AN ACT to amend the public health law, in relation to removing the requirement that consent for the payment of certain medical services must occur after such services are administered; and requires a uniform form for consent for payment

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 18-c of the public health law, as added by section 4 of part O of chapter 57 of the laws of 2024, is amended to read as follows:

§ 18-c. Separate patient consent for treatment and payment for health care services. Informed consent from a patient to provide any treatment, procedure, examination or other direct health care services shall be obtained separately from such patient's consent to pay for the services. [~~Consent to pay for any health care services by a patient shall not be given prior to the patient receiving such services and discussing treatment costs.~~] **Any consent for payment shall be done utilizing a uniform form which shall be developed by the superintendent of financial services in conjunction with the commissioner. The uniform patient liability form shall not include the use of language that requires patients to assume an unlimited amount of financial liability. Such form shall specify the patient is only liable for the cost of services actually provided. Such form shall include the following language "I understand that I may request a "Good Faith Estimate" of any current or future visit, or procedure". Any such form not signed by a patient or their legal representative shall be prohibited and unenforceable.** For

purposes of this section, "consent" means an action which: (a) clearly and conspicuously communicates the individual's authorization of an act or practice; (b) is made in the absence of any mechanism in the user interface that has the purpose or substantial effect of obscuring, subverting, or impairing decision-making or choice to obtain consent; and (c) cannot be inferred from inaction.

§ 2. This act shall take effect immediately.
