8104. Powers of the superintendent.

§ 8101. Purpose. The purpose of this article is to protect covered individuals against the failure or inability of a health insurer to perform its contractual obligations due to financial impairment or insolvency. To provide this protection, the legislature hereby creates a New York health insurance consumer protection security fund to serve as a guaranty fund mechanism capable of insuring that the financial obligations of health insurers to their enrollees and health care providers are satisfied.

19 an assessment based on the premiums received by a health insurer for
20 business in this state for the most recent calendar year for which
21 premium information is available, excluding premiums received for indi-
22 viduals under title XIX of the social security act. The superintendent
23 shall establish assessment levels sufficient to fully pay all unpaid
24 claims of an impaired health insurer, pursuant to subsections (b), (c)
25 and (d) of section eight thousand one hundred four of this article, and
26 to repay any transfers made pursuant to subdivision five of section
27 seventy-two of the state finance law.

28 (2) The superintendent may exempt, abate or defer, in whole or in
29 part, the assessment of a health insurer if the superintendent deter-

31 health insurer to fulfill its contractual obligations or place the
32 health insurer in an unsafe or unsound financial condition.

33 (3) In the event an assessment against a health insurer is exempted,
34 abated or deferred, in whole or in part, the amount by which that

41 insurer, the superintendent shall direct the commissioner to make
42 payments from the New York health insurance consumer protection security
43 fund to ensure that payments to health care providers, or indemnity
44 payments to covered individuals, are made in full for services provided
45 that would not otherwise be fully reimbursed despite the proceedings
46 implemented pursuant to article seventy-four of this chapter. Services
47 provided either prior to the implementation of a proceeding under arti-
48 cle seventy-four of this chapter or after implementation of such
49 proceeding shall be eligible for reimbursement, in part or in whole,
50 from the fund. Payment in full shall be determined by the terms of the
51 health insurance contract, any contract between a health care provider
52 and the impaired health insurer and any applicable state or federal laws
53 or regulations including but not limited to part H of chapter sixty of
54 the laws of two thousand fourteen and section two thousand nineteen-a of
55 the Public Health Services Act, as amended by the Patient Protection and

2 to ensure that payment in full is made to health care providers, or
3 indemnity payments to covered individuals, for services provided before
4 the implementation of proceedings pursuant to article seventy-four of
5 this chapter within thirty days of the implementation of such proceed-
6 ing.

7 (c) The superintendent shall direct the commissioner to ensure that
8 payment in full is made to health care providers, or indemnity payments
9 to covered individuals, for services provided after the implementation
10 of proceedings pursuant to article seventy-four of this chapter within
11 thirty days of receipt of a claim.

12 (d) If necessary, the superintendent shall direct the commissioner to
13 advance monies from the fund to comply with the provisions of
14 subsections (b) and (c) of this section.

15 (e) The superintendent shall notify the director of the budget of the
16 need for monies to be transferred pursuant to subdivision five of
17 section seventy-two of the state finance law to meet the requirements of
18 subsections (b), (c) and (d) of this section.

19 (f) The superintendent shall direct the commissioner to use the monies
20 of the fund to repay any transfers made pursuant to subdivision five of
21 section seventy-two of the state finance law, when such funds are paid
22 pursuant to subsection (b) of section eight thousand one hundred three
23 of this article.

24 (g) The superintendent shall ensure that the cost of assessments
25 established pursuant to subdivision (b) of section eight thousand one

27 insurer.

28 § 5. Section 72 of the state finance law is amended by adding a new
29 subdivision 5 to read as follows:

30 5. Notwithstanding any provision of law to the contrary, upon notifi-
31 cation from the superintendent of financial services of the need for
32 monies to meet the requirements of subsections (b), (c) and (d) of
