2025-2026 Regular Sessions

IN ASSEMBLY

May 15, 2025

Introduced by M. of A. STERN -- read once and referred to the Committee on Veterans' Affairs

AN ACT to amend the veterans' services law, in relation to directing the department of veterans' services to conduct a study about veterans' employment review

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The veterans' services law is amended by adding a new
2 section 29-e to read as follows:

3 § 29-e. Veterans' employment review. 1. Legislative intent. It is only
4 proper that those in government help the heroes who volunteered to serve
5 in the military make a successful transition to civilian life and
6 employment.

7 Leaving military service for civilian employment can be challenging
8 for many veterans who may have difficulty translating military quali-
9 fications, skills, and experiences when applying to civilian jobs. Yet,
10 veterans have a diverse pool of skill sets that make them invaluable
11 assets in a wide variety of fields across the public and private sectors
12 and possess a wealth of experience that would be helpful in any employ-
13 ment situation, whether as a team member or in a leadership role.

14 The legislature is aware that the current federal government has been
15 reducing the federal workforce with a disproportionate impact on veter-
16 ans. It is therefore, important that the state of New York increase its
17 efforts to help those veterans who have recently been displaced from
18 their careers in the federal government and help them find a path to
19 employment and success in the state of New York.

20 2. Study established. The department, in consultation with the depart-
21 ments of civil service and labor, the governor's office of employee
22 relations, at least two representatives of labor organizations as
23 defined in section two hundred ninety-two of the executive law, and the
24 president of the New York state county veterans' service officers asso-

16 (c) reviewing the adequacy of employment protections for veterans in
17 current law;

18 (d) reviewing methods, including the awarding of additional civil
19 service credits, that can be implemented by employers to more easily
20 facilitate the recruitment and onboarding of veteran employees who are
21 former employees of the federal government and who were dismissed from
22 federal employment on or after January twentieth, two thousand twenty-
23 five, including but not limited to those under Executive Order 14210, 90
24 Federal Registry 9669 (February 11, 2025); and

25 (e) providing recommendations on additional incentives that employers
26 can use to recruit and retain veteran employees.

27 4. Definition. The term "employer" shall have the same meaning as
28 defined in section two hundred ninety-two of the executive law.

29 § 2. This act shall take effect on the sixtieth day after it shall
30 have become a law.
