5 course of conduct against a member of such person's same family or
6 household, as defined in section 530.11 of the criminal procedure law,

8 in full or in part, the victim's behavior, movement, associations or
9 access to or use of such victim's own finances or financial information.
10 For the purposes of this section, lack of consent results from forcible

14 ations or access to or use of such victim's own finances or financial
15 information. This section shall not apply to actions taken pursuant to a
16 legal arrangement granting one person power or authority over another
17 person, including, but not limited to, power of attorney arrangements as
18 defined in paragraph (j) of subdivision two of section 5-1501 of the
