 fied of the fact.

4 3. The central register shall include but not be limited to the
5 following information: all the information in the written report; a
6 record of the final disposition of the report, including services
7 offered and services accepted; the plan for rehabilitative treatment;
8 the names and identifying data, dates and circumstances of any person
9 requesting or receiving information from the register; and any other
10 information which the commissioner of the office of children and family
11 services believes might be helpful in the furtherance of the purposes of
12 this chapter.

13 4. Reports made pursuant to this title as well as any other informa-
14 tion obtained, reports written or photographs taken concerning such
15 reports in the possession of the office of children and family services
16 or local departments shall be confidential and shall only be made avail-
17 able to (a) a physician who has before them an elderly person whom such
18 physician reasonably suspects may be abused, neglected, exploited or
19 abandoned; (b) a person authorized to place an elderly person in protec-
20 tive custody when such person has before them an elderly person whom
21 such person so authorized reasonably suspects may be abused, neglected,
22 exploited or abandoned and such person requires the information in the
23 record to determine whether to place the elderly person in protective
24 custody; (c) a duly authorized agency having the responsibility for the
25 care or supervision of an elderly person who is reported to the central
26 register of elderly abuse; (d) any person who is the subject of the
27 report or other persons named in the report; (e) a court, upon a finding
28 that the information in the record is necessary for the determination of
29 an issue before the court; (f) a grand jury, upon a finding that the
30 information in the record is necessary for the determination of charges
31 before the grand jury; (g) any appropriate state legislative committee
32 responsible for elderly protective legislation and any temporary state
33 commission having the powers of a legislative committee and having the
34 power to review such legislation and make recommendations thereon to the
35 governor and legislature; (h) any person engaged in a bona fide research
36 purpose, provided, however, that no information identifying the subjects
37 of the report or other persons named in the report shall be made avail-
38 able to the researcher unless it is absolutely essential to the research
39 purpose and the office of children and family services gives prior
40 approval; (i) authorized agencies and the office for the aging. Howev-
41 er, no information may be released unless the person or official's iden-
42 tity is confirmed by the department and the released information states
43 whether the report is "indicated" or "under investigation," whichever
44 the case may be. A person given access to the names or other information
45 identifying the subjects of the report or other persons named in the
46 report, except the subject of the report or other persons named in the
47 report, shall not divulge or make public such identifying information
48 unless such person is a district attorney or other law enforcement offi-
49 cial and the purpose is to initiate court action.

50 5. Unless an investigation of a report conducted pursuant to this
51 title determines that there is some credible evidence of the alleged
52 abuse, neglect, exploitation or abandonment, all information identifying
53 the subjects of the report and other persons named in the report shall
54 be expunged from the central register and from the records of all local
55 elderly protective services forthwith.

1 6. In all other cases, the record of the report to the central regis-
2 ter shall be expunged no later than ten years after the death of the
3 elderly person. In any case and at any time, the commissioner of the
4 office of children and family services may amend or expunge any record
5 upon good cause shown and notice to the subjects of the report and other
6 persons named in the report.

7 7. At any time, a subject of a report and other persons named in the
8 report may receive, upon request, a copy of all information contained in
9 the central register; provided, however, that the commissioner of the
10 office of children and family services is authorized to prohibit the
11 release of data that would identify the person who made the report or
12 who cooperated in a subsequent investigation, which such commissioner
13 reasonably finds will be detrimental to the safety or interests of such
14 person.

15 8. At any time subsequent to the completion of the investigation but
16 in no event later than ninety days after the subject of the report is
17 notified that the report is indicated the subject may request the
18 commissioner of the office of children and family services to amend or
19 expunge the record of the report. If the commissioner of the office of
20 children and family services does not amend or expunge the report within
21 ninety days of receiving such request, the subject shall have the right
22 to a fair hearing to determine whether the record of the report in the
23 central register should be amended or expunged on the grounds that it is
24 inaccurate or it is being maintained in a manner inconsistent with this
25 title. The appropriate local elderly protective service shall be given
26 notice of the fair hearing. The burden of proof in such hearing shall be
27 on the office of children and family services and appropriate local
28 elderly protective service. In such hearings, the fact that there was a
29 court finding of abuse, neglect, exploitation or abandonment shall be
30 presumptive evidence that the report was substantiated. The commissioner
31 of the office of children and family services or such commissioner's
32 designated agent is hereby authorized and empowered to make any appro-
33 priate order respecting the amendment or expungement of the record to
34 make it accurate or consistent with the requirements of this title.

35 9. Written notice of any expungement or amendment of any record, made
36 pursuant to the provisions of this title, shall be served upon each
37 subject of such record, other persons named in the report and the appro-
38 priate local elderly protective service. The latter, upon receipt of
39 such notice, shall take the appropriate similar action in regard to the
40 local elderly abuse register and inform, for the same purpose, any other
41 agency which received such record pursuant to this title.

42 10. Any person who willfully permits and any person who encourages the
43 release of any data and information contained in the central register to
44 persons or agencies not permitted by this title shall be guilty of a
45 class A misdemeanor.

46 § 2. The sum of six hundred thousand dollars (\$600,000), or so much
47 thereof as may be necessary, is hereby appropriated to the office of
48 children and family services out of any moneys in the state treasury in
49 the general fund to the credit of the state purposes account not other-
50 wise appropriated, for its expenses, including personal service, mainte-
51 nance and operation in carrying out the provisions of this act. Such
52 moneys shall be payable on the audit and warrant of the comptroller on
53 vouchers certified or approved by the commissioner of the office of
54 children and family services or such commissioner's designee, in the
55 manner prescribed by law.

1 § 3. This act shall take effect on the one hundred twentieth day after
2 it shall have become a law. Effective immediately, the addition, amend-
3 ment and/or repeal of any rule or regulation necessary for the implemen-
4 tation of this act on its effective date are authorized to be made and
5 completed on or before such effective date.
