1 a public meeting; and provided, further, that food purchase contracts
2 (including contracts for food service work, but excluding any purchase
3 contract necessary for the completion of a public works contract pursu-
4 ant to article eight of the labor law) may be awarded to an otherwise
5 qualified bidder who complies with one or more of the values based
6 procurement standards pursuant to paragraph (c) of this subdivision and
7 may be given preference over other bidders, provided, however, that the
8 cost included in the bid is not more than ten percent greater than the
9 cost included in a bid by the lowest responsible bidder. Provided
10 further that pursuant to paragraph (b) of this subdivision, all bidders
11 on food purchase contracts shall provide relevant supply chain data in
12 its bid to the appropriate officer, board or agency. The appropriate
13 officer, board or agency shall make such data publicly available on the
14 entities' respective websites, excepting data not subject to disclosure
15 pursuant to article six of the public officers law. In any case where a
16 responsible bidder's or responsible offerer's gross price is reducible
17 by an allowance for the value of used machinery, equipment, apparatus or
18 tools to be traded in by a political subdivision, the gross price shall
19 be reduced by the amount of such allowance, for the purpose of determin-
20 ing the best value. In cases where two or more responsible bidders
21 furnishing the required security submit identical bids as to price, such
22 officer, board or agency may award the contract to any of such bidders.
23 Such officer, board or agency may, in [~~his or her or its~~] their
24 discretion, reject all bids or offers and readvertise for new bids or

31 commencing on the date of purchase. Purchases of commodities, services
32 or technology shall not be artificially divided for the purpose of
33 satisfying the discretionary buying thresholds established by this
34 subdivision. A change to or a renewal of a discretionary purchase shall
35 not be permitted if the change or renewal would bring the reasonably
36 expected aggregate amount of all purchases of the same commodities,
37 services or technology from the same provider within the twelve-month
38 period commencing on the date of the first purchase to an amount greater
39 than the discretionary buying threshold amount. For purposes of this
40 section, "sealed bids" and "sealed offers", as that term applies to
41 purchase contracts, (including contracts for service work, but excluding
42 any purchase contracts necessary for the completion of a public works
43 contract pursuant to article eight of the labor law) shall include bids
44 and offers submitted in an electronic format including submission of the
45 statement of non-collusion required by section one hundred three-d of
46 this article, provided that the governing board of the political subdivi-
47 sion or district, by resolution, has authorized the receipt of bids
48 and offers in such format. Submission in electronic format may, for
49 technology contracts only, be required as the sole method for the
50 submission of bids and offers. Provided however, the appropriate offi-
51 cer, board or agency of a city with a population of one million inhabit-
52 ants or more, or any district, board or agency with jurisdiction exclu-
53 sively within such city, may authorize or require bids and offers for
54 any contract to be submitted in an electronic format. Bids and offers
55 submitted in an electronic format shall be transmitted by bidders and
56 offerers to the receiving device designated by the political subdivision

1 or district. Any method used to receive electronic bids and offers

3 rules and regulations promulgated and guidelines developed thereunder
4 and, at a minimum, must [~~(a)~~] (i) document the time and date of receipt
5 of each bid and offer received electronically; [~~(b)~~] (ii) authenticate
6 the identity of the sender; [~~(c)~~] (iii) ensure the security of the
7 information transmitted; and [~~(d)~~] (iv) ensure the confidentiality of
8 the bid or offer until the time and date established for the opening of
9 bids or offers. The timely submission of an electronic bid or offer in
10 compliance with instructions provided for such submission in the adver-
11 tisement for bids or offers and/or the specifications shall be the
12 responsibility solely of each bidder or offerer or prospective bidder or
13 offerer. No political subdivision or district therein shall incur any
14 liability from delays of or interruptions in the receiving device desig-
15 nated for the submission and receipt of electronic bids and offers.
