The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The town law is amended by adding a new section 64-l to
2 read as follows:

3 § 64-l. Town of Copake preservation funds. 1. As used in this section,
4 the following words and terms shall have the following meanings:

5 (a) "Town" means the town of Copake.

6 (b) "Community preservation" shall mean and include any of the
7 purposes outlined in subdivision five of this section.

8 (c) "Board" means the advisory board required pursuant to subdivision

11 subdivision two of this section.

12 (e) "Tax" shall mean the real estate transfer tax imposed pursuant to
13 section fourteen hundred fifty-b of the tax law or, if the context
14 clearly indicates, shall mean the real estate transfer tax imposed
15 pursuant to article thirty-one of the tax law.

17 local law a community preservation fund pursuant to the provisions of

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD11004-03-5

1 this section. Deposits into the fund may include revenues of the local
2 government from whatever source and shall include, at a minimum, all
3 revenues from a tax imposed upon the transfer of real property interests
4 in such town pursuant to article thirty-one-J of the tax law. The fund
5 shall also be authorized to accept gifts of any such interests in land
6 or of funds. Interest accrued by monies deposited into the fund shall be
7 credited to the fund. In no event shall monies deposited in the fund be
8 transferred to any other account. Nothing contained in this section
9 shall be construed to prevent the financing in whole or in part, pursu-
10 ant to the local finance law, of any acquisition authorized pursuant to
11 this section. Monies from the fund may be utilized to repay any indebt-
12 edness or obligations incurred pursuant to the local finance law
13 consistent with effectuating the purposes of this section.

14 3. The purposes of the fund shall be exclusively: (a) to implement a
15 plan for the preservation of community character as required by this
16 section, (b) to acquire interests or rights in real property for the
17 preservation of community character within the town including villages
18 therein in accordance with such plan and in cooperation with willing
19 sellers, (c) to establish a bank pursuant to a transfer of development
20 rights program consistent with section two hundred sixty-one-a of this
21 chapter, and (d) to provide a management and stewardship program for
22 such interests and rights consistent with subdivision ten of this
23 section and in accordance with such plan designed to preserve community
24 character. Not more than ten percent of the fund shall be utilized for
25 the management and stewardship program.

26 4. If the implementation of the community preservation project plan,
27 adopted by the town board, as provided in subdivision seven of this
28 section, has been completed, and funds are no longer needed for the
29 purposes outlined in this subdivision, then any remaining monies in the
30 fund shall be applied to reduce any bonded indebtedness or obligations
31 incurred to effectuate the purposes of this section.

32 5. Preservation of community character shall involve one or more of
33 the following:

- 34 (a) preservation of open space;
- 35 (b) establishment of parks, nature preserves, or recreation areas;
- 36 (c) preservation of land which is predominantly viable agricultural
37 land, as defined in subdivision seven of section three hundred one of
38 the agriculture and markets law, or unique and irreplaceable agricul-
39 tural land, as defined in subdivision six of section three hundred one
40 of the agriculture and markets law;
- 41 (d) preservation of lands of exceptional scenic value;
- 42 (e) preservation of freshwater marshes or other wetlands;
- 43 (f) preservation of aquifer recharge areas;
- 44 (g) preservation of undeveloped beach-lands or shoreline;
- 45 (h) establishment of wildlife refuges for the purpose of maintaining
46 native animal species diversity, including the protection of habitat
47 essential to the recovery of rare, threatened or endangered species;
- 48 (i) preservation of unique or threatened ecological areas;
- 49 (j) preservation of rivers and river areas in a natural, free-flowing
50 condition;
- 51 (k) preservation of forested land;
- 52 (l) preservation of public access to lands for public use including
53 stream rights and waterways;
- 54 (m) preservation of historic places and properties listed on the New
55 York state register of historic places and/or protected under a munici-
56 pal historic preservation ordinance or law; and

1 (n) undertaking any of the purposes of this subdivision in furtherance
2 of the establishment of a greenbelt.

3 6. The town board which has established a community preservation fund
4 shall create an advisory board to review and make recommendations on
5 proposed acquisitions of interests in real property using monies from
6 the fund. Such board shall consist of five or seven legal residents of
7 the municipality who shall serve without compensation. No member of the
8 local legislative body shall serve on the board. A majority of the
9 members of the board shall have demonstrated experience with conserva-
10 tion or land preservation activities. The board shall act in an advisory
11 capacity to the town board. At least one member of the board shall be an
12 active farmer. Board members' terms shall be staggered.

13 7. The town board which has established a community preservation fund
14 shall, by local law, adopt a community preservation project plan. Such
15 plan shall list every project which the town plans to undertake pursuant
16 to the community preservation fund. It shall include every parcel which
17 is necessary to be acquired in the town in order to protect community
18 character. Such plan shall provide for a detailed evaluation of all
19 available land use alternatives to protect community character, includ-
20 ing but not limited to: (a) fee simple acquisition, (b) zoning regu-
21 lations, including density reductions, cluster development, and site
22 plan and design requirements, (c) transfer of development rights, (d)
23 the purchase of development rights, and (e) scenic and conservation
24 easements. Said evaluation shall be as specific as practicable as to
25 each parcel selected for inclusion in such plan. Such plan shall estab-
26 lish the priorities for preservation, and shall include the preservation
27 of farmland as its highest priority. Funds from the community preserva-
28 tion fund may only be expended for projects which have been included in
29 such plan. Such plan shall be updated not less than once every five
30 years, but in no event until at least three years after the adoption of
31 the original plan. A copy of such plan shall be filed with the town
32 clerk, the commissioner of environmental conservation, the commissioner
33 of agriculture and markets and the commissioner of the office of parks,
34 recreation and historic preservation. Such plan shall be completed at
35 least sixty days before the submission of the mandatory referendum
36 required by section fourteen hundred fifty-b of the tax law. If at the
37 time of referendum, the town shall have in place an adopted open space
38 plan, such plan shall be deemed sufficient to waive the preservation
39 plan requirements of this subdivision. Any monies expended from the
40 community preservation plan shall, however be consistent with the
41 purposes outlined in subdivisions three and five of this section and
42 with the open space plan for a period not to exceed twelve months.

43 8. The town board which has established a community preservation fund
44 pursuant to this section may study and consider establishing a transfer
45 of development rights program to protect community character as provided
46 for by section two hundred sixty-one-a of this chapter. All provisions
47 of such section two hundred sixty-one-a shall be complied with. If at
48 any time during the life of the community preservation fund a transfer
49 of development rights program is established, the town may utilize
50 monies from the community preservation fund in order to create and fund
51 a central bank of the transfer of development rights program. If at any
52 time during the life of the community preservation fund, a transfer of
53 development rights program is repealed by the town, all monies from the
54 central bank shall be returned to the community preservation fund.

55 9. No interests or rights in real property shall be acquired pursuant
56 to this section until a public hearing is held as required by section

two hundred forty-seven of the general municipal law; provided, however, that nothing herein shall prevent the town board from entering into a conditional purchase agreement before a public hearing is held. Any resolution of the town board approving an acquisition of rights or interest in real property pursuant to this section, shall find that acquisition was the best alternative for the protection of community character of all the reasonable alternatives available to the town.

10. Rights or interest in real property acquired pursuant to this section shall be administered and managed in a manner which (a) allows public use and enjoyment in a manner compatible with the natural, scenic, historic and open space character of such lands; (b) preserves the native biological diversity of such lands; (c) with regard to open spaces, limits improvements to enhancing access for passive use of such lands such as nature trails, boardwalks, bicycle paths, and peripheral parking areas provided that such improvements do not degrade the ecological value of the land or threaten essential wildlife habitat; and (d) preserves cultural property consistent with accepted standards for historic preservation. Notwithstanding any other provision of this subdivision there shall be no right to public use and enjoyment of land used in conjunction with a farm operation as defined by subdivision eleven of section three hundred one of the agriculture and markets law. In furthering the purposes of this section, the town may enter into agreements with corporations organized under the not-for-profit corporation law and engage in land trust activities to manage lands including less than fee interests acquired pursuant to the provisions of this section, provided that any such agreement shall contain a provision that such corporation shall keep the lands accessible to the public unless such corporation shall demonstrate to the satisfaction of the town that public accessibility would be detrimental to the lands or any natural resources associated therewith.

11. Rights or interests in real property acquired with monies from such fund shall not be sold, leased, exchanged, donated, or otherwise disposed of or used for other than the purposes permitted by this section without the express authority of an act of the state legislature, which shall provide for the substitution of other lands of equal environmental value and fair market value and reasonably equivalent usefulness and location to those to be discontinued, sold or disposed of, and such other requirements as shall be approved by the state legislature. Any conservation easements, created under title three of article forty-nine of the environmental conservation law, which are acquired with monies from such fund may only be modified or extinguished as provided in section 49-0307 of such law. Nothing in this section shall preclude the town, by local law, from establishing additional restrictions to the alienation of lands acquired pursuant to this section. This subdivision shall not apply to the sale of development rights by the town acquired pursuant to this section, where said sale is made by a central bank created by the town, pursuant to a transfer of development rights program established by the town pursuant to section two hundred sixty-one-a of this chapter, provided, however (a) that the lands from which said development rights were acquired shall remain preserved in perpetuity by a permanent conservation easement or other instrument that similarly preserves the community character referenced in subdivision five of this section, and (b) the proceeds from such sale shall be deposited in the community preservation fund.

§ 2. The tax law is amended by adding a new article 31-J to read as follows:

34 § 1450-b. Imposition of tax. Notwithstanding any other provisions of
35 law to the contrary, the town of Copake, acting through its town board,
36 is hereby authorized and empowered to adopt a local law imposing in such
37 town a tax on each conveyance of real property or interest therein not
38 to exceed a maximum of two percent of the consideration for such convey-
39 ance, subject to the exemptions set forth in section fourteen hundred
40 fifty-e of this article; any such local law shall fix the rate of such
41 tax. Provided, however, any such local law imposing, repealing or reim-
42 posing such tax shall be subject to a mandatory referendum pursuant to
43 section twenty-three of the municipal home rule law. Notwithstanding the
44 foregoing, prior to adoption of such local law, the town must establish
45 a community preservation fund pursuant to section sixty-four-l of the
46 town law. Revenues from such tax shall be deposited in such fund and may
47 be used solely for the purposes of such fund. Such local law shall apply
48 to any conveyance occurring on or after the first day of a month to be
49 designated by such town board, which is not less than sixty days after
50 the enactment of such local law, but shall not apply to conveyances made
51 on or after such date pursuant to binding written contracts entered into
52 prior to such date, provided that the date of execution of such contract
53 is confirmed by independent evidence such as the recording of the
54 contract, payment of a deposit or other facts and circumstances as
55 determined by the treasurer.

1 § 1450-c. Payment of tax. 1. The real estate transfer tax imposed
2 pursuant to this article shall be paid to the treasurer or the recording
3 officer acting as the agent of the treasurer upon designation as such
4 agent by the treasurer. Such tax shall be paid at the same time as the
5 real estate transfer tax imposed by article thirty-one of this chapter
6 is required to be paid. Such treasurer or recording officer shall
7 endorse upon each deed or instrument effecting a conveyance a receipt
8 for the amount of the tax so paid.

9 2. A return shall be required to be filed with such treasurer or
10 recording officer for purposes of the real estate transfer tax imposed
11 pursuant to this article at the same time as a return is required to be
12 filed for purposes of the real estate transfer tax imposed by article
13 thirty-one of this chapter. The treasurer shall prescribe the form of
14 return, the information which it shall contain, and the documentation
15 that shall accompany the return. Said form shall be identical to the
16 real estate transfer tax return required to be filed pursuant to section
17 fourteen hundred nine of this chapter, except that the treasurer shall
18 adapt said form to reflect the provisions in this chapter that are
19 inconsistent, different, or in addition to the provisions of article
20 thirty-one of this chapter. The real estate transfer tax returns
21 required to be filed pursuant to this section shall be preserved for
22 three years and thereafter until such treasurer or recording officer
23 orders them to be destroyed.

24 3. The recording officer shall not record an instrument effecting a
25 conveyance unless the return required by this section has been filed and
26 the tax imposed pursuant to this article shall have been paid as
27 required in this section.

28 § 1450-d. Liability for tax. 1. The real estate transfer tax shall be
29 paid by the grantee. If the grantee has failed to pay the tax imposed
30 pursuant to this article or if the grantee is exempt from such tax, the
31 grantor shall have the duty to pay the tax. Where the grantor has the
32 duty to pay the tax because the grantee has failed to pay the tax, such
33 tax shall be the joint and several liability of the grantee and the
34 grantor.

35 2. For the purpose of the proper administration of this article and to
36 prevent evasion of the tax hereby imposed, it shall be presumed that all
37 conveyances are subject to the tax. Where the consideration includes
38 property other than money, it shall be presumed that the consideration
39 is the fair market value of the real property or interest therein. These
40 presumptions shall prevail until the contrary is proven, and the burden
41 of proving the contrary shall be on the person liable for payment of the
42 tax.

43 § 1450-e. Exemptions. 1. The following shall be exempt from the
44 payment of the real estate transfer tax imposed by this article:

45 (a) The state of New York, or any of its agencies, instrumentalities,
46 political subdivisions, or public corporations (including a public
47 corporation created pursuant to an agreement or compact with another
48 state or the Dominion of Canada); and

49 (b) The United Nations, the United States of America or any of its
50 agencies or instrumentalities.

51 2. The tax shall not apply to any of the following conveyances:

52 (a) Conveyances to the United Nations, the United States of America,
53 the state of New York, or any of their instrumentalities, agencies or
54 political subdivisions (or any public corporation, including a public
55 corporation created pursuant to agreement or compact with another state
56 or the Dominion of Canada);

1 (b) Conveyances which are or were used to secure a debt or other obli-
2 gation;

3 (c) Conveyances which, without additional consideration, confirm,
4 correct, modify or supplement a deed previously recorded;

5 (d) Conveyances of real property without consideration and otherwise
6 than in connection with a sale, including deeds conveying realty as bona
7 fide gifts;

8 (e) Conveyances given in connection with a tax sale;

9 (f) Conveyances to effectuate a mere change of identity or form of
10 ownership or organization where there is no change in beneficial owner-
11 ship, other than conveyances to a cooperative housing corporation of the
12 real property comprising the cooperative dwelling or dwellings;

13 (g) Conveyances which consist of a deed of partition;

14 (h) Conveyances given pursuant to the federal bankruptcy act;

15 (i) Conveyances of real property which consist of the execution of a
16 contract to sell real property without the use or occupancy of such
17 property or the granting of an option to purchase real property without
18 the use or occupancy of such property;

19 (j) Conveyances of real property or a portion or portions of real
20 property that are the subject of one or more of the following develop-
21 ment restrictions:

22 (1) agricultural, conservation, scenic, or an open space easement;

23 (2) covenants or restrictions prohibiting development where the prop-
24 erty or portion of property being conveyed has had its development
25 rights permanently removed;

26 (3) a purchase of development rights agreement where the property or
27 portion of property being conveyed has had its development rights perma-
28 nently removed;

29 (4) a transfer of development rights agreement, where the property
30 being conveyed has had its development rights removed;

31 (5) real property subject to any locally adopted land preservation
32 agreement, provided said exemption is included in the local law imposing
33 the tax authorized by this article;

34 (k) Conveyances of real property, where the property is viable agri-
35 cultural land as defined in subdivision seven of section three hundred
36 one of the agriculture and markets law and the entire property to be
37 conveyed is to be made subject to one of the development restrictions
38 provided for in subparagraph two of paragraph (j) of this subdivision
39 provided that said development restriction precludes the conversion of
40 the property to a non-agricultural use for at least eight years from the
41 date of transfer, and said development restriction is evidenced by an
42 easement, agreement, or other suitable instrument which is to be
43 conveyed to the town simultaneously with the conveyance of the real
44 property; or

45 (l) Conveyances of real property for open space, parks, or historic
46 preservation purposes to any not-for-profit tax exempt corporation oper-
47 ated for conservation, environmental, or historic preservation purposes.

48 3. An exemption from the tax which is equal to the median sales price
49 of residential real property within the applicable county, as determined
50 by the office of real property services pursuant to section four hundred
51 twenty-five of the real property tax law, shall be allowed on the
52 consideration of the conveyance of improved or unimproved real property
53 or an interest therein.

54 § 1450-f. Credit. A grantee shall be allowed a credit against the tax
55 due on a conveyance of real property to the extent tax was paid by such
56 grantee on a prior creation of a leasehold of all or a portion of the

1 same real property or on the granting of an option or contract to
2 purchase all or a portion of the same real property by such grantee.
3 Such credit shall be computed by multiplying the tax paid on the
4 creation of the leasehold or on the granting of the option or contract
5 by a fraction, the numerator of which is the value of the consideration
6 used to compute such tax paid which is not yet due to such grantor on
7 the date of the subsequent conveyance (and which such grantor will not
8 be entitled to receive after such date), and the denominator of which is
9 the total value of the consideration used to compute such tax paid.

10 § 1450-g. Cooperative housing corporation transfers. 1. Notwithstand-
11 ing the definition of "controlling interest" contained in subdivision
12 two of section fourteen hundred fifty-a of this article or anything to
13 the contrary contained in subdivision five of section fourteen hundred
14 fifty-a of this article, the tax imposed pursuant to this article shall
15 apply to (a) the original conveyance of shares of stock in a cooperative
16 housing corporation in connection with the grant or transfer of a
17 proprietary leasehold by the cooperative corporation or cooperative plan
18 sponsor, and (b) the subsequent conveyance of such stock in a cooper-
19 ative housing corporation in connection with the grant or transfer of a
20 proprietary leasehold by the owner thereof. With respect to any such
21 subsequent conveyance where the property is an individual residential
22 unit, the consideration for the interest conveyed shall exclude the
23 value of any liens on certificates of stock or other evidences of an
24 ownership interest in and a proprietary lease from a corporation or
25 partnership formed for the purpose of cooperative ownership of residen-
26 tial interest in real estate remaining thereon at the time of convey-
27 ance. In determining the tax on a conveyance described in paragraph (a)
28 of this subdivision, a credit shall be allowed for a proportionate part
29 of the amount of any tax paid upon the conveyance to the cooperative
30 housing corporation of the real property comprising the cooperative
31 dwelling or dwellings to the extent that such conveyance effectuated a
32 mere change of identity or form of ownership of such property and not a
33 change in the beneficial ownership of such property. The amount of the
34 credit shall be determined by multiplying the amount of tax paid upon
35 the conveyance to the cooperative housing corporation by a percentage
36 representing the extent to which such conveyance effectuated a mere
37 change of identity or form of ownership and not a change in the benefi-
38 cial ownership of such property, and then multiplying the resulting
39 product by a fraction, the numerator of which shall be the number of
40 shares of stock conveyed in a transaction described in paragraph (a) of
41 this subdivision, and the denominator of which shall be the total number
42 of shares of stock of the cooperative housing corporation (including any
43 stock held by the corporation). In no event, however, shall such credit
44 reduce the tax, on a conveyance described in paragraph (a) of this
45 subdivision, below zero, nor shall any such credit be allowed for a tax
46 paid more than twenty-four months prior to the date on which occurs the
47 first in a series of conveyances of shares of stock in an offering of
48 cooperative housing corporation shares described in paragraph (a) of
49 this subdivision.

50 2. Every cooperative housing corporation shall be required to file an
51 information return with the treasurer by July fifteenth of each year
52 covering the preceding period of January first through June thirtieth
53 and by January fifteenth of each year covering the preceding period of
54 July first through December thirty-first. The return shall contain such
55 information regarding the conveyance of shares of stock in the cooper-
56 ative housing corporation as the treasurer may deem necessary, includ-

ing, but not limited to, the names, addresses and employee identification numbers or social security numbers of the grantor and the grantee, the number of shares conveyed, the date of the conveyance and the consideration paid for such conveyance.

§ 1450-h. Designation of agents. The treasurer is authorized to designate the recording officer to act as their agent for purposes of collecting the tax authorized by this article. The treasurer shall provide for the manner in which such person may be designated as their agent subject to such terms and conditions as the treasurer shall prescribe. The real estate transfer tax shall be paid to such agent as provided in section fourteen hundred fifty-c of this article.

§ 1450-i. Liability of recording officer. A recording officer shall not be liable for any inaccuracy in the amount of tax imposed pursuant to this article that they shall collect so long as they shall compute and collect such tax on the amount of consideration or the value of the interest conveyed as such amounts are provided to them by the person paying the tax.

§ 1450-j. Refunds. Whenever the treasurer shall determine that any moneys received under the provisions of the local law enacted pursuant to this article were paid in error, they may cause such moneys to be refunded pursuant to such requirements as they may prescribe, provided that any application for such refund is filed with the treasurer within two years from the date the erroneous payment was made.

§ 1450-k. Deposit and disposition of revenue. 1. All taxes, penalties and interest imposed by the town under the authority of section fourteen hundred fifty-b of this article, which are collected by the treasurer or their agents, shall be deposited in a single trust fund for the town and shall be kept in trust and separate and apart from all other monies in possession of the treasurer. Moneys in such fund shall be deposited and secured in the manner provided by section ten of the general municipal law. Pending expenditure from such fund, moneys therein may be invested in the manner provided in section eleven of the general municipal law. Any interest earned or capital gain realized on the moneys so deposited or invested shall accrue to and become part of such fund.

2. The treasurer shall retain such amount as they may determine to be necessary for refunds with respect to the tax imposed by the town, under the authority of section fourteen hundred fifty-b of this article, out of which the treasurer shall pay any refunds of such taxes to those taxpayers entitled to a refund pursuant to the provisions of this article.

3. The treasurer, after reserving such refunds, shall on or before the twelfth day of each month pay to the town supervisor the taxes, penalties and interest imposed by the town under the authority of section fourteen hundred fifty-b of this article, collected by the treasurer, pursuant to this article during the next preceding calendar month. The amount so payable shall be certified to the town supervisor by the treasurer, who shall not be held liable for any inaccuracy in such certification. Provided, however, any such certification may be based on such information as may be available to the treasurer at the time such certification must be made under this section. Where the amount so paid over to the town in any such distribution is more or less than the amount due to the town, the amount of the overpayment or underpayment shall be certified to the town supervisor by the treasurer, who shall not be held liable for any inaccuracy in such certification. The amount of the overpayment or underpayment shall be so certified to the town supervisor as soon after the discovery of the overpayment or underpay-

1 ment as reasonably possible and subsequent payments and distributions by
2 the treasurer to the town shall be adjusted by subtracting the amount of
3 any such overpayment from or by adding the amount of any such underpay-
4 ment to such number of subsequent payments and distributions as the
5 treasurer and town supervisor shall consider reasonable in view of the
6 overpayment or underpayment and all other facts and circumstances.

7 4. All monies received from the treasurer shall be deposited in the
8 fund of the town, pursuant to section sixty-four-l of the town law.

9 § 1450-l. Judicial review. 1. Any final determination of the amount of
10 any tax payable under section fourteen hundred fifty-c of this article
11 shall be reviewable for error, illegality or unconstitutionality or any
12 other reason whatsoever by a proceeding under article seventy-eight of
13 the civil practice law and rules if application therefor is made to the
14 supreme court within four months after the giving of the notice of such
15 final determination, provided, however, that any such proceeding under
16 article seventy-eight of the civil practice law and rules shall not be
17 instituted unless (a) the amount of any tax sought to be reviewed, with
18 such interest and penalties thereon as may be provided for by local law
19 shall be first deposited and there is filed an undertaking, issued by a
20 surety company authorized to transact business in this state and
21 approved by the state superintendent of insurance as to solvency and
22 responsibility, in such amount as a justice of the supreme court shall
23 approve to the effect that if such proceeding be dismissed or the tax
24 confirmed the petitioner will pay all costs and charges which may accrue
25 in the prosecution of such proceeding or (b) at the option of the peti-
26 tioner, such undertaking may be in a sum sufficient to cover the taxes,
27 interest and penalties stated in such determination, plus the costs and
28 charges which may accrue against it in the prosecution of the proceed-
29 ing, in which event the petitioner shall not be required to pay such
30 taxes, interest or penalties as a condition precedent to the applica-
31 tion.

32 2. Where any tax imposed hereunder shall have been erroneously, ille-
33 gally or unconstitutionally assessed or collected and application for
34 the refund or revision thereof duly made to the proper fiscal officer or
35 officers, and such officer or officers shall have made a determination
36 denying such refund or revision, such determination shall be reviewable
37 by a proceeding under article seventy-eight of the civil practice law
38 and rules; provided, however, that (a) such proceeding is instituted
39 within four months after the giving of the notice of such denial, (b) a
40 final determination of tax due was not previously made, and (c) an
41 undertaking is filed with the proper fiscal officer or officers in such
42 amount and with such sureties as a justice of the supreme court shall
43 approve to the effect that if such proceeding be dismissed or the tax
44 confirmed, the petitioner will pay all costs and charges which may
45 accrue in the prosecution of such proceeding.

46 § 1450-m. Apportionment. A local law adopted by the town of Copake,
47 pursuant to this article, shall provide for a method of apportionment
48 for determining the amount of tax due whenever the real property or
49 interest therein is situated within and without the town.

50 § 1450-n. Miscellaneous. A local law adopted by the town of Copake,
51 pursuant to this article, may contain such other provisions as the town
52 deems necessary for the proper administration of the tax imposed pursu-
53 ant to this article, including provisions concerning the determination
54 of tax, the imposition of interest on underpayments and overpayments and
55 the imposition of civil penalties. Such provisions shall be identical to
56 the corresponding provisions of the real estate transfer tax imposed by

1 article thirty-one of this chapter, so far as such provisions can be
2 made applicable to the tax imposed pursuant to this article.

3 § 1450-o. Returns to be secret. 1. Except in accordance with proper
4 judicial order or as otherwise provided by law, it shall be unlawful for
5 the treasurer or any officer or employee of the county or town, includ-
6 ing any person engaged or retained on an independent contract basis, to
7 divulge or make known in any manner the particulars set forth or
8 disclosed in any return required under a local law enacted pursuant to
9 this article. However, that nothing in this section shall prohibit the
10 recording officer from making a notation on an instrument effecting a
11 conveyance indicating the amount of tax paid. No recorded instrument
12 effecting a conveyance shall be considered a return for purposes of this
13 section.

14 2. The officers charged with the custody of such returns shall not be
15 required to produce any of them or evidence of anything contained in
16 them in any action or proceeding in any court, except on behalf of the
17 county or town in any action or proceeding involving the collection of a
18 tax due under a local law enacted pursuant to this article to which such
19 county or town is a party, or a claimant, or on behalf of any party to
20 any action or proceeding under the provisions of a local law enacted
21 pursuant to this article when the returns or facts shown thereby are
22 directly involved in such action or proceeding, in any of which events
23 the court may require the production of, and may admit in evidence, so
24 much of said returns or of the facts shown thereby, as are pertinent to
25 the action or proceeding and no more.

26 3. Nothing herein shall be construed to prohibit the delivery to a
27 grantor or grantee of an instrument effecting a conveyance or the duly
28 authorized representative of a grantor or grantee of a certified copy of
29 any return filed in connection with such instrument or to prohibit the
30 publication of statistics so classified as to prevent the identification
31 of particular returns and the items thereof, or the inspection by the
32 legal representatives of such county or town of the return of any
33 taxpayer who shall bring action to set aside or review the tax based
34 thereon.

35 4. Any officer or employee of such county or town who willfully
36 violates the provisions of this section shall be dismissed from office
37 and be incapable of holding any public office in this state for a period
38 of five years thereafter.

39 § 1450-p. Foreclosure proceedings. Where the conveyance consists of
40 transfer of property made as a result of an order of the court in a
41 foreclosure proceeding ordering the sale of such property, the referee
42 or sheriff effectuating such transfer shall not be liable for any inter-
43 est or penalties that are authorized pursuant to this article or article
44 thirty-seven of this chapter.

45 § 3. Severability. If any provision of this act or the application
46 thereof shall for any reason be adjudged by any court of competent
47 jurisdiction to be invalid, such judgment shall not affect, impair, or
48 invalidate the remainder of this act, but shall be confined in its oper-
49 ation to the provision thereof directly involved in the controversy in
50 which such judgment shall have been rendered.

51 § 4. This act shall take effect immediately; provided, however, that
52 section two of this act shall take effect on the ninetieth day after it
53 shall have become a law and shall expire December 31, 2045 when upon
54 such date the provisions of such section shall be deemed repealed.
