AN ACT in relation to authorizing the state university of New York at
Farmingdale to lease certain lands to the Farmingdale state develop-
ment corporation

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds that the state
2 university of New York at Farmingdale ("Farmingdale") seeks to use
3 approximately 9.26 acres of underutilized land on Farmingdale's campus
4 for the purpose of multi-purpose facilities to support housing needs and
5 supporting amenities, fulfilling a necessary and vital public purpose.
6 The legislature further finds that granting the trustees of the state
7 university of New York ("Trustees") the authority and power to lease and
8 otherwise contract to make available grounds and facilities of the Farm-
9 ingdale campus will ensure such land is utilized for the benefit of
10 Farmingdale, the surrounding community, and the general public.
11 § 2. Notwithstanding any other law to the contrary, the state univer-
12 sity Trustees are authorized and empowered, without any public bidding,
13 to lease and otherwise contract to make available to Farmingdale state
14 development corporation, a not-for-profit corporation (the "ground
15 lessee"), a portion of the lands of the university generally described
16 in this act for the purpose of developing, constructing, maintaining and
17 operating multi-purpose facilities to support housing needs and support-
18 ing amenities. Such lease or contract shall be for a period not exceed-
19 ing ninety-nine years without any fee simple conveyance and otherwise
20 upon terms and conditions determined by such Trustees, subject to the
21 approval of the director of the division of the budget, the attorney
22 general and the state comptroller. In the event that the real property
23 that is the subject of such lease or contract shall cease to be used for
24 the purpose described in this act, such lease or contract shall imme-

Any lease or contract entered into pursuant to this act shall provide that the real property that is the subject of such lease or contract and any improvements thereon shall revert to the state university of New York on the expiration of such contract or lease. Any and all proceeds related to the leases authorized by this act shall be used for the benefit of the Farmingdale campus and the allocation of such proceeds shall be subject to approval by the Trustees.

§ 3. Any contract or lease entered into pursuant to this act shall be deemed to be a state contract for purposes of article 15-A of the executive law, and any contractor, subcontractor, lessee or sublessee entering into such contract or lease for the construction, demolition, reconstruction, excavation, rehabilitation, repair, renovation, alteration or improvement authorized pursuant to this act shall be deemed a state agency for the purposes of article 15-A of the executive law and subject to the provisions of such article.

§ 4. Notwithstanding any general, special or local law or judicial decision to the contrary, all work performed on a project authorized by this act where all or any portion thereof involves a lease or agreement for construction, demolition, reconstruction, excavation, rehabilitation, repair, renovation, alteration or improvement shall be deemed public work and shall be subject to and performed in accordance with the provisions of article 8 of the labor law to the same extent and in the same manner as a contract of the state, and compliance with all the provisions of article 8 of the labor law shall be required of any lessee, sublessee, contractor or subcontractor on the project, including the enforcement of prevailing wage requirements by the fiscal officer as defined in paragraph e of subdivision 5 of section 220 of the labor law to the same extent as a contract of the state.

§ 5. Notwithstanding any law, rule or regulation to the contrary, the state university of New York shall not contract out to Farmingdale state development corporation or any subsidiary for the instruction or any pedagogical functions or services, or any administrative services, and similar professional services currently being performed by state employees. All such functions and services shall be performed by state employees pursuant to the civil service law. Nothing in this act shall result in the displacement of any currently employed state worker or the loss of position (including partial displacement such as reduction in the hours of non-overtime, wages or employment benefits), or result in the impairment of existing contracts for services or collective bargaining rights pursuant to existing agreements. All positions currently at the state university of New York in the unclassified service of the civil service law shall remain in the unclassified service. No services or work on the property described in this act currently performed by public employees or future work that is similar in scope and nature to the work being currently performed by public employees shall be contracted out or privatized by the state university of New York or by an affiliated entity or associated entity of the state university of New York. All such future work shall be performed by public employees.

§ 6. For the purposes of this act: (a) "project" shall mean work at the property authorized by this act to be leased to Farmingdale state development corporation as described in section twelve of this act that involves the design, construction, reconstruction, demolition, excavation, rehabilitation, repair, renovation, alteration or improvement of Farmingdale state development corporation property.

(b) "project labor agreement" shall mean a pre-hire collective bargaining agreement between a contractor and a labor organization, establishing the labor organization as the collective bargaining representative for all persons who will perform work on the project, and which provides that only contractors and subcontractors who sign a pre-negotiated agreement with the labor organization can perform project work.

§ 7. Nothing in this act shall be deemed to waive or impair any rights or benefits of employees of the state university of New York that otherwise would be available to them pursuant to the terms of agreements between the certified representatives of such employees and the state of New York pursuant to article 14 of the civil service law; all work performed on such property that ordinarily would be performed by employees subject to article 14 of the civil service law shall continue to be performed by such employees.

§ 8. Notwithstanding the provisions of any general, special, or local law or judicial decision to the contrary, Farmingdale state development corporation shall require the use of a project labor agreement, as defined in subdivision 1 of section 222 of the labor law, for all contractors and subcontractors on the project, consistent with paragraph (a) of subdivision 2 of section 222 of the labor law.

§ 9. Without limiting the determination of the terms and conditions of such contracts or leases, such terms and conditions may provide for leasing, subleasing, construction, reconstruction, rehabilitation, improvement, operation and management of and provision of services and assistance and the granting of licenses, easements and other arrangements with regard to such grounds and facilities by Farmingdale state development corporation, and parties contracting with Farmingdale state development corporation, and in connection with such activities, the obtaining of funding or financing, whether public or private, unsecured or secured (including, but not limited to, secured by leasehold mortgages and assignments of rents and leases), by Farmingdale state development corporation and parties contracting with Farmingdale state development corporation for the purposes of completing the project described in this act.

§ 10. Such lease shall include an indemnity provision whereby the lessee or sublessee promises to indemnify, hold harmless and defend the lessor against all claims, suits, actions, and liability to all persons on the leased premises, including tenant, tenant's agents, contractors, subcontractors, employees, customers, guests, licensees, invitees and members of the public, for damage to any such person's property, whether real or personal, or for personal injuries arising out of tenant's use or occupation of the demised premises.

§ 11. Any contracts entered into pursuant to this act between the ground lessee and parties contracting with the ground lessee shall be awarded by a competitive process.
