Introduced by M. of A. STIRPE -- read once and referred to the Committee on Local Governments

AN ACT creating the Oak Orchard wastewater project; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "Oak
2 Orchard wastewater project act".

3 § 2. Definitions. For the purposes of this act, the following terms
4 shall have the following meanings:

5 1. "Oak Orchard wastewater project" or "project" shall mean, in
6 conformity with the requirements of this act, any and all phases of
7 planning, development, financing, design, construction, expansion,
8 improvements, repairs which are undertaken in whole or in part by the
9 county for the wastewater treatment plant known as the "Oak Orchard
10 wastewater treatment plant" located at 4300 Oak Orchard Road in the Town
11 of Clay, Onondaga county, SBL No. 031.-01-03.0, including any other
12 necessary improvements or expansions to the county wastewater treatment
13 and collection system within five miles of the perimeter of the plant.

14 2. "Oak Orchard wastewater treatment plant" shall mean the parcel more
15 particularly described as follows:

16 Beginning at a point on the division line between said lands conveyed
17 to Joseph V. Jankowski by the first above mentioned deed on the west and

Subject to a Flowage Easement granted by William Lepinski and Dora Lepinske to the State of New York dated January 2, 1917 and recorded in Onondaga County Clerk's Office on January 27, 1917 in Book of Deed 455 at Page 176.

3. "County" shall mean the county of Onondaga.

4. "Best value" shall mean the basis for awarding contracts for services to the proposer that optimize quality, cost and efficiency, price and performance criteria, which may include, but is not limited to:

- (a) The quality of the contractor's performance on previous projects;
- (b) The timeliness of the contractor's performance on previous projects;
- (c) The level of customer satisfaction with the contractor's performance on previous projects;
- (d) The contractor's record of performing previous projects on budget and ability to minimize cost overruns;
- (e) The contractor's ability to limit change orders;
- (f) The contractor's ability to prepare appropriate project plans;
- (g) The contractor's technical capacities;
- (h) The individual qualifications of the contractor's key personnel;
- (i) The contractor's ability to assess and manage risk and minimize risk impact; and
- (j) The contractor's past record of encouraging women and minority owned business enterprise participation and compliance with article 15-A of the executive law.

Such basis shall reflect, wherever possible, objective and quantifiable analysis.

5. "Design-build contract" shall mean, in conformity with the requirements of this act a contract for the design and construction of the Oak

1 Orchard wastewater project with a single entity, which may be a team
2 comprised of separate entities.

3 6. "Procurement record" shall mean documentation of the decisions made
4 and the approach taken in the procurement process.

5 7. "Project labor agreement" shall mean a pre-hire collective bargain-
6 ing agreement between a contractor and a bona fide building and
7 construction trade labor organization establishing the labor organiza-
8 tion as the collective bargaining representative for all persons who
9 will perform work on a project, and which provides that only contractors
10 and subcontractors who sign a pre-negotiated agreement with the labor
11 organization can perform project work.

12 § 3. Notwithstanding section 103 of the general municipal law or the
13 provisions of any other law to the contrary, in conformity with the
14 requirements of this act, and only when a project labor agreement is
15 performed, the county may utilize the alternative delivery method
16 referred to as a design-build contract for a project. The county shall
17 ensure that its procurement record reflects the design-build contract
18 process authorized by this act.

19 § 4. An entity selected by the county to enter into a design-build
20 contract for a project shall be selected on the basis of which proposal
21 provides the best value to the county, as follows:

22 1. The county shall issue a request for proposals for a project. The
23 request for proposals for a project shall set forth the project's scope
24 of work, qualifications and experience required, minimum business terms,
25 technical requirements as well as other requirements, as determined by
26 the county. The request for proposals shall specify the criteria to be
27 used to evaluate the responses and the relative weight of each such
28 criteria. Such criteria shall include the proposal's cost, the quality
29 of the proposal's solution, the qualifications and experience of the
30 design-build entity, adherence to minimum business terms, technical
31 approach and other factors deemed pertinent by the county, which may
32 include, but shall not be limited to, the proposal's project implementa-
33 tion, ability to complete the work in a timely and satisfactory manner,
34 operation and maintenance costs of the completed project, maintenance of
35 traffic approach, and community impact. Any contract awarded pursuant to
36 this act shall be awarded to a responsive and responsible entity that
37 submits the proposal, which, in consideration of these and other speci-
38 fied criteria deemed pertinent to the project, offers the best value to
39 the county, as determined by the county. Nothing in this act shall be
40 construed to prohibit the county from negotiating final contract terms
41 and conditions including cost. As used herein, qualifications and expe-
42 rience shall include the qualifications and experience of the design and
43 construction team, organization, demonstrated responsibility, ability of
44 the team or of a member or members of the team to comply with applicable
45 requirements, including the provisions of articles 145, 147 and 148 of
46 the education law, past record of compliance with the labor law includ-
47 ing prevailing wage requirements under state and federal law; the past
48 record of compliance with existing labor standards and maintaining
49 harmonious labor relations; the record of protecting the health and
50 safety of workers on public works projects and job sites as demonstrated
51 by the experience modification rate for each of the last three years;
52 the prospective proposer's ability to undertake the particular type and
53 complexity of work; the financial capability, responsibility and reli-
54 ability of the prospective proposer for such type and complexity of
55 work; the prospective proposer's compliance with equal employment oppor-
56 tunity requirements and anti-discrimination laws, and demonstrated

1 commitment to working with minority and women-owned businesses through
2 joint ventures or subcontractor relationships; whether or not the
3 prospective proposer or a person or entity with an interest of at least
4 ten per centum in the prospective proposer, is debarred for having
5 disregarded obligations to employees under the Davis-Bacon Act pursuant
6 to 40 U.S.C. 3144 and 29 C.F.R. 5.12 and such other qualifications the
7 county deems appropriate which may include but are not limited to
8 project understanding, financial capability and record of past perform-
9 ance. To the extent consistent with applicable federal law, the county
10 shall consider, when awarding any contract pursuant to this section, the
11 participation of: (a) firms certified pursuant to article 15-A of the
12 executive law as minority or women-owned businesses and the ability of
13 other businesses under consideration to work with minority and women-
14 owned businesses so as to promote and assist participation by such busi-
15 nesses; and (b) small business concerns identified pursuant to subdivi-
16 sion (b) of section 139-g of the state finance law.

17 2. Notwithstanding the foregoing provisions of this section, when any
18 person or entity is debarred for having disregarded obligations to
19 employees under the Davis-Bacon Act pursuant to 40 U.S.C. 3144 and 29
20 C.F.R. 5.12, such person or entity, and any firm, corporation, partner-
21 ship or association in which the person or entity owns or controls at
22 least ten per centum, shall be ineligible to submit a bid on or be
23 awarded any contract authorized by this act while the name of the person
24 or entity is published in the list of debarred contractors pursuant to
25 40 U.S.C. 3144. The department of labor will notify the person or entity
26 immediately of such ineligibility and such person or entity must be
27 afforded the opportunity to appeal to the department of labor.

28 § 5. Any contract entered into pursuant to this act shall include a
29 clause requiring that any professional services regulated by articles
30 145, 147 and 148 of the education law shall be performed and stamped and
31 sealed, where appropriate, by a professional licensed in accordance with
32 such articles.

33 § 6. The construction, demolition, reconstruction, excavation, reha-
34 bilitation, repair, renovation of a project undertaken by the county
35 pursuant to this act shall be deemed a "public work" to be performed in
36 accordance with the provisions of article 8 of the labor law, as well as
37 subject to sections 200, 240, 241 and 242 of the labor law and enforce-
38 ment of prevailing wage requirements by the New York state department of
39 labor.

40 § 7. A project labor agreement shall be included in the request for
41 proposals for a project, provided that, based upon a study done by or
42 for the county, the county determines that its interest in obtaining the
43 best work at the lowest possible price, preventing favoritism, fraud and
44 corruption, and other considerations such as the impact of delay, the
45 possibility of cost savings advantages, and any local history of labor
46 unrest, are best met by requiring a project labor agreement. The county
47 shall conduct such a study and the project labor agreement shall be
48 performed consistent with the provisions of section 222 of the labor
49 law. If a project labor agreement is not performed on the project: (1)
50 the county shall not utilize a design-build contract for the project;
51 and (2) sections 101 and 103 of the general municipal law shall apply to
52 the project.

53 § 8. Each contract entered into by the county pursuant to this act
54 shall comply, whenever practical, with the objectives and goals of
55 minority and women-owned business enterprises pursuant to article 15-A
56 of the executive law or, if a project receives federal aid, shall comply

1 with applicable federal requirements for disadvantaged business enter-
2 prises.

3 § 9. A project undertaken by the county pursuant to this act shall be
4 subject to the requirements of article 8 of the environmental conserva-
5 tion law, and, where applicable, the requirements of the national envi-
6 ronmental policy act.

7 § 10. If otherwise applicable, a project undertaken by the county
8 pursuant to this act shall be governed by the general municipal law.

9 § 11. The submission of a proposal or responses or the execution of a
10 design-build contract pursuant to this act shall not be construed to be
11 a violation of section 6512 of the education law.

12 § 12. Nothing contained in this act shall limit the right or obli-
13 gation of the county to comply with the provisions of any existing
14 contract, including any existing contract with or for the benefit of the
15 holders of the obligations of the county, or to award contracts as
16 otherwise provided by law.

17 § 13. This act shall take effect immediately and shall expire and be
18 deemed repealed ten years after such date, provided that if Onondaga
19 county has issued requests for proposals for a project prior to such
20 repeal, such project shall be permitted to continue under this act
21 notwithstanding such repeal.
