The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 6 of section 4138-c of the public health law, as amended by chapter 181 of the laws of 2010, is amended to read as follows:

6. Upon receipt of a final consent **or pre-authorization consent form** by the adoptee, by either of the birth parents, and/or by a biological sibling of the adoptee, the department shall, unless the adoptee or biological sibling registrant shall elect otherwise, if an authorized agency was involved in such adoption, release identifying information to such agency; such agency shall thereafter promptly release identifying information about the consenting registrants to the consenting registrants. If no authorized agency was involved, or if any registrant shall have elected not to have release of the information by the authorized agency involved in such adoption the department shall release identifying information to the consenting registrants. Such identifying information shall be limited to the names and addresses of the consenting registrants and shall not include any other information contained in the adoption or birth records. However, nothing in this section shall be construed to prevent the release of adoption records as otherwise permitted by law.

§ 2. Section 4138-c of the public health law is amended by adding a new subdivision 6-b to read as follows:

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
