16 Notwithstanding the foregoing provisions, the state may convey to the

23 may convey to the town of Arietta twenty-eight acres of forest preserve
24 land within such town for public use in providing for the extension of
25 the runway and landing strip of the Piseco airport and in exchange
26 therefor the town of Arietta shall convey to the state thirty acres of
27 certain land owned by such town in the town of Arietta. Notwithstanding
28 the foregoing provisions and subject to legislative approval of the
29 tracts to be exchanged prior to the actual transfer of title, the state,
30 in order to consolidate its land holdings for better management, may
31 convey to International Paper Company approximately eight thousand five
32 hundred acres of forest preserve land located in townships two and three
33 of Totten and Crossfield Purchase and township nine of the Moose River
34 Tract, Hamilton county, and in exchange therefore International Paper
35 Company shall convey to the state for incorporation into the forest
36 preserve approximately the same number of acres of land located within
37 such townships and such County on condition that the legislature shall
38 determine that the lands to be received by the state are at least equal
39 in value to the lands to be conveyed by the state. Notwithstanding the
40 foregoing provisions and subject to legislative approval of the tracts
41 to be exchanged prior to the actual transfer of title and the conditions
42 herein set forth, the state, in order to facilitate the preservation of
43 historic buildings listed on the national register of historic places by
44 rejoining an historic grouping of buildings under unitary ownership and
45 stewardship, may convey to Sagamore Institute Inc., a not-for-profit
46 educational organization, approximately ten acres of land and buildings
47 thereon adjoining the real property of the Sagamore Institute, Inc. and
48 located on Sagamore Road, near Raquette Lake Village, in the Town of
49 Long Lake, county of Hamilton, and in exchange therefor; Sagamore Insti-
50 tute, Inc. shall convey to the state for incorporation into the forest
51 preserve approximately two hundred acres of wild forest land located
52 within the Adirondack Park on condition that the legislature shall
53 determine that the lands to be received by the state are at least equal

55 the natural and historic character of the lands and buildings conveyed
56 by the state will be secured by appropriate covenants and restrictions

1 and that the lands and buildings conveyed by the state will reasonably
2 be available for public visits according to agreement between Sagamore
3 Institute, Inc. and the state. Notwithstanding the foregoing provisions
4 the state may convey to the town of Arietta fifty acres of forest
5 preserve land within such town for public use in providing for the
6 extension of the runway and landing strip of the Piseco airport and

10 Crossfield's Purchase in the town of Lake Pleasant.

11 Notwithstanding the foregoing provisions and subject to legislative
12 approval prior to actual transfer of title, the state may convey to the
13 town of Keene, Essex county, for public use as a cemetery owned by such
14 town, approximately twelve acres of forest preserve land within such
15 town and, in exchange therefor, the town of Keene shall convey to the
16 state for incorporation into the forest preserve approximately one
17 hundred forty-four acres of land, together with an easement over land

20 land, on condition that the legislature shall determine that the proper-
21 ty to be received by the state is at least equal in value to the land to
22 be conveyed by the state.

23 Notwithstanding the foregoing provisions and subject to legislative
24 approval prior to actual transfer of title, because there is no viable
25 alternative to using forest preserve lands for the siting of drinking
26 water wells and necessary appurtenances and because such wells are
27 necessary to meet drinking water quality standards, the state may convey
28 to the town of Long Lake, Hamilton county, one acre of forest preserve
29 land within such town for public use as the site of such drinking water
30 wells and necessary appurtenances for the municipal water supply for the
31 hamlet of Raquette Lake. In exchange therefor, the town of Long Lake
32 shall convey to the state at least twelve acres of land located in
33 Hamilton county for incorporation into the forest preserve that the
34 legislature shall determine is at least equal in value to the land to be
35 conveyed by the state. The Raquette Lake surface reservoir shall be
36 abandoned as a drinking water supply source.

37 Notwithstanding the foregoing provisions and subject to legislative
38 approval prior to actual transfer of title, the state may convey to

43 convey to the state for incorporation into the forest preserve at least
44 10 acres of forest land owned by National Grid in St. Lawrence county,
45 on condition that the legislature shall determine that the property to
46 be received by the state is at least equal in value to the land conveyed
47 by the state.

48 Notwithstanding the foregoing provisions, the legislature may author-
49 ize the settlement, according to terms determined by the legislature, of
50 title disputes in township forty, Totten and Crossfield purchase in the
51 town of Long Lake, Hamilton county, to resolve longstanding and compet-
52 ing claims of title between the state and private parties in said town-
53 ship, provided that prior to, and as a condition of such settlement,
54 land purchased without the use of state-appropriated funds, and suitable
55 for incorporation in the forest preserve within the Adirondack park,
56 shall be conveyed to the state on the condition that the legislature

1 shall determine that the property to be conveyed to the state shall
2 provide a net benefit to the forest preserve as compared to the township
3 forty lands subject to such settlement.

4 Notwithstanding the foregoing provisions, the state may authorize NYCO
5 Minerals, Inc. to engage in mineral sampling operations, solely at its
6 expense, to determine the quantity and quality of wollastonite on
7 approximately 200 acres of forest preserve land contained in lot 8,
8 Stowers survey, town of Lewis, Essex county provided that NYCO Minerals,
9 Inc. shall provide the data and information derived from such drilling
10 to the state for appraisal purposes. Subject to legislative approval of
11 the tracts to be exchanged prior to the actual transfer of title, the
12 state may subsequently convey said lot 8 to NYCO Minerals, Inc., and, in
13 exchange therefor, NYCO Minerals, Inc. shall convey to the state for
14 incorporation into the forest preserve not less than the same number of
15 acres of land, on condition that the legislature shall determine that
16 the lands to be received by the state are equal to or greater than the
17 value of the land to be conveyed by the state and on condition that the
18 assessed value of the land to be conveyed to the state shall total not
19 less than one million dollars. When NYCO Minerals, Inc. terminates all
20 mining operations on such lot 8 it shall remediate the site and convey
21 title to such lot back to the state of New York for inclusion in the
22 forest preserve. In the event that lot 8 is not conveyed to NYCO
23 Minerals, Inc. pursuant to this paragraph, NYCO Minerals, Inc. never-
24 theless shall convey to the state for incorporation into the forest
25 preserve not less than the same number of acres of land that is
26 disturbed by any mineral sampling operations conducted on said lot 8
27 pursuant to this paragraph on condition that the legislature shall
28 determine that the lands to be received by the state are equal to or
29 greater than the value of the lands disturbed by the mineral sampling
30 operations.

31 Notwithstanding the foregoing provisions and subject to legislative
32 approval prior to actual transfer of title, a total of no more than two
33 hundred fifty acres of forest preserve land shall be used for the estab-
34 lishment of a health and safety land account. Where no viable alterna-
35 tive exists and other criteria developed by the legislature are satis-
36 fied, a town, village or county may apply, pursuant to a process
37 determined by the legislature, to the health and safety land account for
38 projects limited to: address bridge hazards or safety on county high-
39 ways, and town highways listed on the local highway inventory maintained
40 by the department of transportation, dedicated, and in existence on
41 January first, two thousand fifteen, and annually plowed and regularly
42 maintained; elimination of the hazards of dangerous curves and grades on
43 county highways, and town highways listed on the local highway inventory
44 maintained by the department of transportation, dedicated, and in exist-
45 ence on January first, two thousand fifteen, and annually plowed and
46 regularly maintained; relocation and reconstruction and maintenance of
47 county highways, and town highways listed on the local highway inventory
48 maintained by the department of transportation, dedicated, and in exist-
49 ence on January first, two thousand fifteen and annually plowed and
50 regularly maintained, provided further that no single relocated portion
51 of any such highway shall exceed one mile in length; and water wells and
52 necessary appurtenances when such wells are necessary to meet drinking
53 water quality standards and are located within five hundred thirty feet
54 of state highways, county highways, and town highways listed on the
55 local highway inventory maintained by the department of transportation,
56 dedicated, and in existence on January first, two thousand fifteen, and

1 annually plowed and regularly maintained. As a condition of the creation
2 of such health and safety land account the state shall acquire two
3 hundred fifty acres of land for incorporation into the forest preserve,
4 on condition that the legislature shall approve such lands to be added
5 to the forest preserve.

6 Notwithstanding the foregoing provisions, the construction, operation,
7 and maintenance to international standards for Nordic skiing and biath-
8 lon trails that will accommodate global competitions, training, and
9 events, totaling not more than three hundred twenty-three acres of
10 trails and appurtenances thereto, is authorized on one thousand thirty-
11 nine acres of forest preserve lands at the Mount Van Hoevenberg Olympic
12 Sports Complex in the town of North Elba in Essex county, and as an
13 offset thereto the state must acquire for incorporation into the forest
14 preserve at least two thousand five hundred acres of forest land for
15 inclusion in the forest preserve in the Adirondack Park on condition
16 that the legislature shall determine that such lands are equal to or
17 greater in value.

18 § 2. Resolved (if the Senate concur), That the foregoing amendment be
19 submitted to the people for approval at the general election to be held
20 in the year 2025 in accordance with the provisions of the election law.
