55 ~~effect of defeating the purposes of this paragraph. Such denial shall~~

~~1 remain in effect only as long as the suspension entered pursuant to this
2 paragraph remains in effect.]~~

3 § 3. Subdivision 5-a of section 401 of the vehicle and traffic law is
4 amended by adding a new paragraph d to read as follows:

5 d. (i) No person other than a bona fide purchaser of the vehicle in an

27 for any other motor vehicle registered in the name of the applicant
28 where the commissioner has determined that such registrant's intent has
29 been to evade the purposes of this paragraph and where the commissioner
30 has reasonable grounds to believe that such registration, reregistra-
31 tion, renewal, replacement, or transfer of registration will have the
32 effect of defeating the purposes of this paragraph. Such vehicle iden-
33 tification number block and denial shall only remain in effect until
34 such tolling authority advises, in such form and manner as the commis-
35 sioner shall prescribe, that notices of liability provided pursuant to
36 section two thousand nine hundred eighty-five of the public authorities
37 law have been answered and that any unpaid tolls, fees, or other charges
38 associated with the vehicle and the vehicle identification number have
39 been paid to such tolling authority. Such discretionary vehicle iden-

5 however, that if the defect is not corrected by the driver or operator
6 at the time a summons is issued, the officer shall be authorized to
7 correct such defect by seizing and confiscating any material which

48 tolls, fees or other charges dismissed or transferred in response to
49 three or more notices of violation issued within a five year period
50 charging the registrant of a motor vehicle with a violation of toll
51 collection regulations, and to enforce such judgments, which shall
52 include vehicle seizure, without court proceedings, in the same manner
53 as the enforcement of money judgments in civil actions in any court of
54 competent jurisdiction or any other place provided for the entry of
55 civil judgment within the state of New York, after a period of notice
56 pursuant to paragraph (c) of this subdivision. The applicable tolling

48 and to satisfy the judgment or order out of the real and personal prop-
49 erty of the judgment debtor or obligor and the debts due to [~~him or her~~]
50 them.

16 of the owner or who, subject to the provisions of subdivision two of
17 this section, tows and stores any motor vehicle at the request of a law
18 enforcement officer authorized to remove such motor vehicle, whether or
19 not such motor vehicle, motor boat or aircraft is subject to a security
20 interest, or who has entered a judgment for failure to pay tolls, fees,

30 out of [~~his~~] their actual possession the lien provided for in this
31 section shall thereupon become void as against all security interests,
32 whether or not perfected, in such motor vehicles, motor boat or aircraft

35 acquired by such lienor. Notwithstanding any other provision of law to
36 the contrary, possession of a motor vehicle is not required for a lienor
37 who has entered a judgement for failure to pay tolls, fees, or other

54 department of motor vehicles. The filing of a notice of lien or of a
55 release of lien shall be completed without payment of a fee. The filing
56 of notice of lien or release of lien may be done by electronic means.

1 2. The state shall accord full faith and credit to liens which arise
2 in another state when such state agency, party, or other entity seeking
3 to enforce such a lien complies with the procedural rules relating to
4 such liens as provided for in article forty-six of the vehicle and traf-
5 fic law or this article as is appropriate. Such rules may not require
6 judicial notice or hearing prior to enforcement of such a lien and
7 enforcement shall be governed by this article.

8 § 12. This act shall take effect immediately.
