2 hundred thousand dollars.

3 (b) Credit recapture. (i) If there is a cessation of operation or  
4 change in ownership [~~as defined by section 45F of the internal revenue~~  
5 ~~code~~] relating to a qualified child care facility with a situs in the  
6 state, the taxpayer shall add back the applicable recapture percentage  
7 of the credit allowed under this section, in accordance with the recap-  
8 ture provisions of [~~section 45F of the internal revenue code, but the~~  
9 ~~recapture amount shall be limited to the credit allowed under this~~  
10 ~~section~~] this subdivision.

11 (ii) If, as of the close of any taxable year, there is a recapture  
12 event with respect to any qualified child care facility of the taxpayer,  
13 then the tax of the taxpayer under this chapter for such taxable year  
14 shall be increased by an amount equal to the product of:

15 (A) the applicable recapture percentage; and

16 (B) the aggregate decrease in the credits allowed under section 38 of  
17 the internal revenue code for all prior taxable years which would have  
18 resulted if the qualified child care expenditures of the taxpayer with  
19 respect to such facility had been zero.

20 (iii) (A) For the purposes of this subdivision, the applicable recap-  
21 ture percentage shall be determined from the following table:

<u>event occurs in:</u>	<u>percentage is:</u>

36 (iv) (A) The tax for the taxable year shall be increased under para-  
37 graph (ii) of this subdivision only with respect to credits allowed by  
38 reason of this section which were used to reduce tax liability.

39 (B) Any increase in tax under this subdivision shall not be treated as  
40 a tax imposed by this chapter for purposes of determining the amount of  
41 any credit under this chapter.

42 (C) The increase in tax under this subdivision shall not apply to a  
43 cessation of operation of the facility as a qualified child care facili-  
44 ty by reason of a casualty loss to the extent such loss is restored by  
45 reconstruction or replacement within a reasonable period established by  
46 the commissioner.

50 be treated as a single taxpayer.

51 (ii) Under regulations prescribed by the commissioner, rules similar  
52 to the rules of subsection (d) of section 52 of the internal revenue  
53 code shall apply.

1 (iii) In the case of partnerships, the credit shall be allocated among  
2 partners under regulations prescribed by the commissioner.

3 (d) No double benefit. (i) For purposes of this chapter:

4 (A) If a credit is determined under this section with respect to any  
5 property by reason of qualified child care expenditures, the basis of  
6 such property shall be reduced by the amount of the credit so deter-  
7 mined.

8 (B) If, during any taxable year, there is a recapture amount deter-  
9 mined with respect to any property the basis of which was reduced under  
10 subparagraph (A) of this paragraph, the basis of such property (imme-  
11 diately before the event resulting in such recapture) shall be increased  
12 by an amount equal to such recapture amount. For purposes of this  
13 subparagraph, the term "recapture amount" shall mean any increase in tax  
14 determined under subdivision (b) of this section.

15 (ii) No deduction or credit shall be allowed under any other provision  
16 of this chapter with respect to the amount of the credit determined  
17 under this section.

18 (e) Reporting requirements. A taxpayer that has claimed a credit under  
19 this section shall notify the commissioner of any cessation of opera-  
20 tion, change in ownership, or agreement to assume recapture liability  
21 [~~as such terms are defined by section 45F of the internal revenue code~~],  
22 in the form and manner prescribed by the commissioner.

24 ~~"qualified child care facility", "qualified child care resource and~~  
25 ~~referral expenditure", "cessation of operation", "change of ownership",~~  
26 ~~and "applicable recapture percentage" shall have the same meanings as in~~  
27 ~~section 45F of the internal revenue code.~~] For the purposes of this  
28 section, the following terms shall have the following meanings:

29 (i) (A) "Qualified child care expenditure" means any amount paid or  
30 incurred:

31 (1) to acquire, construct, rehabilitate, or expand property:

32 (I) which is to be used as part of a qualified child care facility of  
33 the taxpayer;

34 (II) with respect to which a deduction for depreciation (or amorti-  
35 zation in lieu of depreciation) is allowable; and

36 (III) which is not part of the principal residence of the taxpayer or  
37 any employee of the taxpayer;

38 (2) for the operating costs of a qualified child care facility of the  
39 taxpayer, including costs related to the training of employees, to scho-  
40 larship programs, and to the providing of increased compensation to  
41 employees with higher levels of child care training; or

42 (3) under a contract with a qualified child care facility to provide  
43 child care services to employees of the taxpayer.

45 expenses in excess of the fair market value of such care.

46 (ii) (A) "Qualified child care facility" means a facility:

47 (1) the principal use of which is to provide child care assistance;  
48 and

49 (2) which meets the requirements of all applicable laws and regu-

52 of this subparagraph shall not apply to a facility which is the princi-  
53 pal residence of the operator of the facility.

54 (B) A facility shall not be a "qualified child care facility" with  
55 respect to a taxpayer unless:

1 (1) enrollment in the facility is open to employees of the taxpayer  
2 during the taxable year;

3 (2) if the facility is the principal trade or business of the taxpay-  
4 er, at least thirty percent of the enrollees of such facility are depen-  
5 dents of employees of the taxpayer; and

6 (3) the use of such facility (or the eligibility to use such facility)

21 interest in a qualified child care facility with respect to which the  
22 credit described in subdivision (a) of this section was allowable. The  
23 term "change in ownership" shall not apply if the person acquiring such  
24 interest in the facility agrees in writing to assume the recapture  
25 liability of the person disposing of such interest in effect immediately  
26 before such disposition. In the event of such an assumption, the person  
27 acquiring the interest in the facility shall be treated as the taxpayer  
28 for purposes of assessing any recapture liability (computed as if there  
29 had been no change in ownership).

47 paid directly by the employee.

49 provided in the employee's home, or expenses for care arranged through a
