The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provisions of law, the widow of Luis Palermo, who was employed by the Nassau County police department since October 14, 1994, and was a member of the New York state and local police and fire retirement system for approximately 23 years, until his passing on September 4, 2017, as a result of end stage pulmonary fibrosis contracted through his participation as a first responder, shall be entitled to file a new application for an accidental and special accidental death retirement benefit provided by the New York state and local police and fire retirement system. Additionally, notwithstanding any rule, regulation or law to the contrary, Luis Palermo's application for World Trade Center notice shall be approved despite Officer Palermo participating in rescue, recovery, and clean-up operations for twenty-nine hours between September 11, 2001 and September 12, 2002. Such application must be filed with the New York state and local police and fire retirement system pursuant to section 361-a of the retirement and social security law, as amended by chapter 733 of the laws of 1990, within one year of the effective date of this act.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would entitle the widow of Luis Palermo to file a new application for accidental and special accidental death benefits. It would also deem Luis Palermo's World Trade Center Notice approved.

There will be an immediate past service cost of $6.25 million borne by Nassau county as a one-time payment. This cost assumes that payment will be made on February 1, 2027. If Nassau County elects to amortize this cost over 10 years, the cost for each year will be $798,000.
