IN ASSEMBLY

March 25, 2025

Introduced by M. of A. BLUMENCRANZ -- read once and referred to the Committee on Corporations, Authorities and Commissions

AN ACT to amend the public authorities law, in relation to suspending state funding to the metropolitan transportation authority and New York city transit authority pending safety compliance and a forensic audit; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "make the MTA safe again act."

3 § 2. Legislative findings and intent. The legislature finds that the
4 safety and security of transit passengers and workers within the metro-
5 politan transportation authority (MTA) and New York city transit author-
6 ity (NYCTA) systems are of paramount concern. Recent reports and over-
7 sight actions by the United States department of transportation
8 highlight significant deficiencies in crime prevention, fare enforce-
9 ment, and transit worker safety. New York State taxpayers deserve
10 accountability in transit funding, ensuring that financial resources are
11 directed toward public safety and system integrity. This act mandates a
12 temporary halt on state funding to the MTA and NYCTA until critical
13 safety and security benchmarks are met and an independent forensic audit
14 of the MTA's finances is completed.

15 § 3. The public authorities law is amended by adding a new section
16 1279-m to read as follows:

17 § 1279-m. Suspension of state funding. 1. Notwithstanding any other
18 provision of law to the contrary, no future state funds shall be
19 disbursed to the authority or the New York city transit authority until
20 such time as the authorities provide sufficient documentation and
21 compliance with the following requirements:

12 2. (a) No state funds shall be appropriated or released to the author-

33 politan transportation authority with the provisions of section 1279-m
34 of the public authorities law pursuant to section three of this act;
35 provided that the chair of the metropolitan transportation authority
36 shall notify the legislative bill drafting commission upon the occur-
37 rence of the completion of the comprehensive plan and the forensic audit
38 pursuant to section 1279-m of the public authorities law provided for in
39 section three of this act in order that the commission may maintain an
40 accurate and timely effective data base of the official text of the laws
41 of the state of New York in furtherance of effectuating the provisions
42 of section 44 of the legislative law and section 70-b of the public
43 officers law.
