Every number plate of a permanent nature for use with a removable date tag which shall be issued shall remain the property of the state unless and until the commissioner finds that the state no longer has use for it. Number plates belonging to the state shall be under the control of the commissioner.

The commissioner may, in the commissioner's discretion, deny a registration or renewal application to any other person for the same vehicle and may deny a registration or renewal application for any other motor vehicle registered in the name of the applicant where the commissioner has determined that such registrant's intent has been to evade the purposes of this paragraph and where the commissioner has reasonable grounds to believe that such registration or renewal will have the effect of defeating the purposes of this paragraph. Such denial shall remain in effect only as long as the suspension entered pursuant to this paragraph remains in effect.
