1 FDA has approved one or more therapeutic and pharmaceutical equivalent,
2 as defined by the FDA, versions of a contraceptive drug, device, or
3 product, a contract is not required to include all such therapeutic and
4 pharmaceutical equivalent versions in its formulary, so long as at least

6 this clause. If the covered therapeutic and pharmaceutical equivalent
7 versions of a drug, device, or product are not available or are deemed

12 sharing when provided pursuant to a prescription, or order under section
13 sixty-eight hundred thirty-one of the education law or when lawfully
14 provided over-the-counter.

15 (b) If the attending health care provider, in [~~his or her~~] their
16 reasonable professional judgment, determines that the use of a non-cov-
17 ered therapeutic or pharmaceutical equivalent of a drug, device, or
18 product is warranted, the health care provider's determination shall be
19 final. The superintendent shall promulgate regulations establishing a
20 process, including timeframes, for an insured, an insured's designee or
21 an insured's health care provider to request coverage of a non-covered
22 contraceptive drug, device, or product. Such regulations shall include a
23 requirement that insurers use an exception form that shall meet criteria
24 established by the superintendent.

25 (c) This coverage must allow for the dispensing of up to twelve months
26 worth of a contraceptive at one time.

27 (d) This coverage shall provide for reimbursement to a pharmacist who
28 dispenses self-administered hormonal contraceptives pursuant to section
29 sixty-eight hundred one of the education law and provides related
30 services the same as any other health care provider.

31 (e) For the purposes of this clause, "over-the-counter contraceptive

5 the health care provider's determination shall be final. The superinten-
6 dent shall promulgate regulations establishing a process, including
