1 m. protocols for responding to a declared state disaster emergency
2 involving a communicable disease that are substantially consistent with
3 the provisions of section twenty-seven-c of the labor law[-]; and

4 n. policies and procedures relating to sudden cardiac arrest. The
5 district-wide school safety team shall develop and implement a cardiac
6 emergency response plan that addresses the use of appropriate personnel
7 to respond to incidents involving any individual experiencing sudden
8 cardiac arrest or similar life-threatening emergency on any school site
9 owned or operated by a school or at a location of a school sponsored
10 event, including but not limited to all athletic programs. Each school
11 with an athletic department or organized athletic program shall develop
12 an additional cardiac emergency response plan that addresses the appro-
13 priate use of school personnel to respond to incidents involving an
14 individual experiencing sudden cardiac arrest or a similar life-threat-
15 ening emergency while attending or participating in an athletic practice
16 or event while on school grounds that are venue specific. Each plan
17 shall integrate nationally recognized, evidence-based core elements,
18 such as those recommended by the American Heart Association.

19 (i) Cardiac emergency response plans shall include CPR training of
20 appropriate members of building-level response team members; including
21 but not limited to school personnel, coaches, school nurses and athletic
22 trainers. Each plan shall include provisions for clearly marking, making
23 accessible and maintaining the automated external defibrillator (AED)
24 consistent with guidelines set by the American Heart Association, or
25 other nationally recognized guidelines focused on emergency cardiovascu-
26 lar care and current requirements of the public access defibrillation
27 provider pursuant to sections three thousand-a and three thousand-b of
28 the public health law and section nine hundred seventeen of this chap-
29 ter. School officials shall work directly with local emergency service
30 providers to integrate the cardiac emergency response plan into the
31 community's EMS responder protocols. For the purpose of school athletic
32 events and facilities, an AED shall be clearly marked and easily acces-
33 sible in an unlocked location at each school athletic venue and event.
34 The AED shall be accessible during the school day and any school-spon-
35 sored athletic event or team practice, in which pupils of the school are
36 participating. An AED should be placed on a victim within three minutes
37 of the onset of sudden cardiac arrest.

38 (ii) District-wide school safety teams shall implement first-aid, CPR,
39 and AED training for members of the building-level school safety team
40 and any other appropriate school staff determined by the cardiac emer-
41 gency response plan, including but not limited to licensed coaches,
42 school nurses, and athletic trainers.

43 (iii) District-wide school safety teams shall consider, as part of its
44 reviews of the comprehensive district-wide safety plan, annual practice
45 drills and review of the cardiac emergency response plan.

46 (iv) As used in this paragraph:

47 (A) "cardiac emergency response plan" means a written document that
48 establishes the specific steps to reduce death from cardiac arrest in
49 any setting, including but not limited to a school, community organiza-
50 tion, workplace, or sports facility; and

51 (B) "sudden cardiac arrest" occurs when a person's heart malfunctions
52 and stops beating unexpectedly.

53 § 2. Paragraph a of subdivision 3 of section 2801-a of the education
54 law, as amended by section 1 of part B of chapter 54 of the laws of
55 2016, is amended to read as follows:

1 a. policies and procedures for response to emergency situations, such
2 as those requiring evacuation, sheltering, [~~and~~] lock-down, and sudden
3 cardiac arrest. These policies shall include, at a minimum, evacuation
4 routes, shelter sites, and procedures for addressing medical needs,
5 transportation and emergency notification of parents and guardians;

6 § 2-a. Paragraph a of subdivision 3 of section 2801-a of the educa-
7 tion law, as amended by chapter 596 of the laws of 2024, is amended to
8 read as follows:

9 a. policies and procedures for response to emergency situations
10 including extreme heat conditions, such as those requiring evacuation,
11 sheltering, [~~and~~] lock-down, and sudden cardiac arrest. These policies
12 shall include, at a minimum, evacuation routes, shelter sites, and
13 procedures for addressing medical needs, transportation and emergency
14 notification of parents and guardians;

15 § 3. This act shall take effect on the one hundred eightieth day after
16 it shall have become a law; provided, however, that the amendments to
17 paragraph a of subdivision 3 of section 2801-a of the education law made
18 by section two of this act shall take effect on the same date and in the
19 same manner as chapter 596 of the laws of 2024, takes effect. Effective
20 immediately, the addition, amendment and/or repeal of any rule or regu-
21 lation necessary for the implementation of this act on its effective
22 date are authorized to be made and completed on or before such effective
23 date.
