31 Thereafter, the charter entity shall resubmit the proposed charter to
32 the board of regents with modifications, provided that the applicant
33 consents in writing to such modifications, resubmit the proposed charter

39 ~~the charter entity described in paragraph (b) of subdivision three of~~
40 ~~section twenty-eight hundred fifty-one of this article within thirty~~
41 ~~days of the resubmission of such proposed charter or such proposed char-~~

56 first, two thousand fifteen, and no more, shall be granted to a charter

1 for a school to be located in a city having a population of one million
2 or more. The failure of any body to issue the regulations authorized
3 pursuant to this article shall not affect the authority of a charter
4 entity to propose a charter to the board of regents or the board of
5 regents' authority to grant such charter. A conversion of an existing
6 public school to a charter school, or the renewal or extension of a
7 charter approved by any charter entity, shall not be counted toward the
8 numerical limits established by this subdivision.

9 (b) A charter that has been surrendered, revoked or terminated on or

15 pursuant to a competitive process in accordance with subdivision nine-a
16 of this section. Provided that such reissuance shall not be counted

20 (b-1) A charter that has been surrendered, revoked or terminated after

24 this subdivision by the board of regents either upon application direct-
25 ly to the board of regents [~~or on the recommendation of the board of~~
26 ~~trustees of the state university of New York~~] pursuant to a competitive
27 process in accordance with subdivision nine-a of this section. Provided
28 that such reissuance shall not be counted toward the numerical limits
29 established by this subdivision, and provided further that no more than
30 twenty-two charters may be reissued pursuant to this paragraph, provided
31 that fourteen of such reissued charters shall be allocated for, and
32 shall not be counted toward the numerical limit in, a city having a
33 population of one million or more established in paragraph (a) of this
34 subdivision. Nothing herein shall be construed to allow more than four-
35 teen such charters to be reissued in a city having a population of one
36 million or more.

37 (c) For purposes of determining the total number of charters issued
38 within the numerical limits established by this subdivision, the
39 approval date of the charter entity shall be the determining factor.

40 (d) Notwithstanding any provision of this article to the contrary, any
41 charter authorized to be issued by chapter fifty-seven of the laws of
42 two thousand seven effective July first, two thousand seven, and that
43 remains unissued as of July first, two thousand fifteen, may be issued
44 pursuant to the provisions of law applicable to a charter authorized [~~to~~
45 ~~be issued~~] by [~~such~~] a chapter [~~in effect as of June fifteenth, two~~
46 ~~thousand fifteen~~] of the laws of two thousand twenty-five that amended
47 this section; provided however that nothing in this paragraph shall be
48 construed to increase the numerical limit applicable to a city having a
49 population of one million or more as provided in paragraph (a) of this
50 subdivision, as amended by a chapter of the laws of two thousand fifteen
51 which added this paragraph.

52 § 6. Subdivision 9-a of section 2852 of the education law, as amended
53 by section 2 of subpart A of part B of chapter 20 of the laws of 2015,
54 is amended to read as follows:

5 pursuant to a request for proposals no later than December thirty-first
6 of each year.

7 (b) The board of regents [~~and the board of trustees of the state~~

12 may be a lack of alternatives and access to charter schools would
13 provide new alternatives within the local public education system that
14 would offer the greatest educational benefit to students. Applications
15 shall be evaluated in accordance with the criteria and objectives
16 contained within a request for proposals. The board of regents [~~and the~~
17 ~~board of trustees of the state university of New York~~] shall not consid-

19 met the following criteria:

20 (i) that the proposed charter school would meet or exceed enrollment
21 and retention targets, as prescribed by the board of regents [~~or the~~
22 ~~board of trustees of the state university of New York, as applicable,~~]
23 of students with disabilities, English language learners, and students
24 who are eligible applicants for the free and reduced price lunch
25 program. When developing such targets, the board of regents [~~and the~~
26 ~~board of trustees of the state university of New York,~~] shall ensure (1)
27 that such enrollment targets are comparable to the enrollment figures of
28 such categories of students attending the public schools within the
29 school district, or in a city school district in a city having a popu-
30 lation of one million or more inhabitants, the community school
31 district, in which the proposed charter school would be located; and (2)

34 school district, or in a city school district in a city having a popu-
35 lation of one million or more inhabitants, the community school
36 district, in which the proposed charter school would be located; and

38 with a thorough and meaningful public review process prescribed by the
39 board of regents [~~and the board of trustees of the state university of~~
40 ~~New York,~~] to solicit community input regarding the proposed charter

43 (c) The board of regents [~~and the board of trustees of the state~~
44 ~~university of New York~~] shall grant priority based on a scoring rubric
45 to those applications that best demonstrate how they will achieve the

48 prescribe:

49 (i) increasing student achievement and decreasing student achievement

12 share best educational practices and innovations;

13 (vii) demonstrating the management and leadership techniques necessary
14 to overcome initial start-up problems to establish a thriving, finan-
15 cially viable charter school;

16 (viii) demonstrating the support of the school district in which the

20 ~~succeeding year, after a thorough review of applications received, the~~
21 ~~board of trustees of the state university of New York shall recommend~~
22 ~~for approval to the board of regents the qualified applications that it~~
23 ~~has determined rigorously demonstrate the criteria and best satisfy the~~
24 ~~objectives contained within a request for proposals, along with support-~~
25 ~~ing documentation outlining such determination.~~

26 (e) Upon receipt of a proposed charter to be issued pursuant to this
