1 completion of twenty years of total creditable service in such titles,
2 and shall retire upon the attainment of the mandatory retirement age
3 prescribed by this section, by filing an application therefor in a

6 1. Upon completion of twenty years of such service and upon retire-
7 ment, each such member shall receive a pension which, together with an
8 annuity for such years of service as provided in paragraph four of this
9 subdivision, shall be sufficient to provide such member with a retire-
10 ment allowance of one-half of such member's final average salary.

11 2. Upon completion of more than twenty years of such service and upon
12 retirement, each such member shall receive, for each year of service in
13 excess of twenty, an additional pension which, together with an annuity
14 for each such year as provided in paragraph four of this subdivision,
15 shall be equal to one-sixtieth of such member's final average salary,
16 provided, however, that the pension payable pursuant to this section

44 itable service for each member described herein, full credit shall be
45 given and full allowance shall be made for service rendered as a police

54 been given and full allowance made pursuant to the provisions of section
55 three hundred seventy-five-h of this article provided, however, that
56 full credit pursuant to the provisions of such section shall mean only

13 peace officers.

14 d. Retirement for cause. Upon receipt of a certificate from the head
15 of the entity where such member is employed or such member's designee, a
16 member as described in subdivision a of this section, who has accrued
17 twenty-five or more years of service credit under this section shall be
18 retired on the first day of the second month next succeeding the date
19 such certificate was filed with the comptroller.

20 e. Credit for military service. In computing the years of total cred-
21 itable service full credit shall be given and full allowance shall be
22 made for service of such member in war after world war I as defined in
23 section three hundred two of this article, provided such member at the
24 time of such member's entrance into the armed forces was in police
25 service as defined in subdivision eleven of section three hundred two of
26 this article.

27 f. Transfer of membership to employees' retirement system. Any member
28 currently enrolled pursuant to this section and who previously trans-
29 ferred service credit from the New York state and local employees'
30 retirement system to the New York state and local police and fire
31 retirement system, may elect to transfer such previously transferred
32 service credit back to the New York state and local employees' retire-
33 ment system, and such member shall have the option to retroactively
34 transfer such member's membership into such employees' retirement
35 system.

36 g. The provisions of this section shall be controlling, notwithstand-
37 ing any provision of this article to the contrary.

38 § 383-f. Retirement of officers of state law enforcement; alternative
39 twenty-five year retirement plan. a. Membership. Every non-seasonally

51 one year of employment in an eligible title, whichever is later, may
52 elect to be covered by the provisions of this section by filing an
53 election therefor with the comptroller. Upon completion of twenty-five
54 years of such service and upon retirement, each such member shall
55 receive a pension which, together with an annuity, if any, which shall
56 be the actuarial equivalent of such member's accumulated contributions

1 at the time of their retirement and an additional pension which is the
2 actuarial equivalent of the reserve-for-increased-take-home-pay to which
3 such member may then be entitled, if any, shall be sufficient to provide
4 such member with a retirement allowance equal to 58.333 percent of their
5 final average salary. To be effective, such election must be duly
6 executed and acknowledged on a form prepared by the comptroller for such
7 purpose.

8 b. Retirement allowance. 1. A member, covered by the provisions of
9 this section at the time of retirement, shall be entitled to retire upon
10 completion of twenty-five years of total creditable service in such
11 titles by filing an application therefor in a manner similar to that
12 provided in section three hundred seventy of this article.

13 2. Upon completion of more than twenty-five years of such service and
14 upon retirement, each such member shall receive, for each year of

18 salary, provided, however, that the pension payable pursuant to this

23 accumulated contributions based upon the rate of contributions fixed
24 under section three hundred eighty-three of this title and upon the
25 salaries earned while in such service. Such annuity shall be computed as
26 it would be if it were not reduced by the actuarial equivalent of any
27 outstanding loan nor by reason of the member's election to decrease such
28 member's contributions for old age and survivor's insurance. Any accumu-
29 lated contributions in excess of the amount required to provide the
30 annuity computed pursuant to this paragraph shall be used to increase
31 the member's retirement allowance.

32 c. Credit for previous service. In computing the years of total cred-
33 itable service for each member described herein, full credit shall be
34 given and full allowance shall be made for service rendered as a police
35 officer or state university peace officer or member of a police force or
36 department of a state park authority or commission or an organized
37 police force or department of a county, city, town, village, police

§ 3. This act shall take effect on the first of January next succeeding the date on which it shall have become a law.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would create §383-e and §383-f in the Retirement and Social Security Law (RSSL) providing new service retirement benefits to law enforcement officers employed by the State of New York, currently covered by the provisions of

- + RSSL §383-a: regional state park police;
- + RSSL §383-b: department of environmental conservation (DEC) police;
- + RSSL §383-b: office of general services capital police;
- + RSSL §383-c: DEC forest rangers;
- + RSSL §383-d: State University of New York police.

Currently, these members of the New York State and Local Police and Fire Retirement System (NYSLPFRS) are covered by a 25-year half-pay service retirement plan with up to 7 years of additional 60ths.

RSSL §383-e is available to officers whose date of membership is on or after January 9, 2010 (commonly called Tier 5 or Tier 6 members) and provides a 20-year half-pay service retirement plan with up to 15 years of additional 60ths.

RSSL §383-f is available to officers whose date of membership is before January 9, 2010 (commonly called Tier 1, Tier 2, or Tier 3 members). Members would be eligible to retire upon attaining 25-years of service credit. However, the benefit accruals would be equal to those under a 20-year half-pay service retirement plan with up to 15 years of additional 60ths.

Disability benefits are not expected to change.

If this bill is enacted during the 2025 Legislative Session, we anticipate that there will be an increase of approximately \$6.9 million in the annual contributions of the State of New York for the fiscal year ending March 31, 2026. While billing rates will immediately increase approximately 5% of salary, annual costs will vary over time and are expected to average 3.75% of salary in the long term.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$96.2 million which will be borne by the State of New York as a one-time payment. This estimate assumes that payment will be made on March 1, 2026.

These estimated costs are based on 1,200 affected members employed by the State of New York, with annual salary of approximately \$123.8 million as of March 31, 2024.
