35 § 13. (a) Notwithstanding any other provision of law to the contrary,
36 pursuant to the terms of an agreement negotiated between the executive
37 branch of the state of New York and the employee organization represent-
38 ing the collective negotiating unit consisting of investigators, senior
39 investigators, and investigative specialists in the division of state
40 police, members in such collective negotiating unit shall, upon reaching

44 reaches eight or more years with the New York state police, holds the
45 rank of sergeant, or takes the sergeant's exam and is placed on the
46 sergeant's list for promotion.

47 (b) Such seniority pay shall be annualized and paid during the regular
48 bi-weekly periods. Such compensation shall be in addition to and shall
49 not be part of the member's basic annual salary and shall not affect or
50 impair any rights or benefits to which the member may be entitled;
51 provided, however, that seniority pay shall be included as compensation
52 for the purposes of computation of overtime pay and retirement.

53 § 14. Unused sick leave at retirement. Pursuant to the terms of an
54 agreement negotiated between the executive branch of the state of New

1 York and the employee organization representing the collective negotiat-
2 ing unit consisting of investigators, senior investigators, and investi-
3 gative specialists in the division of state police, members of such unit
4 shall continue to receive a lump sum cash payment for accumulated and
5 unused sick leave credits standing to the employee's credit at the time
6 of separation from service by retirement. The amount of such payment
7 shall be determined in the following manner:

8 (a) Effective April 1, 1998, the number of days of such accumulated
9 and unused sick leave, not to exceed 300 days, less 165 days, shall be
10 multiplied by the member's daily rate of pay in effect at the time of
11 separation from service by retirement.

12 (b) The lump sum payment shall be one-fifth of such amount provided
13 for in subdivision (a) of this section.

14 (c) Such additional compensation shall be in addition to and shall not
15 be part of the member's basic annual salary and shall not affect or
16 impair any rights or benefits to which the member may be entitled;
17 provided, however, that such additional compensation shall be included
18 as compensation for retirement purposes.

19 § 15. Lump sum payment. Each eligible member of this unit shall
20 receive a one-time lump sum payment in the amount of \$3,000. This
21 payment is not part of basic annual salary, is not subject to any salary
22 increases and is not pensionable. The one-time lump sum payment shall be
23 pro-rated for those employees paid on any basis other than an annual
24 basis. To qualify, employees must be in continuous service in the unit
25 between the period September 26, 2024 through July 25, 2025. Employees
26 who leave state service between September 26, 2024 through July 25,
27 2025, are not eligible for this bonus unless they retire directly from
28 active state employment. This bonus shall be effective July 25, 2025. If
29 a member received a lump sum payment as a member of another state
30 bargaining unit, they shall not receive a second lump sum payment.

31 § 16. Recognized degree pay. (a) Pursuant to the terms of an agreement
32 negotiated between the executive branch of the state of New York and the
33 employee organization representing the collective negotiating unit
34 consisting of investigators, senior investigators, and investigative
35 specialists in the division of state police, members of such unit who
36 possess or obtain a recognized degree from an accredited and recognized

39 bachelor's degree, and \$750 for a graduate degree. Payment for such
40 degree shall occur annually in June of each year and shall be for one
41 degree only. When such degree is obtained in a fiscal year, such
42 payment shall be made as soon as practicable after conferral of the
43 degree.

44 (b) Such additional compensation as provided in this section shall be
45 in addition to, and shall not be part of, the member's basic annual
46 salary, and shall not affect or impair any rights or benefits to which
47 the member may be entitled; provided, however, that such additional
48 compensation shall be included as compensation for retirement purposes.

49 § 17. Short swings. Notwithstanding any provision of law to the
50 contrary, pursuant to the terms of an agreement negotiated between the
51 executive branch of the state of New York and the employee organization
52 representing the collective negotiating unit consisting of investi-
53 gators, senior investigators, and investigative specialists in the divi-
54 sion of state police, effective September 1, 2016, members of this unit
55 who are required to work short swings shall receive compensation of
56 thirty dollars (\$30) for each short swing they are required to work and

1 actually work. There shall be no short swing compensation where the
2 short swing is worked at the request of, or for the convenience of the
3 member, as determined by the division of state police. The definition
4 of short swing shall be when there are eight hours or less between the
5 scheduled end time of a member's tour of duty and the start time of the
6 next scheduled tour of duty. Such compensation shall not be payable if
7 such member's hours of work continue from the end time of the member's
8 tour of duty to the commencement of the start time of the next scheduled
9 tour of duty without interruption.

10 § 18. Notwithstanding any provision of law to the contrary, pursuant
11 to the terms of an agreement negotiated between the executive branch of
12 the state of New York and the employee organization representing the
13 collective negotiating unit consisting of investigators, senior investi-
14 gators, and investigative specialists in the division of state police,
15 members of such unit shall receive recall overtime only in accordance
16 with the terms of the collective bargaining agreement.

17 § 19. Payment and publication of grievance arbitration settlements and
18 awards. Notwithstanding any provision of law to the contrary, the
19 appropriations contained in this act shall be available to the state for
20 the payment and publication of grievance arbitration settlements and
21 awards pursuant to article 15 of the collective negotiating agreement
22 between the state and the employee organization representing the collec-
23 tive negotiating unit consisting of investigators, senior investigators,
24 and investigative specialists in the division of state police, such
25 provisions being in effect pursuant to paragraph (e) of subdivision 1 of
26 section 209-a of the civil service law.

27 § 20. The compensation and benefit modifications provided for by this
28 act for state employees in the collective negotiating unit consisting of
29 investigators, senior investigators, and investigative specialists in
30 the division of state police pursuant to article 14 of the civil service
31 law shall not be implemented until the director of employee relations
32 shall have delivered to the director of the budget and the comptroller a
33 letter certifying that there is in effect with respect to such negotiat-
34 ing unit a collective bargaining agreement which provides for such
35 compensation and benefit modifications and which is fully executed in
36 writing with the state pursuant to article 14 of the civil service law,
37 and ratified pursuant to the ratification procedure of the employee
38 organization certified pursuant to article 14 of the civil service law
39 to represent such collective negotiating unit.

40 § 21. Date of entitlement to salary increase. Notwithstanding the
41 provisions of this act or of any other provision of law to the contrary,
42 the increase of salary or compensation of any member of the collective
43 negotiating unit consisting of investigators, senior investigators, and
44 investigative specialists in the division of state police provided by
45 this act shall be added to the salary of such member at the beginning of
46 that payroll period the first day of which is nearest to the effective
47 date of such increase as provided in this act, or at the beginning of
48 the earlier of two payroll periods the first days of which are nearest
49 but equally near to the effective date of such increase as provided in
50 this act; provided, however, that, for the purposes of determining the
51 salary of such officer or employee upon reclassification, reallocation,
52 appointment, promotion, transfer, demotion, reinstatement, or other
53 change of status, such salary increase shall be deemed to be effective
54 on the date thereof as prescribed by this act, with payment thereof
55 pursuant to this section on a date prior thereto, instead of on such
56 effective date, and shall not operate to confer any additional salary

1 rights or benefits on such officer or employee. Payment of such salary
2 increase may be deferred pursuant to section twenty-two of this act.

3 § 22. Deferred payment of salary increase. Notwithstanding the
4 provisions of any other section of this act or of any other provision of
5 law to the contrary, pending payment pursuant to this act of the basic
6 annual salaries of incumbents of positions subject to this act, such
7 incumbents shall receive, as partial compensation for services rendered,
8 the rate of compensation otherwise payable in their respective posi-
9 tions. An incumbent holding a position subject to this act at any time
10 during the period from the effective dates of the salary increases
11 provided for in this act until the time when basic annual salaries are
12 first paid pursuant to this act for such services in excess of the
13 compensation actually received therefor, shall be entitled to a lump sum
14 payment for the difference between the salary to which such incumbent is
15 entitled for such service and the compensation actually received there-
16 for. Such lump sum payment shall be made as soon as practicable. Any
17 amount payable in such lump sum paid represents compensation earned in
18 each of the year or years for which it is calculated pursuant to this
19 act and not as compensation earned wholly in the year during which the
20 lump sum is paid. Notwithstanding any law, rule or regulation to the
21 contrary, no member of the unit consisting of investigators, senior
22 investigators, and investigative specialists in the division of state
23 police to whom the provisions of this act apply shall be entitled to, or
24 owed, any interest or other penalty for any reason on any monies due to
25 such member pursuant to the terms of the agreement covering employees in
26 the unit consisting of investigators, senior investigators, and investi-
27 gative specialists in the division of state police.

28 § 23. Use of appropriations. Notwithstanding any provision of the
29 state finance law or any other provision of law to the contrary,
30 commencing April 1, 2025, the state comptroller is authorized to pay any
31 amounts required by the provisions of this act to any state department
32 or agency from any appropriation or other funds available to such state
33 department or agency for personal service, other than personal service
34 and fringe benefits. To the extent that such appropriations are insuffi-
35 cient in any fund to accomplish the purposes herein set forth, the
36 director of the budget is authorized to allocate to the various depart-
37 ments and agencies, from any appropriations available in any fund, the
38 amounts necessary to pay such amounts. The aforementioned appropriations
39 shall be available for payment of any liabilities or obligations
40 incurred during the period April 1, 2023 to March 31, 2026.

41 § 24. Notwithstanding any provision of the state finance law or any
42 other provision of law to the contrary, the sum of \$43,700,000 is hereby
43 appropriated in the general fund/state purposes account (10050) in
44 miscellaneous-all state departments and agencies solely for
45 apportionment/transfer by the director of the budget for use by any
46 state department or agency in any fund during the period April 1, 2023
47 through March 31, 2026 to supplement appropriations for personal
48 service, other than personal service and fringe benefits, and to carry
49 out the provisions of this act. No money shall be available for expendi-
50 ture from this appropriation until a certificate of approval has been
51 issued by the director of the budget and a copy of such certificate or
52 any amendment thereto has been filed with the state comptroller, the
53 chair of the senate finance committee and the chair of the assembly ways
54 and means committee. The monies hereby appropriated are available for
55 payment of any liabilities or obligations incurred during the period
56 April 1, 2023 through March 31, 2026. For this purpose, the monies

1 appropriated shall remain in full force and effect for the payment of
 2 liabilities incurred on or before March 31, 2026.
 3 § 25. Notwithstanding any provision of law to the contrary, the
 4 several amounts as hereinafter set forth, or so much thereof as may be
 5 necessary, are hereby appropriated from the fund so designated for use
 6 by any state department or agency during the period April 1, 2023
 7 through March 31, 2026 to supplement appropriations from each respective
 8 fund available for other than personal service and fringe benefits, and
 9 to carry out the provisions of this act. The monies hereby appropriated
 10 are available for the payment of any liabilities or obligations incurred
 11 during the period April 1, 2023 through March 31, 2026. No money shall
 12 be available for expenditure from the monies appropriated until a
 13 certificate of approval has been issued by the director of the budget
