43 second degree.

44 A person is guilty of endangering public health, safety or the envi-  
45 ronment in the second degree when:

46 1. [~~He~~] Such person knowingly engages in conduct which causes the  
47 release of a substance hazardous to public health, safety or the envi-  
48 ronment and such release causes physical injury to any person who is not  
49 a participant in the crime; or

50 2. [~~He~~] Such person knowingly engages in conduct which causes the  
51 release of a substance acutely hazardous to public health, safety or the  
52 environment or the release of a substance which at the time of the  
53 conduct [~~he~~] such person knows to meet any of the criteria set forth in  
54 paragraph (b) of subdivision one of section 37-0103 of this chapter; or

55 3. [~~He~~] Such person knowingly engages in conduct which causes the  
56 release of more than one thousand five hundred gallons or fifteen thou-

1 sand pounds, whichever is less, of an aggregate weight or volume of a  
2 substance hazardous to public health, safety or the environment; or

3 4. [~~He~~] Such person recklessly engages in conduct which causes the  
4 release of a substance acutely hazardous to public health, safety or the  
5 environment and such release causes physical injury to any person who is  
6 not a participant in the crime; or

7 5. [~~He~~] Such person knowingly engages in conduct which causes the  
8 release of more than one hundred gallons or one thousand pounds, which-  
9 ever is less, of an aggregate weight or volume of a substance hazardous  
10 to public health, safety or the environment and such substance enters  
11 water; or

12 6. [~~He or she~~] Such person knowingly or recklessly engages in conduct  
13 which causes the release of a substance hazardous to public health,  
14 safety or the environment and such substance enters a primary water  
15 supply; or

16 7. With intent to dispose of construction and demolition debris, [~~he~~  
17 ~~or she~~] such person intentionally engages in conduct that causes the  
18 unlawful disposal or release of either seventy cubic yards or more, or  
19 one hundred forty thousand pounds or more, of construction and demoli-  
20 tion debris, as defined in section 71-2702 of this title; or

21 8. With intent to dispose of a hazardous substance on the property of  
22 another [~~he or she~~] such person intentionally engages in conduct that  
23 causes the unlawful disposal or release of a hazardous substance; or

24 9. [~~He or she~~] Such person recklessly disposes of any acutely hazard-  
25 ous substance on any property; or

26 10. Such person commits the crime of endangering the public health,  
27 safety or the environment in the third degree as defined in section  
28 71-2712 of this title and has been previously convicted of any crime  
29 defined in section 71-2710, 71-2711, 71-2712 or 71-2714 of this title  
30 within the preceding ten years.

31 Endangering public health, safety or the environment in the second  
32 degree is a class D felony.

33 § 4. Section 71-2714 of the environmental conservation law, as amended  
34 by chapter 26 of the laws of 1998, subdivision 2 as amended by chapter  
35 332 of the laws of 2020, and subdivision 3 as amended by chapter 29 of  
36 the laws of 2021, is amended to read as follows:

37 § 71-2714. Endangering public health, safety or the environment in the  
38 first degree.

39 A person is guilty of endangering public health, safety or the envi-  
40 ronment in the first degree when:

41 1. [~~He~~] Such person intentionally engages in conduct which causes the  
42 release of a substance acutely hazardous to public health, safety or the  
43 environment or the release of a substance which at the time of the  
44 conduct [~~he~~] such person knows to meet any of the criteria set forth in  
45 paragraph (b) of subdivision one of section 37-0103 of this chapter when  
46 [~~he~~] such person is aware that such conduct creates a substantial risk  
47 of serious physical injury to any person who is not a participant in the  
48 crime; or

49 2. [~~He or she~~] Such person knowingly engages in conduct which causes  
50 the release of a substance acutely hazardous to public health, safety or  
51 the environment or the release of a substance which at the time of the  
52 conduct [~~he or she~~] such person knows to meet any of the criteria set  
53 forth in paragraph (b) of subdivision one of section 37-0103 of this  
54 chapter and such release causes physical injury to any person who is not  
55 a participant in the crime; or

1 3. With intent to dispose of an acutely hazardous substance, [~~he or~~  
2 ~~she~~] such person intentionally engages in conduct that causes the unlaw-  
3 ful disposal or release of an acutely hazardous substance on any proper-  
4 ty; or

5 4. Such person commits the crime of endangering the public health,  
6 safety or the environment in the second degree as defined in section  
7 71-2713 of this title and has been previously convicted of any crime  
8 defined in section 71-2710, 71-2711, 71-2712 or 71-2713 of this title
