4 (a) Allowance of credit. An eligible taxpayer who is subject to tax

10 location, but not exceed ten thousand dollars over the aggregate credits
11 determined under this subdivision with respect to such business location
12 for the three preceding taxable years.

13 (b) Definitions. For the purposes of this section, the following terms
14 shall have the following meanings:

18 trades or businesses from different portions of a building, each such
19 portion shall be treated as a separate business location for purposes of
20 this section if the taxpayer meets the requirements of subdivision (c)
