23 ing a department of motor vehicles transaction pursuant to subdivision  
24 one of this section, provides documentation conclusively demonstrating  
25 that such person is not a United States citizen. The department of motor  
26 vehicles and the state board of elections shall jointly determine which  
27 documents acceptable for transactions pursuant to subdivision one of  
28 this section conclusively demonstrate that a person is not a United  
29 States citizen. Provided further, that no agency designated under this  
30 section shall provide an opportunity to register or pre-register to vote

36 § 3. The election law is amended by adding a new section 5-901 to read  
37 as follows:

38 § 5-901. Procedures specific to the department of motor vehicles. 1.

43 a motor vehicle driver's license or an identification card, or any  
44 renewal, recertification, or reexamination transaction for such docu-  
45 ments, or any change of address or name form for such documents. Prior  
46 to January first, two thousand twenty-eight, the department of motor  
47 vehicles shall utilize the procedures required under section 5-900 of  
48 this title for such transactions. Beginning January first, two thousand  
49 twenty-nine, the department of motor vehicles shall utilize the automat-

51 person who conducts any of the following standard license transactions:  
52 an application for a motor vehicle driver's license or an identification  
53 card, or any renewal, recertification, or reexamination transaction for  
54 such documents, or any change of address or name form for such docu-  
55 ments. Prior to January first, two thousand twenty-nine, the department

1 of motor vehicles shall utilize the procedures required under section  
2 5-900 of this title for such standard license transactions.

3 2. (a) Except as provided in paragraph (c) of this subdivision, where  
4 a person conducts a department of motor vehicles transaction pursuant to  
5 subdivision one of this section and such person has provided documenta-  
6 tion to the department of motor vehicles conclusively demonstrating  
7 United States citizenship and is of sufficient age to register or pre-  
8 register to vote, the department of motor vehicles shall promptly trans-  
9 mit electronically to the state board of elections the following infor-  
10 mation regarding such person:

11 (i) such person's name;

12 (ii) such person's date of birth;

13 (iii) such person's driver's license or state ID number;

14 (iv) such person's residence address, and mailing address if different  
15 from such residence address;

16 (v) such person's county of residence;

17 (vi) such person's citizenship status;

18 (vii) an electronic copy of such person's manual signature that is in  
19 the custody of the department of motor vehicles;

20 (viii) the date of such person's transaction with the department of  
21 motor vehicles;

22 (ix) such person's gender, if available;

23 (x) such person's telephone number, if available;

24 (xi) such person's e-mail address, if available; and

25 (xii) such person's choice of party enrollment, if affirmatively indi-  
26 cated pursuant to paragraph (b) of this subdivision.

27 (b) The department of motor vehicles and the state board of elections  
28 shall jointly determine which documents acceptable for transactions  
29 pursuant to subdivision one of this section conclusively demonstrate  
30 United States citizenship. For a person whose information is subject to  
31 transmission pursuant to paragraph (a) of this subdivision, the depart-  
32 ment of motor vehicles shall provide an opportunity during the motor  
33 vehicle transaction for an applicant to affirmatively indicate the  
34 applicant's choice of party enrollment. Provided that, for an applicant  
35 who is already registered to vote in New York state who does not affir-  
36 matively indicate a choice of party enrollment pursuant to this para-  
37 graph, such person's preexisting party affiliation status shall remain  
38 unchanged as part of any registration update pursuant to subdivision  
39 four of this section.

40 (c) The department of motor vehicles shall not transmit information  
41 pursuant to paragraph (a) of this subdivision for any person who is a  
42 program participant in the address confidentiality program pursuant to  
43 section one hundred eight of the executive law.

44 (d) Upon receiving information pursuant to paragraph (a) of this  
45 subdivision for a person who is not registered to vote in New York state  
46 and who is of sufficient age to register or pre-register to vote, unless  
47 the state board of elections has evidence that such person is a program  
48 participant in the address confidentiality program pursuant to section  
49 one hundred eight of the executive law, the state board of elections  
50 shall electronically forward such information to the board of elections  
51 of the county or the city of the person's residence address for regis-  
52 tration or pre-registration consistent with this chapter.

53 (e) (i) Upon receiving information pursuant to paragraph (d) of this  
54 subdivision, a county or city board of elections shall register or pre-  
55 register the person to vote pursuant to section 5-210 of this article  
56 effective as of the date of such person's transaction with the depart-

1 ment of motor vehicles. The county or city board of elections shall  
2 promptly send to such person's mailing address, by non-forwardable mail,  
3 a notice that such person has been registered to vote, or pre-registered  
4 to vote, if applicable, that contains a postage paid preaddressed return  
5 form by which such person may decline to be registered or pre-regis-  
6 tered. Such notice shall be combined with the notice required pursuant  
7 to subdivision one of section 5-308 of this article and, if the person  
8 has not indicated a choice of party enrollment pursuant to subparagraph  
9 (xii) of paragraph (a) of this subdivision, shall also offer such person  
10 the opportunity to enroll with a party. Such notice shall also include a  
11 statement that, if such person declines to register or pre-register to  
12 vote, the fact that such person has declined registration or pre-regis-  
13 tration will remain confidential and will be used only for election  
14 administration purposes, and a statement that, if such person does not  
15 decline registration or pre-registration, the office at which such  
16 person was registered or pre-registered will remain confidential and  
17 will be used only for election administration purposes. Such notice  
18 shall also provide information and procedures for anyone wishing to  
19 prevent disclosure of their residence address, including information  
20 regarding the address confidentiality program for victims of domestic  
21 violence under section 5-508 of this article. The notice required by  
22 this subparagraph may be combined with the notice provided to newly  
23 registered voters pursuant to subdivision nine of section 5-210 of this  
24 article.

25 (ii) Notwithstanding any other provision of this article, a person of  
26 sufficient age to register to vote whose information is transmitted to a  
27 county or city board pursuant to subparagraph (i) of this paragraph  
28 shall be registered to vote for an election if the date of such person's  
29 transaction with the department of motor vehicles pursuant to subdivi-  
30 sion one of this section occurs by the twelfth day before such election  
31 and such person's information is transmitted to the county or city board  
32 by the tenth day before such election. A person whose transaction with  
33 the department of motor vehicles occurs within thirty days of an  
34 election shall be required to affirm before voting that such person has  
35 resided in such person's county, city, or village for at least thirty  
36 days before such election. Such affirmation shall be available at the  
37 time of voting and at the time of requesting an early mail or absentee  
38 ballot. A voter who signs an affirmation pursuant to this subparagraph  
39 shall not be challenged or required to vote an affidavit ballot on the  
40 grounds that such voter signed such affirmation.

41 (f) (i) If a person returns the notice provided under subparagraph (i)  
42 of paragraph (e) of this subdivision and declines to be registered or  
43 pre-registered to vote, such person's registration or pre-registration  
44 shall be canceled, and such person shall be deemed to have not regis-  
45 tered or pre-registered. However, if such person has voted in an  
46 election after the transmission of such person's information but before  
47 the notice is returned, the returned form shall be of no effect and such  
48 person shall remain registered as of the date of such person's trans-  
49 action with the department of motor vehicles. Information relating to  
50 the return of a notice form declining to be registered or pre-registered  
51 shall not be used for any purpose other than election administration.

52 (ii) Notwithstanding subdivision three of section 5-304 of this arti-  
53 cle, if a person returns the notice provided under subparagraph (i) of  
54 paragraph (e) of this subdivision and elects to enroll in a party, such  
55 enrollment shall take effect immediately. However, any pre-registrant's

1 registration shall remain classified as "pending" until the voter  
2 reaches the age of eligibility.

3 (iii) If a person returns the notice provided under subparagraph (i)  
4 of paragraph (e) of this subdivision but does not select any options,  
5 the returned notice shall be of no force and effect, and such person  
6 shall remain registered to vote, or pre-registered to vote, if applica-  
7 ble.

8 3. (a) The department of motor vehicles shall not provide an opportu-  
9 nity to register or pre-register to vote or transmit any information to  
10 the board of elections for purposes of voter registration for any person  
11 who, when conducting a department of motor vehicles transaction pursuant  
12 to subdivision one of this section, provides documentation conclusively  
13 demonstrating that such person is not a United States citizen. The  
14 department of motor vehicles and the state board of elections shall  
15 jointly determine which documents acceptable for transactions pursuant  
16 to subdivision one of this section conclusively demonstrate that a  
17 person is not a United States citizen.

18 (b) For any person who conducts a department of motor vehicles trans-  
19 action pursuant to subdivision one of this section whose information is  
20 not already subject to transmission to the state board of elections  
21 pursuant to paragraph (a) of subdivision two of this section and who  
22 does not provide documentation at the time of such person's transaction  
23 conclusively demonstrating that such person is not a United States citi-  
24 zen, the department of motor vehicles transaction shall provide an inte-  
25 grated voter registration opportunity as part of such transaction. For  
26 purposes of this paragraph, registration shall also include pre-regis-  
27 tration pursuant to section 5-507 of this article.

28 (c) The department shall ensure agency applications pursuant to para-  
29 graph (b) of this subdivision include all of the elements required by  
30 section 5-210 of this article, including the appropriate attestation, so  
31 that persons completing such applications shall be able to also submit  
32 an application to register to vote through the electronic voter regis-  
33 tration transmittal system.

34 (d) The integrated voter registration opportunity shall:

35 (i) include a statement of the eligibility requirements for voter  
36 registration and shall require an applicant to attest that such appli-  
37 cant meets such requirements under penalty of perjury;

38 (ii) inform an applicant, in print identical to that used in the  
39 attestation section, of the following:

40 (A) voter eligibility requirements;

41 (B) penalties for submission of a false registration application;

42 (C) that the office where such applicant applies for registration  
43 shall remain confidential and the voter registration information shall  
44 be used only for voter registration purposes;

45 (D) that if such applicant applies to register to vote electronically,  
46 such applicant thereby consents to the use of an electronic copy of such  
47 applicant's manual signature that is in the custody of the department of  
48 motor vehicles, as such applicant's voter registration exemplar signa-  
49 ture;

50 (E) if such applicant signs the application and affirmatively selects  
51 the voter registration option, such applicant thereby consents to the  
52 use of any information required to complete the voter registration  
53 application; and

54 (F) if such applicant declines to register, such applicant's declina-  
55 tion shall remain confidential and be used only for voter registration  
56 purposes;

1 (iii) require an applicant who attests to the eligibility requirements  
2 for voter registration to either affirmatively select or affirmatively  
3 decline voter registration as a necessary condition to complete the  
4 application pursuant to subdivision one of this section;

5 (iv) include the following warning statement, or its substantial  
6 equivalent, in prominent type, "IF YOU ARE NOT A CITIZEN OF THE UNITED  
7 STATES, DO NOT SELECT THE OPTION TO REGISTER TO VOTE. NON-CITIZENS WHO  
8 REGISTER OR PRE-REGISTER TO VOTE MAY BE SUBJECT TO CRIMINAL PENALTIES  
9 AND SUCH VOTER REGISTRATION OR PRE-REGISTRATION MAY RESULT IN DEPORA-  
10 TION OR REMOVAL, EXCLUSION FROM ADMISSION TO THE UNITED STATES, OR  
11 DENIAL OF NATURALIZATION.";

12 (v) include a space for an applicant to indicate such applicant's  
13 choice of party enrollment, with a clear alternative provided for such  
14 applicant to decline to affiliate with any party and the following  
15 statement, or its substantial equivalent, in prominent type "ONLY  
16 ENROLLED MEMBERS OF A POLITICAL PARTY MAY VOTE IN THAT PARTY'S PRIMA-  
17 RIES."; and

18 (vi) include a statement that if an applicant is a victim of domestic  
19 violence or stalking, such applicant may contact the state board of  
20 elections before or after registering or pre-registering to vote in  
21 order to receive information regarding the address confidentiality  
22 program for victims of domestic violence under section 5-508 of this  
23 article.

24 (e) For each person who completes an application to register to vote  
25 pursuant to paragraph (d) of this subdivision, who attests to the eligi-  
26 bility requirements for voter registration, and affirmatively selects  
27 voter registration pursuant to subparagraph (iii) of paragraph (d) of  
28 this subdivision, the department of motor vehicles shall electronically  
29 transmit to the state board of elections through an interface with the  
30 electronic voter registration transmittal system established and main-  
31 tained by the state board of elections such portion of the application  
32 that includes voter registration information. If such person is not  
33 already registered to vote in New York state, the state board of  
34 elections shall electronically forward such application to the applica-  
35 ble board of elections of each county or the city of New York for regis-  
36 tration consistent with this chapter. The department shall not transmit  
37 to the state board of elections an application for registration for a  
38 person who indicates on the integrated personal voter registration  
39 application that such person does not meet the eligibility requirements  
40 for registration.

41 (f) An integrated voter registration application submitted to the  
42 department of motor vehicles in an electronic format shall be transmit-  
43 ted to the state board of elections through the electronic voter regis-  
44 tration transmittal system and shall include all of the voter registra-  
45 tion data elements, including electronic signature, as applicable, and  
46 record of attestation of the accuracy of the voter registration informa-  
47 tion and any relevant document images.

48 (g) An integrated voter registration form submitted to the department  
49 of motor vehicles in paper format shall be transmitted to the state  
50 board of elections through the electronic voter registration transmittal  
51 system by converting the paper form to an image file or a portable docu-  
52 ment format file which shall thereafter be deemed the original form for  
53 voter registration and enrollment purposes. The department shall retain  
54 the complete original paper application for no less than two years. The  
55 transmittal of the converted paper application may include or be accom-

1 panied by data elements and transmittal information as required by the  
2 rules and regulations of the state board of elections.

3 (h) The department shall redact or remove from the completed inte-  
4 grated application to be transmitted to the state board of elections any  
5 information solely applicable to the agency application.

6 (i) Information from an applicant relevant to both voter registration  
7 and the department application shall be entered by the applicant only  
8 once upon an electronic application.

9 (j) Information concerning the citizenship status of individuals, when  
10 collected and transmitted pursuant to this subdivision, shall not be  
11 retained, used, or shared for any other purpose except as may be  
12 required by law.

13 (k) For each person who attests to the eligibility requirements for  
14 voter registration, but who does not affirmatively select voter regis-  
15 tration pursuant to subparagraph (iii) of paragraph (d) of this subdivi-  
16 sion, the department of motor vehicles shall electronically transmit to  
17 the state board of elections through an interface with the electronic  
18 voter registration transmittal system established and maintained by the  
19 state board of elections such portion of the application that includes  
20 voter registration information with a clear designation that such infor-  
21 mation shall be used only for the purpose of updating existing registra-  
22 tion records.

23 4. (a) If information is received by the state board of elections from  
24 the department of motor vehicles pursuant to paragraph (a) of subdivi-  
25 sion two or paragraph (e) or (k) of subdivision three of this section  
26 for a person who is already registered or pre-registered to vote in New  
27 York state, the state board of elections shall determine whether the  
28 information provided to the department of motor vehicles indicates a  
29 different name, residence address, or mailing address from that on such  
30 person's registration record.

31 (b) If information provided to the department of motor vehicles pursu-  
32 ant to paragraph (a) of subdivision two or paragraph (e) or (k) of  
33 subdivision three of this section indicates a different name, residence  
34 address, or mailing address for a registered or pre-registered voter  
35 from that on such person's registration record, the state board of  
36 elections shall electronically transmit the updated name or address for  
37 such person to the appropriate board of elections for such person's  
38 residence. If such person has changed residence from one county to  
39 another, the state board of elections shall electronically transmit such  
40 information to both the board of the previous county or city of resi-  
41 dence and the new county or city of residence. The board of elections in  
42 such person's county or city of residence shall use the information  
43 transmitted by the board to update such person's existing voter regis-  
44 tration record, transfer the person's registration, if inactive, to  
45 active status, and send to such person's address of record the notice  
46 required under subdivision five of section 5-208 of this article. The  
47 board of elections in any previous county or city of residence shall  
48 update such person's voter registration record to reflect that such  
49 person has moved to a different county.

50 (c) If a person returns the notice required under paragraph (b) of  
51 this subdivision and indicates that the change to such person's regis-  
52 tration record was in error, the appropriate boards of elections,  
53 including the board of the previous county or city of residence, shall  
54 promptly correct such person's previously updated information in the  
55 statewide voter registration list.

1 (d) Any application pursuant to subdivision one of this section shall  
2 inform the applicant that if such applicant is already registered or  
3 pre-registered to vote in New York state, the name, residence address,  
4 and mailing address provided on the application shall be used to update  
5 such person's registration record and that such person shall receive  
6 notice of any update by mail, along with information on how to correct  
7 such update, if needed.
